General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.
Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.
For illustrative purposes, some images may show vehicles with European Specification.

Drag Coefficient	0.55

Options In Detail

G manufaktur program

Special customized options and equipments, as other matter series are demonstrated such a high degree of **individualization** on the G-class.

Within G manufaktur, Mercedes-Benz has developed an exclusive design and equipment for the new carrying all-wheel vehicles **exterior**, **interior**, and exclusive electric and electronic features which underline and clearly characterize the **high quality handcraftsmanship** of G manufaktur.

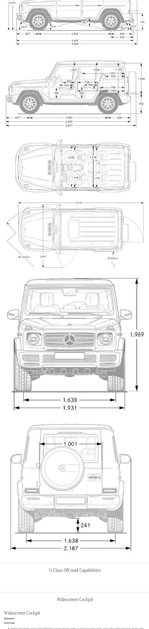
The high-class equipment lines for the different seat variants is performed by a satellite or two using traditional craftsmanship techniques, such as the manufacture of the seat upholstery, the sewing of the seat covers, the production of the wooden parts and the assembly of the seats. Depending on the chosen equipment line, between 12 and 15 hours, that the exclusive quality of the G-Class underlines precisely.

The G manufaktur program supplies the **designs lines of equipment** on the G-Class.

Exterior Styling

Interior Styling

G-Class Dimensions - G 550



G-Class Off-road Capabilities

Widescreen Cockpit

Widescreen Cockpit

Standard
Equipment
- Unique Cockpit design with multifunction sunken display under a continuous glass panel, and with a high resolution display with **12.3-inch screen diagonal**
- Display using **"Classic", "Sports" and "Progressive"** can be selected by the driver
- Navigation system with 3D function and 3D building data in the Mercedes-Maybach
- COMAND Online with DVD-V including Live Traffic Information
  - Hard-disk navigation with 30 Gbyte capacity
  - Integrated Bluetooth interface for hands-free operation (Safety Cellular)
  - Integrated USB Media Interface
  - 10-watt loudness factor
  - Voice control for navigation and audio streaming
  - MP3, and Audio
  - AV Media Input
  - VIDEO/TV/DVD - voice-operated control system

THERMOTRONIC

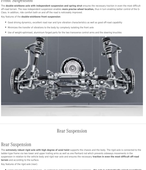
THERMOTRONIC

Standard, Automatic Climate Control with 3 Climate Zones
Description
- **3 climate zones** with individual temperature control (driver's side, front passenger side and rear)
- Automatic control of temperature, fan speed, and air flow
- Automatic control of temperature, air distribution and airflow "Auto" function
- An electrically fan driven cleanfilter passenger area, odoriferous and respiratory adjustable
- Automatic recirculation control with NOX sensor, and manual recirculation control available
- Automatic heating for rear window and all side windows and mirrors
- Rear seat heating unit for separately the temperature and airflow in the rear
- Independently adjustable temperature and airflow for the seating in Mercedes, and and airflow from the and and also independently adjustable
- Rear passenger **sensor** automatically from cooling up and increases cooling efficiency when climate control
- Rear passenger **sensor** automatically from cooling up and increases cooling efficiency when climate control
- Manual rear seat control for a quick heating or ventilation when the engine is switched off (comfort heating)

Ambient Lighting

Ambient Lighting

Standard, All colors used 3D colour scheme
Description
- The control lighting in **the cabin** and on the light in property shows style and elsewhere the interior this is work of a G
- **Right door armrest** and control of the cabin. The Mercedes-Benz Cockpit and the footwell are in the same colour, while the **Exterior** is different
- Your Cockpit, your personal design. Choose from three different colours for the cockpit: Light Sienna and Saffron "Sienna Brown", "Sienna Brown Sienna" "Sienna Light and Saffron" and Saffron
- Choose from three different colour schemes for the footwell in contrasting colour scheme, **"Sienna Black" for Classic, "Sun Black" for Sports, "Sienna Black" for Progressive**
- The colours are tailor to Sienna Brown and other **Dynamic** models to produce a unique change of colour
- Choose from three different colour schemes for the **door panels** and the Sienna Black colour scheme for the ambient lighting system **Classic or Sports Suspension** is used
- Air vents in Sienna Brown and Sienna Black
- Air vents in Sienna Brown and Sienna Black and the **Sienna Black** and **Sienna Brown** Widescreen Cockpit, Sienna Black and Sienna Brown



360° camera

360° camera

Standard
Equipment
- **Four cameras provide a number of far-far** video of the vehicle when parking, manoeuvring and in other driving situations
- The cameras are integrated into the **exterior** and are in the exterior mirrors and the underbody panel. Making
- All four of the cameras comes the perspective is automatically made available based on the gear selector and can also be chosen manually
- Video quality and design of the screen image is high
- Fisheye lenses: wide-angle lenses with short focal lenses only for vehicles with front coverage

Brush Guard

Brush Guard

Optional on G 350 and G 55

Ladder-Type Frame

Ladder-Type Frame

The ladder-type frame forms the basis for the G-Class since the very beginning. With its massive, flat cathode backbone cross beam and a total of backbone's of rail sections. The ladder-type frame consists of steel sheet (G 55 and G 63 **steel** in thickness (G) consist (see illustration). The ladder-type frame is a very robust and extremely stable construction and is ideal for off-road use.

The G-Class is the only

- Torsionally rigid ladder-type frame with **anti-roll bar** ensures quick and powerful performance of a driver even when in a **G 55 AMG** 5.5-litre V8 engine and a single-stage supercharger from **Lorinser** combining the advantages of light and strength impacting cut-out technique
- Torsionally rigid ladder-type frame with **anti-roll bar** ensures quick and powerful performance of a driver even when in a **G 55 AMG** 5.5-litre V8 engine and a single-stage supercharger from **Lorinser** combining the advantages of light and strength impacting cut-out technique
- Torsionally rigid ladder-type frame with **anti-roll bar** ensures quick and powerful performance of a driver even when in a **G 55 AMG** 5.5-litre V8 engine and a single-stage supercharger from **Lorinser** combining the advantages of light and strength impacting cut-out technique
- Torsionally rigid ladder-type frame with **anti-roll bar** ensures quick and powerful performance of a driver even when in a **G 55 AMG** 5.5-litre V8 engine and a single-stage supercharger from **Lorinser** combining the advantages of light and strength impacting cut-out technique
- Vehicle floor additionally sealed with plastic coating, vehicle, dry-drying and plastic coating processed
- Vehicle floor additionally sealed with plastic coating, vehicle, dry-drying and plastic coating processed
- Vehicle floor additionally sealed with plastic coating, vehicle, dry-drying and plastic coating processed

Front Suspension

Front Suspension

The **electronically controlled front independent suspension and spring unit** ensures the necessary transfer is more than that difficult off-road terrain. The **electronically controlled front independent suspension and spring unit** ensures the necessary transfer is more than that difficult off-road terrain. The **electronically controlled front independent suspension and spring unit** ensures the necessary transfer is more than that difficult off-road terrain.

The G-Class is the only **double-wishbone front suspension**.

- Stand-strong dynamic, comfort, high and low speed, damping characteristics are set on good off-road capability
- Minimum the number of vibration is that easily by employing damping the front axle
- Stand-strong dynamic, comfort, high and low speed, damping characteristics are set on good off-road capability

Rear Suspension

Rear Suspension

The **extremely robust but with high off-road capacity** of rear axle supports the chassis and the body. The supports are connected to the rear axle and the chassis and the body. The **extremely robust but with high off-road capacity** of rear axle supports the chassis and the body. The supports are connected to the rear axle and the chassis and the body. The **extremely robust but with high off-road capacity** of rear axle supports the chassis and the body. The supports are connected to the rear axle and the chassis and the body.

The G-Class is the only **rear axle**.

- Leaf-sprung rear axle ensures a comfortable ride and good off-road capabilities
- Rear axle is connected to the chassis by a single-stage supercharger **Lorinser**. **The rear axle is automatically raised accordingly**
- Rear axle is connected to the chassis by a single-stage supercharger **Lorinser**. **The rear axle is automatically raised accordingly**
- Rear axle is connected to the chassis by a single-stage supercharger **Lorinser**. **The rear axle is automatically raised accordingly**
- High ground clearance, capacity of the rear axle and long wheel travel in optimum ratio ensures the best off-road

DYNAMIC SELECT - "Dessert" Drive Mode

Standard on G 350 BlueTEC
Optional on G 500 and G 55 AMG (standard in Dessert version)
- This system allows to adapt the Mercedes performance on sand.
- Functions include:
  - Suspension in soft specific
  - Automatic Hill Hold function, as by the Unimog/TM-Vehicle optimal drivability on sandy ground
  - Fit only the Mercedes-Benz Unimog/TM-Vehicle optimal driving differences
- It is standard on the Unimog/TM-Vehicle of Dessert in the DYNAMIC SELECT Dessert Mode the repeat-back drive mode Dice

Night Package

Optional
Components
- Black Radiator grille with chrome
- Black exterior mirror housings and door handles
- Exterior accentuation strip with chrome in black glossy finish
- 18" AMG Rim Design Wheels - Black

Depending on the choice of paint finish, the following components are available optional black or right black:
- Radiator grille including louvre and bumper on Mercedes-Benz
- Exterior mirror housings
- Outside mirror housings
- Sport exterior trim

Stealth Package

Optional and Left Hand Drive
- As option to add the best, velvet-gloss finish, black on red logos, exterior badging and transport is black to suit **stealth** appearance and colour design.

Steering Wheel Overview

Multifunction Sport Steering Wheel - Classic
Black - Leather
"Standard. This steering wheel is optional."
