General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.
Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.
For illustrative purposes, some images may show vehicles with European Specification.

Revision History

Date	Description
09/23/2022	**IMPORTANT NOTE** - During the transition to our new Vehicle Ordering System, descriptions in Netstar for option codes are showing inaccurate**. The Dealer Ordering Guide is the correct resource for the name and description of all option, upholstery, package, trim, paint, and wheel codes.** MBUSA is aware of this ongoing issue and is working to resolve as quickly as possible.
