General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.
Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.
For illustrative purposes, some images may show vehicles with European Specification.

Mercedes-AMG SL 63 S E PERFORMANCE

****Order Banks Opening Soon****

P3 Performance Hybrid System

Arriving to the United States for the first time, the Mercedes-AMG SL 63 S E PERFORMANCE is the first performance hybrid roadster from Mercedes-AMG. Performance-oriented, highly efficient hybrid technology meets proven AMG technology in its latest stage of development. This takes "Driving Performance" to a whole new level.

A 6.1 kWh ultra-lightweight high-performance battery developed exclusively by AMG and a state-of-the-art 201hp electric motor, together with the roadster's Handcrafted AMG 4.0L V8 Biturbo engine produce an 805 hp combined system output and up to 1,047 lb-ft combined system torque. This makes the new E PERFORMANCE model the most powerful SL to date.

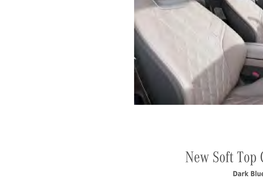
The development of the lithium-ion energy storage is inspired by technologies proven in the Mercedes-AMG Petronas F1 Team's Formula 1™ hybrid race cars. The AMG high-performance battery combines high power that can be called upon frequently in succession with low weight to increase the overall performance of the SL Roadster. The high-performance battery offers a capacity of 6.1 kWh, enabling 94 hp of continuous output and 201 hp peak output. Charging takes place via the 3.7 kW on-board AC charger at a charging station, wallbox or household socket. The battery is designed for fast power delivery and draw rather than longest possible range.

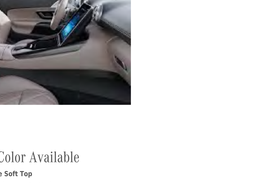
MANUFAKTUR Signature Interior/Exterior Options Available

SL 55 & SL 63 only

As part of the selection of MANUFAKTUR Signature paints, US customers now have access to further individualize their Mercedes-AMG SL with three exclusive colors; **Night Black Magno**, **Rubellite Red Metallic**, and **Cirrus Silver Magno**.

In addition to the exterior paints is the debut of the MANUFAKTUR Interior Package on the Mercedes-AMG SL with two upholsteries to choose from; **Savanna Beige** and **Rosé Grey**. The Interior Package includes seats upholstered in MANUFAKTUR Exclusive Nappa Leather, and feature elaborate diamond stitching. The AMG emblem is embossed into the front headrests. Nappa leather in matching color is also used for the armrests, centre panels of the doors, centre console, centre armrests, and the lower section of the dashboard. Another highlight of the Interior Package is the hand-stitched AMG Performance steering wheel in nappa, leather matching the chosen upholstery color, and high-pile floor mats feature an embroidered AMG logo and a High-Gloss Chrome MANUFAKTUR badge on the center console.





New Soft Top Color Available

Dark Blue Soft Top

Specifications

SL43R

Chassis	
Chassis and Body Construction	Aluminum space frame; intelligent material mix of aluminum, steel, magnesium and fiber composites throughout the vehicle
Vehicle Type	Two-door, 2+2 Roadster
Suspension	
Front Suspension	AMG RIDE CONTROL suspension with aluminum double wishbones, anti-squat and anti-dive control, lightweight coil springs, stabilizer and adaptive adjustable damping
Rear Suspension	AMG RIDE CONTROL suspension with aluminum double wishbones, anti-squat and anti-dive control, lightweight coil springs, stabilizer and adaptive adjustable damping
Drivetrain	
Transmission	AMG SPEEDSHIFT MCT 9G (9 speed)
Drive Configuration	Rear-Wheel Drive
Wheels and Tires	
Standard Wheel Size	Front: 9.5" x 19" / Rear: 11" x 19"
Standard Tire Size	Front: 255/45 ZR 19 / Rear: 285/40 ZR 19
Standard Wheel Offset (mm)	Front: ET 50 / Rear: ET 60
Brakes	
Front Brakes	15.4" composite brake discs, vented and perforated; 6-piston aluminum fixed caliper
Rear Brakes	14.2" composite brake discs, vented and perforated; 1-piston aluminum floating caliper
Engine	
Engine Configuration	Handcrafted AMG 2.0L 4-Cylinder Turbo
Displacement (cc)	1,991
Bore (in / mm)	3.27 / 83.0
Stroke (in / mm)	3.62 / 92.0
Compression Ratio	10.0 : 1
Power (hp)	375 hp @ 6,750
Torque (lb-ft)	354 lb-ft @ 3,000 – 5,000
Fuel Requirement (Octane)	91
Fuel Tank Size (gallons)	18.5
Redline (rpm)	7,200
Performance	
Acceleration 0-60 mph (sec)	4.8 (est.)
Top Speed (mph)	171 (est.; electronically limited)
Fuel Economy	
City Fuel Economy (mpg)	TBA
Highway Fuel Economy (mpg)	TBA
Combined Fuel Economy (mpg)	TBA
Gas Guzzler Tax	TBA
Exterior Dimensions	
Vehicle Length (in.)	185.2
Vehicle Height (in.)	53.5
Vehicle Width w/o exterior mirrors (in.)	75.4
Wheelbase (in.)	106.3
Curb Weight (lbs)	TBA
Track Width Front/Rear (in.)	65.6 / 64.1
Interior Dimensions	
Cargo Capacity	TBA

Options In Detail

Completely new bodyshell

In the series 63, the intelligent material composition of aluminium steel, magnesium and carbon fibre ensures the lowest possible weight and maximum rigidity. The bodyshell of the AMG GT 4-door Coupé is 20 % lighter than that of the AMG GT Coupé. The AMG GT 4-door Coupé is 5 mm longer than the AMG GT Coupé. The wheelbase is 3 mm longer. The AMG GT 4-door Coupé is 3 mm lower than the AMG GT Coupé. The AMG GT 4-door Coupé is 3 mm wider than the AMG GT Coupé.

Handcrafted AMG 2.0L Four-Cylinder Turbocharged Engine

Since mid-2016, the 2.0-litre four-cylinder turbocharged engine has an electric compressor turbocharger to produce an output of 270 kW and 500 N·m of torque. The 2.0-litre four-cylinder engine is the only engine in the AMG GT 4-door Coupé. The AMG GT 4-door Coupé is 5 mm longer than the AMG GT Coupé. The wheelbase is 3 mm longer. The AMG GT 4-door Coupé is 3 mm lower than the AMG GT Coupé. The AMG GT 4-door Coupé is 3 mm wider than the AMG GT Coupé.

Handcrafted AMG 4.0L V8 Biturbo Engine

Up to mid-2016, the AMG GT 4-door Coupé was powered by a 4.0-litre V8 engine. Depending on use, manufacturer-independent, sensor-based lubricant consumption. The Iridium Silver Metallic paint finish is a premium finish. The AMG GT 4-door Coupé is 5 mm longer than the AMG GT Coupé. The wheelbase is 3 mm longer. The AMG GT 4-door Coupé is 3 mm lower than the AMG GT Coupé. The AMG GT 4-door Coupé is 3 mm wider than the AMG GT Coupé.

AMG SPEEDSHIFT MCT 9G transmission

The AMG SPEEDSHIFT MCT 9G transmission with AMG Performance Package is optically adapted to the requirements of the series 63, and each shift point is individually adjusted to the requirements of the series 63. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust.

AMG Performance 4MATIC+

Tank to Wheel: 0.0 g/km

Up to mid-2016, the series 63 offered 19-year history. the 4-cylinder with a rear-wheel drive system. Driving in the rear wheels. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust.

Center console with adjustable touchscreen

The series consists dominantly the equestrian between other and three passenger seats. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust.

Soft Top

The series consistency of the top is also suggested by necessary to a seams will be indicated the primary leather cover of the series 63. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust.

Rear-axle Steering

Tank to Wheel: 0.0 g/km

Up to mid-2016, the series 63 offered 19-year history. the 4-cylinder with a rear-wheel drive system. Driving in the rear wheels. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust.

Active Aerodynamics

A minimum engineer's the pass development the the pressure, active air control system (AIRPART). The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust.

AMG Aerodynamics Package (B26)

Tank to Wheel: 0.0 g/km

Lightweight and ultra-hi-performance with a high-quality material from the field of motorsport. Carbon fiber components enhance the exterior appearance from all angles and underline the sporty character of your Mercedes-AMG.

- Front splitter in high-gloss chrome
- Front grille in high-gloss chrome
- Side sill panels with carbon fiber trim
- Rear apron insert in high-gloss chrome

AMG Exterior Carbon Pkg. (773)

Tank to Wheel: 0.0 g/km

Lightweight and ultra-hi-performance with a high-quality material from the field of motorsport. Carbon fiber components enhance the exterior appearance from all angles and underline the sporty character of your Mercedes-AMG.

- Front splitter in high-gloss chrome
- Front grille in high-gloss chrome
- Side sill panels with carbon fiber trim
- Rear apron insert in high-gloss chrome

Exterior Chrome Pkg. (250)

Tank to Wheel: 0.0 g/km

With the AMG Chrome Package, your vehicle looks particularly elegant and sleek. Additional elements in high-gloss chrome underscore the elegance and make your vehicle look even more exclusive and individual.

- Front splitter in high-gloss chrome
- Front grille in high-gloss chrome
- Side sill panels with carbon fiber trim
- Rear apron insert in high-gloss chrome

Brake Calipers

- Brake Series Calipers - standard on the GLC
- Red brake calipers - standard on the GLC (Tuning Grey) only
- AMG Brake Calipers - standard on the GLC (Tuning Grey) only - Performance Yellow
- AMG Brake Calipers - Brake - standard on the GLC (Tuning Grey) only - Performance Yellow

Extended Night Package + Dark Light Package (PA2 + SE7)

The AMG Exterior Dark Package + Dark Light Package include:

- Black chrome grille instead of chrome
- Black chrome lift bar on the hood
- Black chrome trapezoid and side fins
- Exterior handle in black chrome

AMG Dynamic Plus Package

Standard on GLC4, included within GLC43 and GLC63 "Performance" trim line

The AMG DYNAMIC Plus Package adds the ultimate in driving enjoyment and extreme agility. It utilizes numerous high performance components to all-out your driving experience. The AMG DYNAMIC Plus Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust.

Components:

- AMG dual-circuit brake system in yellow
- "MCD" pin program
- AMG sports suspension
- AMG electronic limited-slip rear axle differential
- Suspension lowering by 10 mm in the AMG

Headlimers

- Black Microfiber headliner AS12
- Beige Microfiber headliner AS12
- Black Microfiber headliner AS12

Front Axle Lift

Available on AMG Performance, AMG Performance or as a stand-alone option in Sport Package

The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust. The AMG Performance Package includes the AMG Performance Steering, the AMG Performance Suspension, the AMG Performance Brakes and the AMG Performance Exhaust.

Seatbelts

- Black Seatbelts AS12
- Black Seatbelts (PA2) - Black AS12
- Black Seatbelts (PA2) - Red AS12
- Black Seatbelts (PA2) - Silver AS12
- Black Seatbelts (TQ8) - Black AS12

Stereo Options

Standard equipment on the GLB43 and GLB63 in Performance Sports trim. Not available on the Sports trim.

- Premium interior in the front and power in the AC, with power seats
- Premium interior equipment in the back and in some speakers in the rear/power seat
- Premium exterior in the front
- Premium exterior equipment in the rear side panels
- AMG GLB exterior upholstery in the hood
- Interior LED interior (black) 64F amplifier, sophisticated sound reproduction (USP, digital sound processor)
- Rear-view camera
- Maximum sound, digital 64F

Optionally available on select the GLB and GLB43 in the Summer High-End 3D Surround Sound System (SE1), Highlights of the system include:

- 12 active 300W amplifier powered speakers, one woofer and 11 full-range speakers
- Standardized subpages there in the amplifier for rear and high-frequency channels
- Sound processor with 64 channels and 64 bit DSP
- Active AMG GLB Surround Sound Amplifier is in the trunk with two AMG sub-woofer
- 3D surround sound with AMG 3D System (subject technology in the rear)
- Sound processor with 64 channels and 64 bit DSP
- Stereo entertainment (MP3)
- 5 sound systems, Tone, Voice, Listening, Live, Surround, 3D Surround
- Digital, sophisticated sound reproduction (USP, digital sound processor)

AMG Night Package (P40)

With the AMG Night Package, standard exterior elements are finished in high-gloss black. This results in either strong contrasts or flowing transitions, depending on the vehicle model and the color of the vehicle. The AMG Night Package includes the AMG Night Package, the AMG Night Package, the AMG Night Package, the AMG Night Package, the AMG Night Package.

- Front splitter in high-gloss black
- Front grille in high-gloss black
- Side sill panels with carbon fiber trim
- Rear apron insert in high-gloss black
- Exterior handle in high-gloss black
- Rear apron insert in high-gloss black
- Tailpipe trim in black chrome

GLARD 360 (P82)

GLARD 360 utilizes proximity-protected sensors of square monitoring, in conjunction, an anti-theft system alarm, the data protection that is valid for Mercedes-Benz. It protects Mercedes-Benz vehicles from theft, burglary and acoustic warnings. Alert theft only the vehicle the moment of your insurance company.

Parking Assistance Package
Comand Navigation
Lumbar Expansion, 2-Position and Lumbar Expansion, 3D Surround Sound

Load Compartment Package (P42)

The load compartment Package actively the ability to increase the storage capacity within the vehicle. The load compartment Package actively the ability to increase the storage capacity within the vehicle. The load compartment Package actively the ability to increase the storage capacity within the vehicle.
