General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.
Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.
For illustrative purposes, some images may show vehicles with European Specification.

Revision History

Date	Description
09/23/2022	**IMPORTANT NOTE** - During the transition to our new Vehicle Ordering System, descriptions in Netstar for option codes are showing inaccurate**. The Dealer Ordering Guide is the correct resource for the name and description of all option, upholstery, package, trim, paint, and wheel codes.** MBUSA is aware of this ongoing issue and is working to resolve as quickly as possible.
06/30/2022	Initial published

What's New

Standard Equipment

- **Metallic Paint**
- **Carbon Fiber (H73)**

Optional Equipment

- **Metal Weave no longer feasible (H64)**

E63S4S (213.289)

- MSRP: TBD
- Transmission: AMG SPEEDSHIFT MCT 9G (9 speed)
- Acceleration 0-60 mph (sec): 3.4 (est.)
- Engine Configuration: Handcrafted AMG 4.0L V8 biturbo engine
- Power (hp): 603 @ 5,750 – 6,500
- Torque (lb-ft): 627 @ 2,500 – 4,500
- Launch Date: TBD

Standard Equipment

E63S4S

Performance & Handling

- Handcrafted AMG 4.0L V8 Biturbo engine
- AMG Performance 4MATIC+ w/ Drift Mode
- 20” AMG wheels
- Dynamic engine mounts
- AMG Performance Exhaust
- Shift Paddles
- AMG SPEEDSHIFT® MCT 9-speed transmission
- AMG Sport Suspension based on AIR BODY CONTROL
- AMG DYNAMIC SELECT
- AMG electronic limited-slip differential
- AMG Drive Unit Steering Wheel Buttons

Comfort & Convenience

- 12.3” Widescreen Instrument Cluster
- MBUX Infotainment and Navigation System
- Touchpad
- Bluetooth® connectivity
- Inductive Wireless Charging w/ NFC Pairing
- Smartphone integration with Apple CarPlay™ & Android Auto
- Panorama sunroof
- Power front seats w/ 3-position memory and 4-way power driver’s lumbar support
- 40/20/40-split folding rear seats
- Mercedes me connect
- KEYLESS-GO w/ HANDS-FREE ACCESS
- Garage Door Opener
- AMG Track Pace App
- Heated Center Console and Front Armrests
- Adaptive Highbeam Assist
- 12.3" Touchscreen Media Display
- "Hey Mercedes" Voice Control
- Burmester® Surround Sound System
- SiriusXM® Radio All-Access w/ 6 mo. Trial Period
- AMG Performance Steering Wheel with Touch Control Buttons
- LED Headlamps and Taillamps
- 64-Color Ambient Lighting
- Heated and ventilated front seats
- Power Folding Mirrors
- KEYLESS-START
- Power tailgate
- AMG Illuminated Door Sills
- Heated Steering Wheel
- Rapid Heating Front Seats

Safety & Security

- Surround View System
- ATTENTION ASSIST®
- Crosswind Assist
- PRE-SAFE®
- Tire Pressure Monitoring System (TPMS)
- Active Parking Assist
- Active Brake Assist
- Car-to-X Communication
- LED Headlamps, Daytime Running Lights and Taillamps
- PRE-SAFE Sound
- Blind Spot Assist

Paint

Non-Metallic Paints

Specifications

E63S4S

Chassis	
Vehicle Type	Five-door, five-passenger wagon
Chassis & Body Construction	Steel unibody with aluminum and steel body panels
Suspension	
Front Suspension	Independent multi-link suspension with air spring, single-tube shock absorber with continuously adjustable damping and torsion bar
Rear Suspension	Independent multi-link suspension with air spring, single-tube shock absorber with continuously adjustable damping and tubular torsion bar
Drivetrain	
Transmission	AMG SPEEDSHIFT MCT 9G (9 speed)
Drive Configuration	AMG Performance 4MATIC+ all-wheel drive with variable torque distribution and Drift Mode
Wheels and Tires	
Standard Wheel Size	Front: 20" x 9.5" / Rear: 20" x 10"
Standard Tire Size	Front: 265/35 ZR 20 / Rear: 295/30 ZR20
Standard Wheel Offset (mm)	Front: ET 25 / Rear: ET 55
Brakes	
Front Brakes	15.4" rotors w/ 6-piston calipers
Rear Brakes	14.2" rotors w/ single-piston calipers
Engine	
Engine Configuration	Handcrafted AMG 4.0L V8 biturbo engine
Displacement (cc)	3,982
Bore (in / mm)	3.27 / 83.0
Stroke (in / mm)	3.62 / 92.0
Compression Ratio	8.6 : 1
Power (hp)	603 @ 5,750 – 6,500
Torque (lb-ft)	627 @ 2,500 – 4,500
Fuel Tank Size (gallons)	21.1
Redline (rpm)	7,000
Performance	
Acceleration 0-60 mph (sec)	3.4 (est.)
Top Speed (mph)	180 (electronically limited)
Fuel Economy	
City Fuel Economy (mpg)	TBD
Highway Fuel Economy (mpg)	TBD
Combined Fuel Economy (mpg)	TBD
Exterior Dimensions	
Vehicle Length (in.)	197.1
Vehicle Height (in.)	58.0
Vehicle Width w/ exterior mirrors (in.)	81.3
Wheelbase (in.)	115.7
Curb Weight (lbs)	TBD
Track Width Front/Rear (in.)	64.9 / 62.8
Interior Dimensions	
Cargo Capacity	35 cu-ft

Optimo Je Detail

Handcrafted AMG 4.0L V8 bitwin engine (M177 DH55S1 LA AMG)

- Bitwin
  - Bitwin is a technology that uses two turbochargers to increase power and torque while improving efficiency and reducing emissions.
  - The two turbochargers work together to provide a wide range of boost pressure, ensuring smooth and responsive acceleration.
- Cylinder deactivation and variable valve timing
  - Cylinder deactivation allows the engine to shut off some cylinders when they are not needed, improving fuel efficiency.
  - Variable valve timing optimizes the timing of the intake and exhaust valves for better performance and efficiency.
- Direct fuel injection
  - Direct fuel injection delivers fuel directly into the combustion chamber, improving fuel efficiency and reducing emissions.
  - It allows for more precise control over the fuel delivery, resulting in better performance and lower emissions.
- Advanced cooling system
  - The engine is equipped with a sophisticated cooling system to maintain optimal temperatures and prevent overheating.
  - This system includes various components such as radiators, fans, and coolant pumps.
- Lightweight materials
  - The engine may incorporate lightweight materials such as aluminum and composites to reduce overall weight.
  - Lightweight materials contribute to improved fuel efficiency and overall performance.
- Advanced emission control systems
  - The engine is equipped with various emission control systems to meet stringent emissions regulations.
  - These systems may include catalytic converters, particulate filters, and exhaust gas recirculation (EGR) systems.
- Low emissions
  - Low emissions are a key feature of the engine, with the goal of minimizing the environmental impact of the vehicle.
  - The engine may incorporate various technologies to reduce emissions, such as advanced combustion control and exhaust gas treatment.

AMG Drive Unit Steering Wheel Buttons (DAB) Standard

- The steering wheel buttons allow for quick and easy access to various functions while the driver is focused on the road.
- The buttons may include functions such as adjusting the volume, changing the radio station, or controlling the cruise control.
- The steering wheel buttons are designed to be ergonomic and easy to reach, ensuring that the driver can keep their hands on the steering wheel while operating the buttons.
- The buttons may be backlit or illuminated for better visibility in low light conditions.
- The steering wheel buttons may be customizable, allowing the driver to program the buttons to perform specific functions or shortcuts.

Brakes

AMG Brake System (BRS) Standard

- The AMG Brake System (BRS) is a high-performance braking system that is designed to provide the driver with a sporty and responsive braking experience.
- The system may include features such as:
  - Larger brake rotors and calipers for increased stopping power.
  - Performance brake pads for improved grip and heat resistance.
  - Stainless steel brake lines for enhanced durability and performance.
  - Adjustable brake pedal for a more comfortable and ergonomic driving position.
- The AMG Brake System may also include a dedicated brake cooling system to prevent overheating and maintain optimal performance.
- The system may be integrated with other vehicle systems, such as the electronic stability control and traction control systems, to provide a seamless and safe driving experience.

AMG Brake System (BRS) Performance Package (BPP) Standard

- The AMG Brake System Performance Package (BPP) is an upgrade to the standard AMG Brake System (BRS) that provides even more performance and enhancements.
- The BPP may include features such as:
  - Even larger brake rotors and calipers for increased stopping power.
  - More aggressive brake pads with higher heat resistance and better grip.
  - Upgraded stainless steel brake lines for improved durability and performance.
  - Adjustable brake pedal with a more aggressive ergonomic design.
- The BPP may also include a more advanced brake cooling system to prevent overheating and maintain optimal performance.
- The system may be integrated with other vehicle systems, such as the electronic stability control and traction control systems, to provide a seamless and safe driving experience.

Steering Wheels

AMG Steering Wheel Trim Black Piano Lacquer Standard

- The steering wheel trim is made of black piano lacquer, which is a high-gloss finish that resembles the appearance of a piano.
- The black piano lacquer trim adds a sleek and sophisticated look to the steering wheel, enhancing the overall aesthetic of the vehicle.
- The trim may also provide a tactile feel that is smooth and pleasant to the touch.
- The black piano lacquer trim may be susceptible to scratches and fingerprints, so it may require regular cleaning and maintenance to keep it looking pristine.

AMG Steering Wheel Trim Carbon Fiber Standard

- The steering wheel trim is made of carbon fiber, which is a lightweight and strong material that is commonly used in high-performance vehicles.
- The carbon fiber trim adds a sporty and modern look to the steering wheel, giving the vehicle a more aggressive and sporty appearance.
- The carbon fiber trim may also provide a tactile feel that is smooth and pleasant to the touch.
- The carbon fiber trim may be susceptible to scratches and fingerprints, so it may require regular cleaning and maintenance to keep it looking pristine.

AMG Night Package (RCL) $700

Black exterior trim, black grille, black wheels, black tinted rear lights, black tailpipe finishers, black door handles, black mirror housings, black roof rails, black spoiler, black rear diffuser, black front splitter, black side skirts, black badges and emblems, exterior carbon fiber trim, black interior trim, black seat belts, black floor mats, black headliner, black pillars, black door panels, black dashboard, black center console, black steering wheel, black seats, black stitching, black headrest covers, black sun visors
