

**GB**

**Validity**

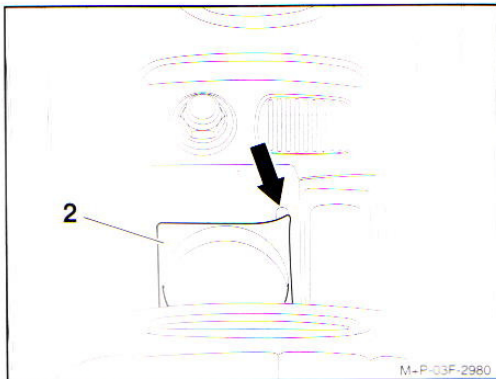

These installation instructions are valid for 203 series C-class left-hand-drive vehicles.

**Components**

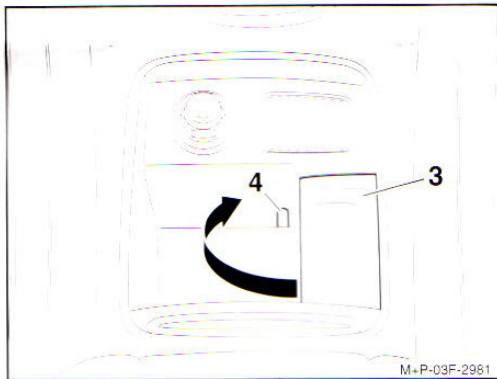

- (1) Cup holder

**To fit**

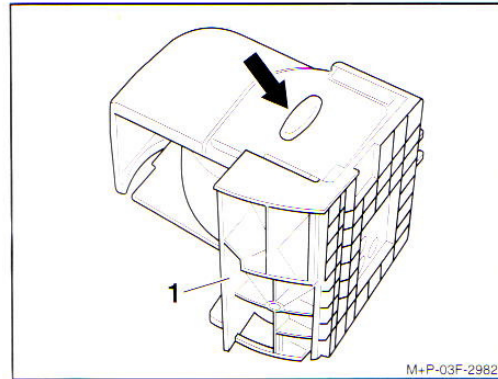

1. Open the storage compartment in the centre console.

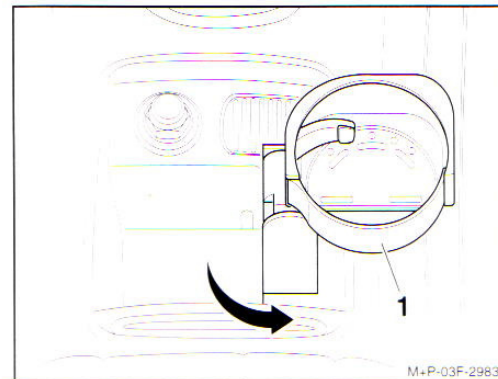

2. Carefully lever out the drinks holder (2) with a screwdriver (see arrow) and remove.

3. Press the area marked (4) with your finger. At the same time, pull up the shelf (3) and turn carefully clockwise. Remove the shelf (3).

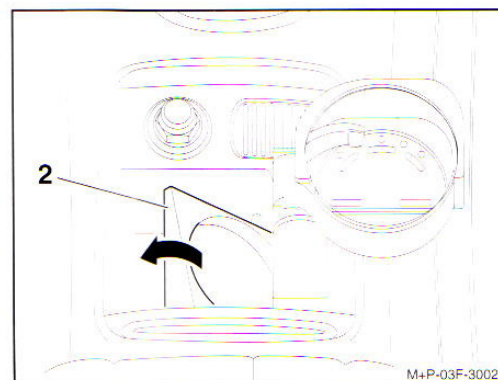

4. Open the cup holder (1) by pressing the button (see arrow).

**Caution**  
Hold the bottom half of the cup holder (1) when fitting it.

5. Insert the cup holder (1) into the compartment, turn carefully anti-clockwise and press down until it engages.

6. Reinsert the drinks holder (2) into the centre console as shown in the diagram.

7. Fold down the cup holder and close the storage compartment in the centre console.
