Dear Mercedes-Benz Owner,

The purpose of this letter is to advise you of additional benefits that Mercedes-Benz USA, LLC ("MBUSA") is providing to you regarding your vehicle ownership.

What's Included

In our continuing efforts to assure the proper performance of Mercedes-Benz products and to enhance the satisfaction of our customers, MBUSA is extending the warranty on the high-pressure fuel pump due to a potential failure that should result in reduced fuel pressure and an activation of the Malfunction Indicator Lamp (MIL). The original New Vehicle Limited Warranty of 4 years / 50,000 miles is extended to **10 years/120,000 miles (whichever occurs first)**. This limited warranty extension to the existing high-pressure fuel pump applies to the vehicle regardless of ownership.

This warranty extension only covers replacement of the high-pressure fuel pump. The following vehicles are included:

C-Class	MY2012-2014	C250
C-Class	MY2012-2015	C250 Coupe
SLK-Class	MY2012-2015	SLK250

Any repairs under this warranty extension must be performed by an authorized Mercedes-Benz dealership. This extended warranty *does not* cover any other components beyond the ones mentioned above, and standard warranty terms apply, including the exclusions with respect to extra expenses, as identified in the Service and Warranty Information booklet. In the case of failure of any other components other than the aforementioned part beyond the vehicle's basic warranty of 4 years/50,000 miles, the associated repair will not be covered and will remain your responsibility.

What if I already paid for a repair?

If your vehicle has exceeded the original warranty's mileage or time period, and you have already paid to have your high-pressure fuel pump replaced due to the above described condition, you may be eligible to receive reimbursement under this warranty extension. Reimbursement for your replacement costs can be obtained by presenting adequate documentation to your authorized Mercedes-Benz dealer. Requests for reimbursement may include expenses for Mercedes-Benz replacement parts, labor, fees, and taxes. Reimbursement may be limited to the amount the repair would have cost if completed by an authorized Mercedes-Benz dealer. Contact your Mercedes-Benz dealer for more information on obtaining this reimbursement. Repairs performed by a non-Mercedes-Benz dealership might not be reimbursed.

Please contact your authorized Mercedes-Benz dealership for assistance or additional information (or visit www.mbusa.com). If your dealer is unable to remedy your situation, please contact us at 1-800-367-6372.

Please place the enclosed warranty extension addendum to the inside back cover of your vehicle's Service and Warranty Information Booklet for future reference if necessary, as well as a copy of this letter.

We hope you are enjoying your Mercedes-Benz vehicle and we apologize for any inconvenience you may have experienced.

Sincerely,
