Options in Detail

Specifications

GLC 300 (253.948)

- MSRP \$XXXX
- 2.0-L inline-4 turbo engine
- 9-Speed Automatic Transmission
- 241 hp
- 273 lb-ft
- 6.3 sec (0-60 mph)
- Launch date: 8/2017

GLC 300 4MATIC (253.949)

- MSRP \$XXXX
- 2.0-L inline-4 turbo engine
- 9-Speed Automatic Transmission
- 241 hp
- 273 lb-ft
- 6.4 sec (0-60 mph)
- Launch date: 8/2017

Standard Equipment

- Storage Package becomes standard (seatback pockets, storage nets, rear seat release switches in cargo area)
- Heated windscreen wiper system becomes standard (*GLC 300 4MATIC only*)

Optional Equipment

- New 'Categorical' packaging strategy
- Performance Exhaust System available with AMG Line (U21)
- Removable Ski and Snowboard Bag available (282)
- Telescopic Cargo Rods (895) available
- Cargo Protection and Sill Guard (942) becomes available
- Smartphone Integration Package (868) available as of August production (*Not available w/ COMAND*)
- MB-Tex Dashboard with Topstitching (U09) available as standalone option
- Natural Grain Brown Ash Wood Trim (H09) becomes available

Smartphone Integration for Apple CarPlay™ and Android Auto (868)

Smartphone Integration - Apple CarPlay™ and Android Auto

Requires Smartphone Integration Package (868)

Not available with Multimedia Package (320)

Smartphone Integration makes safe use of mobile devices possible while on the move. The connection to the smartphone allows access to up-to-date software and data such as navigation and traffic information, media (Streaming Media and IP Radio) as well as contact data and messaging. To prevent driver distraction while on the move, there is no complete duplication of smartphone content. A data connection via the mobile phone is necessary for certain functions. Corresponding charges may be incurred depending on the mobile phone contract. The functions supported also depend on the smartphone. The information provided by the smartphone manufacturer will also indicate the compatible devices and functions.

Telescopic Cargo Rods (895)

Telescopic Cargo Rods (895)

Available All Models

This clever solution enables the luggage compartment to be divided up flexibly and helps to prevent the load from sliding around. The floor brackets can be positioned freely along the outer edges of the load compartment floor. The system's plug-in elements and telescopic rod are secured in these brackets to provide a secure hold. Purchasing the supplementary kit enables additional products, such as the zig-zag folding bag for example, to be optimally secured.

Features of the luggage compartment plug-in module:

- 1 telescopic frame
- 2 plug-in elements
- 2 bracket elements

Cargo Protection and Sill Guard (942)

Cargo Protection and Sill Guard (942)

Available All Models

The Cargo Protection and Sill Guard is a reversible mat, with one side in high-quality velour and the other in a rubberized, anti-slip material, which provides protection for the load compartment floor. The folding zigzag load sill guard, which is attached with Velcro, can fold out over the rear bumper to help prevent clothes becoming dirty or paintwork from being scratched during loading and unloading.

Ski and Snowboard Bag (282)

Ski and Snowboard Bag (282)

Available All Models

The ski and snowboard bag is ideal for transporting skis and snowboard – without having to install a ski rack or soil the interior. Up to four pairs of skis or 2 snowboards can be conveniently stored in the bag and removed via the luggage compartment. Thoughtfully designed, there is no impairment of seating comfort in the front seats or for the two outer rear seats. After sliding the bag in place, it can be secured safely in the rear by means of a retention device. It is also fitted with a soft armrest for the rear passengers. Accessories and small items can be conveniently stored in the external and internal pockets. Once filled, the ski and snowboard bag is easy to pull along to the ski lift thanks to the built-in pair of roller wheels and a pull-out handle.

Features of the ski and snowboard bag:

- Internal and External pockets
- Armrest
- Built-in pair of roller wheels
- Pull-out handle
- Condensation drain and ventilation
- Retention device

Performance & Handling

- 2.0L inline-4 turbo engine
- 9G-TRONIC 9-Speed Automatic Transmission
- Multi-Link Front Suspension
- Multi-Link Independent Rear Suspension
- DYNAMIC SELECT
- All-Season Tires
- ECO Start/Stop Technology
- 19" Wheels
- Adaptive Braking Technology

Comfort & Convenience

- KEYLESS START
- Power Folding Mirrors
- Audio System with CD drive
- Two USB Ports
- Bluetooth® Technology (for Handsfree Phone Use/Audio Streaming)
- HD Radio
- Power Front Seats with Driver Memory
- 4-way Lumbar Support
- Power Tilt & Telescoping Steering Column
- Electronic Cruise Control
- Power Windows with Express Up and Down
- Storage Package
- Central Controller with 7" high-mounted tablet-style color display
- Multifunction leather steering wheel
- Pre-wiring for GARMIN® Map Pilot
- Dual-Zone Automatic Climate Control
- Garage Door Opener
- Intermittent Wipers with Rain Sensor
- Auto-Dimming Driver & Rearview Mirror
- Front and Rear Cupholders
- Split-Folding Rear Seats (40/20/40)
- Power Liftgate
- Automatic Headlamps with Twilight Sensor & Locator Lighting

Safety & Security

- New Vehicle 4 Year/50,000 Mile Warranty
- 24h Roadside Assistance Program
- 3-point Seat Belt with Pretensioners & Dual-Stage Belt Force Limiter
- Front Dual-Stage Airbags
- Front and Rear Side Window Airbags
- Front Side Airbags
- Driver Kneebag
- Rearview Camera
- ISOFIX Anchor and Tether System
- ATTENTION ASSIST Driver Drowsiness Monitor
- COLLISION PREVENTION ASSIST PLUS (CPA+)
- PRE-SAFE
- Smart Key with Panic Button
- Tire Pressure Monitoring System
- Anti-theft Alarm System

Headlamps

Halogen Headlamps inducing integrated LED daytime running lamps

Standard on GLC 300 and GLC 350 4MATIC

- Reflection-type halogen headlamps offer high light intensity and a long service life. The LED daytime running lamps are integrated into the headlamps

LED Headlamps (632)

Option price: \$XXXX

All functions feature LED technology

- Distinctive look by day and night
- Taillamps with LED technology

Active LED Headlamps (640)

Only available with 319 Advanced Lighting Package

All functions feature LED technology

- Automatically activated cornering lights
- Active light function for significantly better illumination in bends
- Long service life thanks to LED technology - no need for bulb changes
- Light color similar to that of daylight
- Low energy consumption
- Taillamps with LED technology

AIR BODY CONTROL (489)

AIR BODY CONTROL

Optional on GLC 300 and GLC 300 4MATIC

- Multi-chamber air suspension combined with continuously adjustable damping to improve ride comfort and driving dynamics
- Vehicle characteristics can be varied from comfortable through to sporty using DYNAMIC SELECT switch
- "Comfort" and "Sport" settings for a more comfortable or stiffer, sportier setup
- Constant vehicle level irrespective of load thanks to pneumatic all-round self-levelling suspension
- Suspension level can be raised for poor surfaces and is automatically lowered at high speeds
- It is possible to lower the vehicle level by 1.6 inches to make it easier to load the luggage compartment. (Function activated by means of switch in luggage compartment side trim)

Steering Wheels

Sport Steering Wheel

Option price: \$0

Not available with 224 and 225 upholstery.

The 12 ergonomic control buttons on the leather multifunction sport steering wheel with flattened bottom section enable operation of the display menus in the instrument cluster and the Audio/COMAND display on the left. On the right, the driver can control the volume of audio devices, telephone and navigation system. Silver-colored aluminum shift paddles emphasize the sporty appeal.

Heated Steering Wheel (443)

Option price: \$250

Not with 224 & 225 upholstery

On cold days, heating of the steering wheel rim very rapidly ensures cozy temperatures of the grip area and thus also warm hands. The temperature oscillates around 95°F.

AMG Track Pace App for Apple iPhone® (255)

AMG Track Pace App for Apple iPhone® (255)

Option price: \$XXXX

Requires Multimedia Package (320)

With the "AMG Track Pace" app, a smartphone can be turned into a personal racing engineer. This enables lap/sector times or even videos to be recorded and analyzed. Another attractive feature is the option to exchange data with other AMG drivers e.g. via social networks.

Overview of the AMG Track Pace app:

- Stores vehicle-specific data (e.g. speed, acceleration) as well as lap and sector times
- Video recordings via smartphone/GoPro are also possible
- Driving ability can be analyzed and improved in a targeted manner
- Connection via WLAN
- Exchange data with other AMG drivers via social networks such as Facebook (Share function) or the AMG Private Lounge
