

新款奔驰C级(W205)大灯升级车型表

NEW Benz C Class(W205) Headlight Upgrade Model

欧规车型 European model	车型年份 Year of model	2015-2018款 奔驰C级(W205)低配 2015-2018 Benz C Class (W205) Low Matching
	原车大灯 Original car headlight	

操作方式
Operation mode

可升级为
2019款高配
LED大灯
upgradable
to 2019 LED
headlight

请仔细查看以上说明进行操作，避免电路出现不明故障！谢谢！

Please check the above instructions carefully for operation to avoid unidentified circuit failure! Thank you!

新款奔驰C级(W205)大灯升级车型表

NEW Benz C Class(W205) Headlight Upgrade Model

欧规车型 European model	车型年份 Year of model	2015-2018款 奔驰C级(W205)中配 2015-2018 Benz C Class (W205) Middle Matching	
	原车大灯 Original car headlight		

操作方式
Operation mode

这两个插头不要连接
Two plugs do not connect to use

警告!!!
Warning!!!

只连接这个插头
Connect only this plug

Detailed description: This image shows the internal wiring of a headlight housing. A green printed circuit board (PCB) is visible with various electronic components. Several colored wires (red, blue, black, white, purple) are connected to the board. A blue box highlights a specific plug on the left side. A red box highlights two other plugs on the right side. Red arrows point from the text '这两个插头不要连接' and '警告!!!' to these two plugs. A blue arrow points from the text '只连接这个插头' to the plug in the blue box. A large red arrow points downwards from this image to the next one.

可升级为
2019款高配
LED大灯
upgradable
to 2019 LED
headlight

Detailed description: This image shows the exterior of the upgraded LED headlight. The headlight is illuminated, showing a bright white light. The housing is sleek and modern, with a clear lens and a black grille. The background is a dark, blurred landscape.

请仔细查看以上说明进行操作，避免电路出现不明故障！谢谢！

Please check the above instructions carefully for operation to avoid unidentified circuit failure! Thank you!

NEW Benz C Class(W205) Headlight Upgrade Model

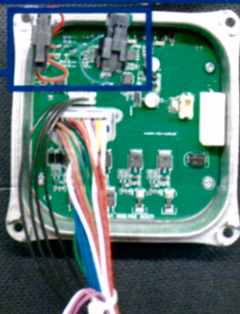

欧规车型 European model	车型年份 Year of model	2015-2018款 奔驰C级(W205)高配 2015-2018 Benz C Class (W205) High Matching
	原车大灯 Original car headlight	

操作方式
Operation mode

安装时使用这条转接线
Use this adapter when installing

这两个插头必须全部连接好
The two plugs must be fully connected

警告!!!
Warning!!!

不要使用这个电阻
Do not use that resistor

可升级为
2019款高配
LED大灯
upgradable
to 2019 LED
headlight

请仔细查看以上说明进行操作，避免电路出现不明故障！谢谢！
