- AMG steering wheel with SpeedShift buttons
- AMG sport seats with AMG badging
- AMG instrument cluster
- AMG door sill plates
- AMG stainless steel pedals
- 4-Zone digital climate control
- harmon kardon Logic 7 Digital Surround Sound System

## Product Highlights- AMG Performance Package

A NEW  
DRIVING  
DIMENSION.

THE CLS 55 AMG PERFORMANCE PACKAGE

19" AMG two-piece alloy wheels and staggered-width tires<sup>1</sup>

AMG compound front brakes

AMG locking differential

186-mph top speed<sup>2</sup>

### The AMG experience – heightened.

Every Mercedes-AMG automobile is born on the racetrack. The performance leadership of countless racing champions is its provenance. The finely honed instincts that can only come from 35 years spent developing, crafting, testing and winning are its natural aptitude. Remarkable poise under extreme pressure is its confident character.

From its handcrafted 469-hp supercharged V-8 engine to its intimate cabin, a Mercedes-Benz CLS 55 AMG 4-door Coupe can engage its driver and three passengers in an emotionally elevated experience on any day, on any stretch of pavement.

The CLS 55 AMG Performance Package takes you even higher. Giant brakes with two-piece compound rotors and multipiston calipers have been proven on the tracks of Formula One racing. To stylishly enhance performance—and to clear the massive brakes—the wheels and tires are the largest available for street use from the AMG arsenal. An AMG locking differential and a sport steering wheel trimmed in high-grip Alcantara help you wield the car's power with panache. A 20-percent increase in its top track speed befits its escalated enthusiasm—and leaves no doubt where the inspiration for the CLS 55 AMG Performance Package came to life.

Vehicles are shown with non-U.S. equipment.

<sup>1</sup> AMG 19" wheels and accompanying high-speed-rated tires provide substantially increased treadwear and reduced ride comfort compared to H-rated tires. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. <sup>2</sup> Electronically limited. Obey speed laws.
