

Emission Systems Warranty - Passenger Cars (Federal)

General

In accordance with the requirements of the Federal Clean Air Act as amended, Mercedes-Benz USA, LLC warrants to the original and each subsequent owner of a new Mercedes-Benz passenger car that:

(1) the vehicle was designed, built and equipped so as to conform, at the time of sale to the original owner, with the then applicable regulations issued by the Federal Environmental Protection Agency under authority of the Federal Clean Air Act as amended; and

(2) the vehicle is free from defects in materials and workmanship at the time of sale which would cause it not to conform with those regulations within a period of two years or 24,000 miles from the date of initial operation of the vehicle, whichever occurs first; and

(3) is free from defects in material and workmanship in specific emission related parts as specified in the list shown on page 37 which would cause them not to conform with those requirements for a period of 8 years or 80,000 miles, whichever comes first.

This Warranty Does Not Apply To:

1. The repair or replacement of warranted parts which are scheduled to be replaced prior to 80,000 miles (such as spark plugs, fuel and air filters, etc.). These parts are no longer covered once they have been replaced at the first required replacement interval during a regular maintenance service.
2. Any vehicle on which the odometer mileage has been altered and the vehicle's actual mileage cannot be readily determined.
3. Loss of time, inconvenience, loss of the use of the vehicle or similar incidental or consequential damages.
