

Emission Performance Warranty (Federal) - Things You Should Know

General

See pages 37 and 39 for components covered by this warranty.

You may present a claim under this warranty immediately after your vehicle has failed an EPA approved emission short test if, as a result of that failure, you are required by law to repair the vehicle to avoid the imposition of a penalty or sanction. You do not need to suffer the loss of the right to use the vehicle, pay a fine, or incur repair expenses before bringing this claim. Your warranty claim may be presented to any authorized Mercedes-Benz Passenger Car Center of your choice in the USA or its territories.

The dealer will honor or deny your claim within a reasonable time not to exceed 30 days, from the time at which your vehicle is initially presented for repair or within any time period specified by local, State or Federal Law, whichever is shorter, except when a delay is caused by events not attributable to MBUSA or your Mercedes-Benz Center. You will be notified in writing by your Mercedes-Benz Center of the reason for any denial of your claim.

Your dealer is required by law to honor your claim if such notice of denial is not received by you within said time period.
