

MONDAY / TUESDAY / WEDNESDAY WAVE 2

Dear AMG Test Drive Participant,

We are delighted that you have accepted your dealer's invitation to join a group of fellow customers at the 2008 AMG Test Drive Program in Dallas/Cresson, Texas on Tuesday, November 11th, 2008.

We have planned a busy but enjoyable schedule for the duration of your stay with us.

Please find below the proposed itinerary and list of activities for the two day program. At the moment, we have planned to have you stay with us for a second night. As soon as we have the details of your flight arrangements, we will finalize the agenda accordingly.

All guests of the program will be staying at the Grand Hyatt DFW. It is a smaller, very friendly and modern boutique hotel, conveniently located in Terminal D of the Dallas-Fort Worth Airport. From there, it will be fast and easy to access the various venues we will use for the program.
