Improvement in performance		
C 63 AMG - Tuning-Kit V63S		
Individual fine-tuning of ECU incl. lifting of Vmax above 250 km/h and high flow air filter (Additional improvement possible by installation of camshaft kit or range manifold system, converter system)		
- Displacement: 6.208 ccm		
- Max. Power: 395 kW = 525 hp		
- Max. Torque: 655 Nm		
- Vmax: 300 km/h (requiring tyre approval)		
- Fuel: SuperPlus (ROZ 98)		
- Emission Standard: unchanged	1.890,00 €	2.249,10 €
Assembling	150,00 €	178,50 €
TÜV-Certificate	150,00 €	178,50 €
C 63 AMG - Tuning-Kit V63RS		
Individual fine-tuning of ECU incl. lifting of Vmax above 250 km/h and high flow air filter, VA high-grade steel range manifold system and high-grade steel catalytic converters for lower exhaust back pressure incl. assembling		
- Displacement: 6.208 ccm		
- Max. Power: 414 kW = 565 hp		
- Max. Torque: 740 Nm		
- Vmax: 300 km/h (requiring tyre approval)		
- Fuel: SuperPlus (ROZ 98)		
- Emission Standard: unchanged	7.500,00 €	8.925,00 €
TÜV-Certificate	150,00 €	178,50 €
Sports Differential		
Sports Differential 60% / 80%		
For alteration of axle drive ratio. Improved acceleration, still higher Vmax, improved cornering ability not just for race track. Fuel saving by optimised drive line, including adjustment of electrical units incl. Assembling		
	3.790,00 €	4.510,10 €
Cooling Systems		
Fuel Cooling		
Cooler fuel has a higher density. Efficiency improves clearly. Much better combustion guarantees excellent exhaust values, less fuel consumption, lower temperature in combustion chamber and more power. For highly required engines and for all those customers, who want to foster their VÄTH- or Mercedes-engine exceedingly. Including tubes and fittings		
Assembling	1.690,00 €	2.011,10 €
	200,00 €	238,00 €
Engine Oil Cooling System		
For highly required engines and for all those customers, who want to foster their VÄTH- or Mercedes-engine exceedingly. Including tubes and fittings		
Assembling	800,00 €	952,00 €
	200,00 €	238,00 €
Transmission Oil Cooling System		
Including tubes and fittings		
Assembling	700,00 €	833,00 €

Exhaust Systems		
High-Grade Steel Range Manifold		
Left and right manifold made of VA high-grade steel. 6-8 % increased efficiency by optimised exhaust back pressure. By considerably improved exhaust discharge the backpressures reduce up to the cylinders. The engine works essentially easier and can develop its full potential.	3.190,00 €	3.796,10 €
Assembling	200,00 €	238,00 €
High-Grade Steel Catalytic Converters to replace Precatlytic Converters		
Enhanced exhaust speed, lower exhaust back pressure for improved engine running. The engine can easier develop ist full potential.	1.890,00 €	2.249,10 €
Assembling	200,00 €	238,00 €
Silencer System made of VA High-Grade Steel		
2 rear silencers, 2 tail pipes each side high-gloss polished tail pipes, additionally chrome plated, 89 mm diameter each, angular cut downwards outer tailpipes 10 mm shorter adapted to rounding of rear bumper. Top Sound: Sonorous, sporty, lusty including general operating permission		- prices on application -
Sports Chassis		
Lowering Springs 30mm		
Lowering springs, sporty and comfortable characteristics for improved cornering and turn in ability.	350,00 €	416,50 €
Assembling	250,00 €	297,50 €
TÜV-Certificate	150,00 €	178,50 €
VÄTH-Complete Chassis		
About 20-65mm lowering by VÄTH. spring and continuously hardness adjustable dampers. sporty-save roadability and still comfortable, for street and racetrack.	2.490,00 €	2.963,10 €
Assembling and chassis surveying	450,00 €	535,50 €
TÜV-certificate	150,00 €	178,50 €
Sports Chassis		
Elegant optics: Lowering in third damper level sporty-tight characteristic in first and second damper level comfortable, improved cornering ability	1.200,00 €	1.428,00 €
Assembling	650,00 €	773,50 €
TÜV-Certificate	150,00 €	178,50 €
High performance brake system		
High performance brake system		
Frontal bored brake discs 380 mm with 8-piston caliper incl. installation und Technical Control Board inspection. Attention: Only possible with 19 inch wheel rims!	4.900,00 €	5.831,00 €
