# General Information

## Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

## Revision History

Date	Description
11/02/2022	MANUFAKTUR Cardinal Red Metallic and Lunar Blue Metallic no longer available as of December 2022 production
10/24/2022	The semiconductor shortage impacting the follow options is resolved beginning with January 2023 production: <ul style="list-style-type: none"><li>• 810 - Burmester 3D Surround Sound</li><li>• 75B - Standard USB package</li><li>• 897 - Wireless Charging</li></ul>
08/22/2022	Accessories price increase on D07 (now \$160) and D43 (now \$170)
08/16/2022	C43: AMG Performance Seat packages are limited in availability in CY22, and TBD availability in CY23.
08/16/2022	C300W and C300W4 MSRP added.
07/19/2022	Link to <a href="#">C300 Competitors</a> now available
07/18/2022	Link to <a href="#">C43 competitors</a> now available
07/12/2022	C43: Power Red/Black leather (297) is not possible with Starling Blue Metallic paint (970)
06/01/2022	C 300: Updated paint, upholstery, trim ordering rules
04/26/2022	AMG DOG published
04/26/2022	As you are aware, MBUSA is experiencing challenges with the availability of semiconductor components due to the worldwide shortage. This has caused the addition and/or removal of certain options on vehicles. A summary of the changes is below: C 43: Inductive Wireless Charging (897) is temporarily unavailable in Pinnacle Trim C 43: USB Package (75B) is temporarily unavailable
04/18/2022	As you are aware, MBUSA is experiencing challenges with the availability of semiconductor components due to the worldwide shortage. This has caused the addition and/or removal of certain options on vehicles. A summary of the changes is below: C 300: Burmester 3D Surround Sound System (810) <b>is subject to limited availability.</b>
03/24/2022	Nappa Leather (801 and 804) is not available for MY23.
03/03/2022	Initial publication.

# What's New

## The new Mercedes-AMG C43: More Power, Greater Efficiency

**The new Mercedes-AMG C 43 4MATIC is the most powerful and the most efficient vehicle in its segment.** The AMG M139I engine is the first series production unit in the world to feature an electric exhaust-gas turbocharger (technology taken from the AMG Petronas F1 Team). The unit is also manufactured according to the "One Man, One Engine" concept, previously reserved for the 63 models. The exterior and interior design express the Mercedes-AMG DNA and the craving for a more powerful, dynamic model.

### Key Advantages:

- Mercedes-AMG 2.0L M139I four-cylinder engine with 402 + 13 hp and 369 lb-ft of torque
- Electric exhaust-gas turbocharger with Formula 1 technology
- Performance-oriented standard equipment with MCT transmission w/ wet clutch, RACE START function, Rear-Axle Steering (201), AMG Performance 4MATIC and AMG DRIVE UNIT steering wheel buttons (U88)
- Very sporty design with Mercedes-AMG Exterior (PUF), expressing performance with distinct AMG styling and dynamic details
- Mercedes-AMG interior (PTF) with sporty, exclusive ambience in which everything is geared towards a sporty driving experience
- Numerous possibilities for individualization via design packages, such as AMG Night Package (DC1), AMG Night Package II (DF1), AMG Performance Studio Package (DC2) and AMG Exterior Carbon Fiber Package (DC4)
- Newly available 20" AMG light-alloy wheels
- Brand-new AMG Performance Seat styling
- New trims and upholsteries in various materials and colors

# Models

## ***C43W4 (206.087)***

- MSRP: \$59,900
- Transmission: AMG SPEEDSHIFT® MCT
- Transmission Speeds: 9
- Acceleration: 4.6
- Engine Configuration : Handcrafted AMG 2.0L  
Inline-4 Turbo w/ Hybrid Assist
- Power (hp): 402 hp @ 6,750 rpm (+ 13 hp from  
RSG)
- Torque (lb-ft): 369 lb-ft @ 5,000 rpm
- Launch Date: Q4 2022

# Standard Equipment

C43W4

## *Performance & Handling*

- Handcrafted AMG 2.0L Inline-4 Turbo Engine w/ Hybrid Assist
- AMG RIDE CONTROL
- 18" Wheels with All-Season Tires
- AMG DYNAMIC SELECT
- Rear-Axle Steering
- AMG SPEEDSHIFT® MCT 9-Speed Transmission
- ECO Start/Stop Technology
- AMG DRIVE UNIT
- AMG Performance 4MATIC

## *Comfort & Convenience*

- 11.9" LCD Center Touchscreen Display
- KEYLESS-GO® w/ HANDS-FREE ACCESS
- Mercedes-Benz User Experience (MBUX)
- Power Sunroof
- Biometric Fingerprint Scanner
- 64-Color Ambient Lighting & Illuminated Door Sills
- Three USB-C Ports (1 front, 2 center storage compartment) (DELAYED)
- Power Windows with Express-Up/Down
- AMG Performance Steering Wheel in Nappa Leather
- Rain-sensing Windshield Wipers w/ Heated Windshield Wiper Fluid
- Power-Folding Side Mirrors
- HD Radio™
- USB-C Adapter Cable
- 12.3" Driver Display
- Wireless Smartphone Integration (Apple CarPlay & Android Auto)
- Power Heated Front Seats with Seat Memory and Lumbar Support
- Electronic Trunk Closer
- Wood Trim
- FrontBass® 5-Speaker Audio System
- Power Tilt & Telescoping Steering Column
- 40/20/40-Split Folding Rear Seats
- Dual-Zone Climate Control
- Electronic Cruise Control
- Extendable Sun Visors
- Bluetooth Connectivity for Mobile Device

## *Safety & Security*

- New Vehicle 4-year/50,000 Mile Warranty
- LED Headlamps w/ Adaptive Highbeam Assist
- Front Dual-Stage Air Bags
- Front Side Air Bags
- LATCH/ISOFIX Child Restraint System for Rear Seats
- Active Brake Assist
- PARKTRONIC w/ Active Parking Assist
- PRE-SAFE® with PRE-SAFE® Sound
- Tire Pressure Monitoring System (TPMS)
- Heated Windshield Wiper Fluid
- 24h Roadside Assistance Program
- 3-Point Seat Belt with Pretensioners & Adaptive Belt Force Limiter
- Front and Rear Side Window Air Bags
- Driver Knee Air Bag
- ATTENTION ASSIST®
- 0 Blind Spot Assist
- Surround View System
- SmartKey
- Guard 360® Security

# Paint

## Non-Metallic Paints

**040 - Black**

**149 - Polar White**

## Metallic Paints

**197 - Obsidian Black Metallic**

**831 - Graphite Grey Metallic**

**859 - Mojave Silver Metallic**

**890 - Lunar Blue Metallic**

**922 - Cirrus Silver Metallic**

**970 - Starling Blue Metallic**

Not w/ 297 upholstery

**992 - Selenite Grey Metallic**

## MANUFAKTUR Paints

**297 - MANUFAKTUR Selenite Grey Magno**

**885 - MANUFAKTUR Moonlight White Metallic**

**996 - MANUFAKTUR Cardinal Red Metallic**

## Options In Detail

### Handcrafted AMG 2.0L Inline-4 Turbo Engine w/ Hybrid Assist

The world's first series production unit to feature an electric exhaust-gas turbocharger.

Hand built using the "One Man, One Engine" concept, the M139i in the C 43 is the world's most powerful 4-cylinder passenger car engine in series production, and it delivers a top-class technology package. Depending on the power required, the combined fuel system works with direct or port injection. The single-flow 48V exhaust turbocharger and the boost of the belt-driven starter generator also contribute to the feisty response of the power unit.

#### Key features:

- Aluminum crankcase featuring a closed-deck design typical of motorsport. The area around the cylinders' coolant enclosure is closed off at the top and is only perforated by cooling channels - makes the engine block even more rigid and able to withstand greater loads
- 10 kW (13 hp) extra power thanks to overboost function - for very sporty acceleration
- Mild hybrid with 48-volt on-board electrical system - in addition to the regular 12-volt on-board electrical system - among other things for the operation of the belt-driven starter generator (RSG) and the exhaust gas turbocharger
- Optimized combustion chamber roof - seating rings with a reduced installed height, borehole close to the combustion chamber near the exhaust seating rings. This increases the efficiency of the cylinder head cooling
- Efficient thermal management with dual-circuit cooling and stationary coolant - this shortens the engine warm-up phase and reduces consumption
- Hollow-bored, sodium-cooled exhaust valves are designed for maximum temperatures and at the same time are extremely lightweight - very large exhaust cross-sections (due to central injector and spark plug system) allow the exhaust gas to stream out with minimal losses
- Fuel system with injection timing, consisting of direct injection at low and medium engine power and port injection at full load for optimum fuel utilization depending on the driving situation
- Cylinder barrels lined with NANOSLIDE® technology (iron-carbon) - best possible lubrication, reduced friction and above-average resistance to wear thanks to extremely hard barrels with the finest of pores for oil absorption
- Forged pistons of lightweight design - treated in this way, the material has greater density and is able to withstand more force over the same area

### Rear Axle Steering

#### Standard

With rear-axle steering, you enjoy no less than three advantages: a smaller turning circle, even more superior road-holding and noticeably increased agility. To achieve this, the rear wheels steer in the opposite or the same direction as the front wheels depending on the vehicle speed.

At speeds below 37 mph, the rear wheels steer in the opposite direction to the front wheels - when parking, by as much as 2.5° counter to the front axle angle. The wheelbase is virtually shortened depending on the situation, making your vehicle more nimble, maneuverable and agile. This is also noticeable when making a turn, quickly changing direction and when maneuvering. As a result, the turning circle is reduced by a good 16°.

At speeds above 37 mph, the rear wheels steer by up to 2.5° in the same direction as the front wheels. The resulting (virtually extended) wheelbase offers you tangible advantages: increased handling stability and handling safety at high speeds, during fast lane changes or sudden evasive maneuvers.

In addition, significantly less steering angle input is required from you during dynamic maneuvers, such as when driving on a country road - and your vehicle responds more sportily to steering commands. This is supported by the integral dynamic handling control system of the ESP®.

### AMG Real Performance Sound

#### Optional - Code 339

Your Mercedes-AMG already sounds incomparably passionate straight from the factory. With the AMG Real Performance Sound option, the sound is even more emotive and you can determine how the turbo engine sounds in the interior cabin. The sound can be adjusted between sporty and subtle (BALANCED) or sporty and emotional (POWERFUL) at the touch of a button or touchscreen.

### Steering Wheels

#### L6J - AMG Performance Steering Wheel in Nappa Leather

##### Standard

- Sporty steering wheel with 3-twin-spoke design and flattened bottom section
- Fully finished in nappa leather
- Horizontal twin spokes in high-gloss black, vertical twin spokes in silver chrome with "AMG" lettering
- Aluminum steering wheel gearshift paddles: allow manual gear changes and support a sporty driving style
- Touch control panels: left for control of driver display, cruise control and limiter or Active Distance Assist DISTRONIC; right for control of central multimedia system functions (e.g. audio volume and track selection, telephony and navigation)
- AMG DRIVE UNIT steering wheel buttons

#### L6K - AMG Performance Steering Wheel in Nappa/Microfiber

##### Optional - \$500

- Sporty steering wheel with 3-twin-spoke design and flattened bottom section
- Combined version in nappa leather with microfiber in the grip area
- Horizontal twin spokes in high-gloss black, vertical twin spokes in silver chrome with "AMG" lettering
- Aluminum steering wheel gearshift paddles: allow manual gear changes and support a sporty driving style
- Topstitching in three colour variations to match the selected upholstery
- Touch control panels: left for control of driver display, cruise control and limiter or Active Distance Assist DISTRONIC; right for control of central multimedia system functions (e.g. audio volume and track selection, telephony and navigation)
- AMG DRIVE UNIT steering wheel buttons

### 4-Zone Automatic Climate Control

#### Optional - Code 581

The THERMOTRONIC automatic climate control system newly available with 4 climate zones provides an individual feel-good climate on board. Driver, front and rear passengers can regulate the climate comfort to suit their personal needs. Temperature, air distribution and airflow can be set separately in 4 zones.

### AMG Night Package II

#### Optional - Code DF1

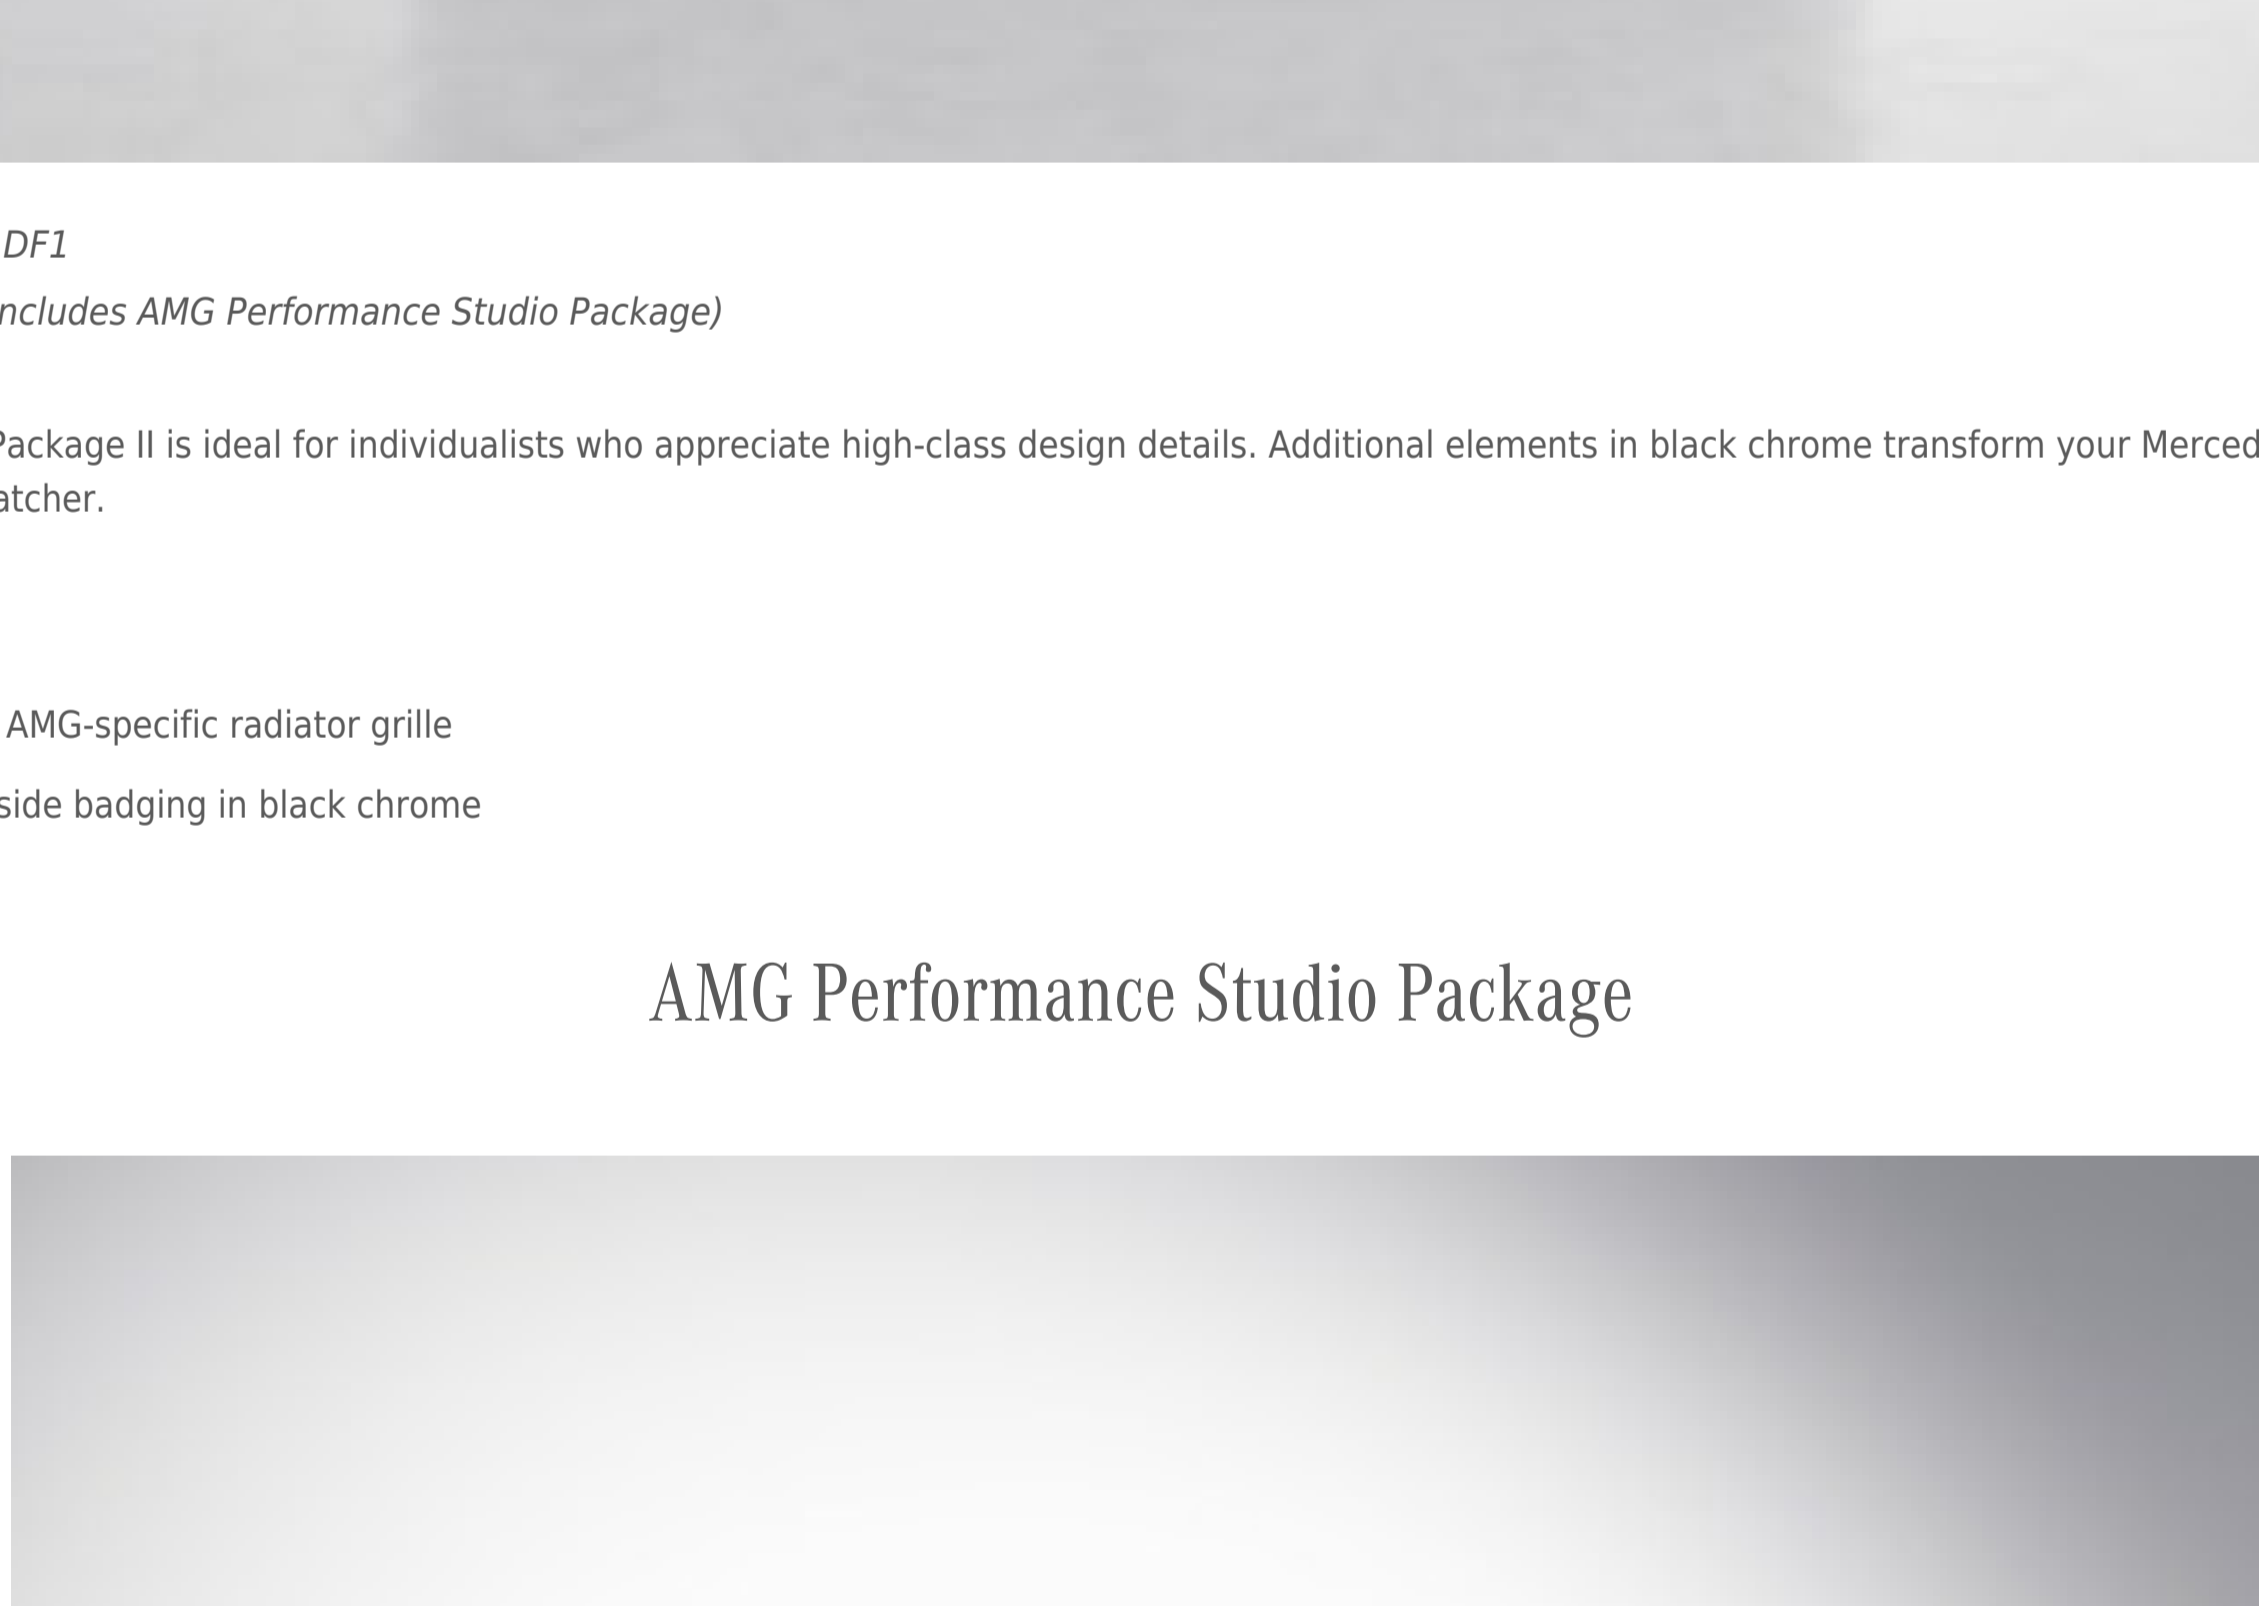

(Picture shown includes Mercedes Studio Package)

The AMG Night Package II is ideal for individualists who appreciate high-class design details. Additional elements in dark chrome transform your Mercedes-AMG model into a real eye-catcher.

#### Components:

- Darkened AMG-specific radiator grille
- Rear and side badging in black chrome

### AMG Performance Studio Package

#### Optional - Code DC2

Emphasize the sportiness of your Mercedes-AMG with further striking elements in high-gloss black. In conjunction with the Mercedes-AMG dark details of the AMG Night Package, these result in an overall image that is as equally impressive as it is expressive. The additional highlights are well placed and visible from every angle.

#### Components

- Larger AMG front splitter in progressive design in high-gloss black and flaps in high-gloss black in conjunction with the AMG Exterior Carbon-Fiber Package - DC4
- AMG rear apron with diffuser panel in high-gloss black
- Flaps in the side air outlets of the AMG rear apron in high-gloss black

### AMG Carbon Fiber Package

#### Optional - Code DC4

High-performance material meets high-performance vehicle: the carbon-fiber elements for the exterior underscore the performance character of your Mercedes-AMG and lend your vehicle an even sportier look. The advantages and effects of the material fit perfectly with the Mercedes-AMG philosophy.

#### Components

- Exterior mirror housings in Carbon Fiber (B28)
- Spoiler lip in carbon fiber (U93)

### AMG Performance Seat Packages

#### Optional - Codes DE4 or DES

The newly designed AMG Performance seats for driver and front passenger give you excellent lateral support for particularly dynamic driving manoeuvres. You can adjust the perfect sitting position for yourself electrically. Soothing warmth comes courtesy of the integral seat heating.

#### Available in two variants:

- DE4 Package: AMG Performance Seats for MB-Tex upholstery, including electrically adjustable, heated front seats with memory function and 4-way lumbar support. Includes AMG badge in seatback, as well as trim elements in black.
- DES Package: AMG Performance Seats for Leather upholstery, including electrically adjustable, heated multicontour front seats with memory function. Also includes AMG badge in seat back, chrome trim elements, perforated seats, and seatback in leather.
