

Genuine accessories from Mercedes-Benz

Overview of navigation updates for passenger cars/vans

Valid from 15.03.2016 to 15.04.2016

Mercedes-Benz

The Mercedes-Benz colour codes make it easy to find the right CD/DVD for your navigation system.

1. Find your car in the overview.
2. In the columns that matches your navigation system you will find one or more codes consisting of a letter/number combination.
3. Go to the list of codes at the end of the overview to find out which navigation CDs/DVDs are available for your car and navigation system.

Please note: changes may have been made to the product since this overview went to press. (01.05.2007) The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations may show accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown, owing to the limitations of the printing process. This publication is distributed internationally. Information given regarding statutory regulations, legal requirements and taxation applies only to the Federal Republic of Germany at the time of going to press. Please consult your Mercedes-Benz dealer for final details.

Editorial deadline: 15.03.2016
