CLS-CLASS

Wheel Locks

Wheel locks can provide a subtle yet effective security touch to your CLS, helping to protect your light-alloy wheels and tires from theft. One set secures four wheels. Includes coded key.

**Tire Valve Stem Caps**

A perfect finishing touch, these chrome-plated valve stem caps dress-up any wheel. Available in black, silver or AMG. | comes in a set of four |

*Light-Alloy Wheels*

Accessory wheels are only for specified tire sizes and may require use of wheel bolts other than those originally supplied with your vehicle. Failure to use proper equipment could result in an accident or vehicle damage. See your authorized Mercedes-Benz dealer for details and installation.

Not compatible with snow chains. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles.

18" 8-Spoke Wheel

Finish: sterling silver

Wheel Size: 8.5 J x 18 ET 28

Mercedes-Benz

Illuminated Door Sills

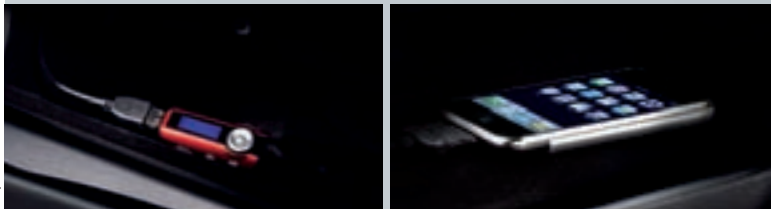

Light-up your CLS-Class in eye-catching style each time you open the door with these luminous blue-colored “Mercedes-Benz” stainless steel door sills.

APPEARANCE

MEDIA INTEGRATION

Your music. Your Mercedes-Benz.

Taking your personal music collection with you wherever you go has never been easier. Mercedes-Benz now offers seamless integration of your iPod®/iPhone®¹ into the audio system of your CLS. With an interface that is compatible with any dock-connector-equipped iPod/iPhone device, your iPod/iPhone charges while connected¹. Steering wheel controls and a visual display of the track information make your iPod/iPhone a perfect fit with your Mercedes-Benz.

Media Interface

The Media Interface² allows you to connect your audio devices to the universal interface located in the vehicle's glovebox. The Media Interface comes standard with two cables, an iPod connector and a universal AUX input connector. A non iPod USB cable is available at your Mercedes-Benz dealer which will connect select⁴ USB sticks or media players with a USB port.

The audio output can be selected and controlled through the existing audio system in your vehicle⁵. The current status of your audio device will also be displayed in the vehicle instrument cluster allowing you to keep your attention on the road.

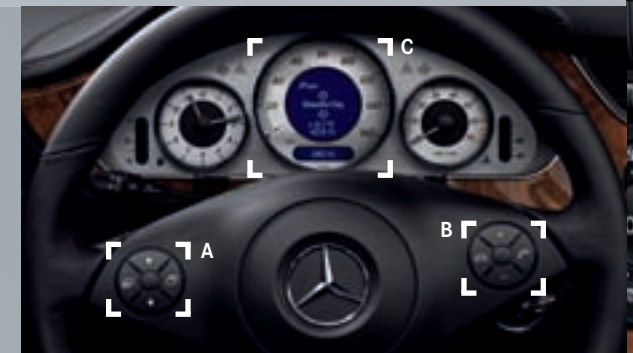

iPod Cradle³

This black felt-lined cradle holds your iPod or iPhone in the glove compartment. The soft flocked surface blends perfectly into the glove compartment of your CLS-Class and helps to protect your music player from scratches and damage.

Mercedes-Benz iPod Integration Kit³

The Mercedes-Benz iPod Integration Kit puts the control at your fingertips while playing your favorite music directly from your iPod or iPhone. Additionally your iPod will charge while it's playing¹. As with the Media Interface, the iPod integration connector is located in the glove compartment, and is compatible with most iPod models.³

Comfortably control your iPod by using your steering wheel buttons:

[A] *Navigate within the iPod music menu*

[B] *Access the Main Menu and control the volume*

[C] *View the artist and title information displayed in the vehicle's instrument cluster*

¹ iPod and iPhone are registered products of Apple Computer. All iPod and iPhone devices are sold separately. Charging not supported with iPod/iPhone devices which support USB charging only (e. g. iPhone 3G).

² Factory option.

³ The iPod Integration Kit and the iPod Cradle are compatible with dock-connector-equipped iPod/iPhone devices, with the exception of the iPod Shuffle. The iPod Integration Kit does not support telephone functionality of the iPhone. Cradle not for use with the Media Interface.

⁴ For a list of compatible devices please visit <http://www.mbusa-mobile.com>. USB Cable only applicable for June 2008 production vehicles or newer.

MERCEDES-BENZ NAVIGATION MAP UPDATE

More than a Map.™

Navigation Map Update

The Mercedes-Benz Navigation System⁶ is a fully integrated system that combines Global Positioning System (GPS) technology with electronic mapping software to help you to plan trips, navigate detours and avoid getting lost. The Global Positioning System (GPS) satellites continuously track your vehicle's location, and rely on accessing the most up-to-date mapping information in order to give you the most accurate and efficient routes.

Notice however, how quickly the surroundings change: roads are added or diverted, restaurants open and close, hotels and hospitals are built, ATMs move. In fact, as much as 20 percent of the navigation data the GPS satellites rely on changes every year. That is why Mercedes-Benz offers reliable, and updated navigation data to help get you where you need to go, effortlessly. The Navigation Map Updates are available for purchase from your authorized Mercedes-Benz dealer.

The system can route you through more than 6.1 million miles of navigable roads in the United States and Canada. Just enter the address on the intelligent destination input screen, and the system takes over, guiding you audibly and with a clear and detailed 7" LCD map display. Do you need an idea where to go? The Navigation System also offers 1.7 million Points of Interest in 40 categories including ATMs, restaurants, hotels, airports, museums and more.

⁵ Control of devices connected via the AUX input (non iPod/USB) is limited to volume control.

⁶ Navigation system data includes the United States (excluding Alaska) and Canada. Directional assistance provided only when GPS coverage is available. Maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place. See your authorized Mercedes-Benz dealer for availability and details.

MERCEDES-BENZ TELE AID

Connections that drive you.

Engineered to keep you connected to your way of life.

Mercedes-Benz Tele Aid is a rich suite of technologically advanced services—built right into your vehicle—that helps you stay in touch on the road so you can make the connections that matter to you. Tele Aid brings you the peace of mind to be able to get the most from your Mercedes-Benz experience, each and every day. Your CLS is Tele Aid-ready and only requires a few moments to subscribe for and activate service. Your Mercedes-Benz dealer can get you started through this simple process so Tele Aid is there for you whenever you need it.

Best of all, your first year's service is included with subscription.⁷

Mercedes-Benz Tele Aid services can become an indispensable part of your drive:

Navigation & Traffic	Save time with Tele Aid navigation and traffic resources such as Search & Send, Route Assistance ^{8,9} , and Enhanced Traffic Information.
Convenience	Get back on the road with Tele Aid convenience services such as Roadside Assistance, Dealer Connect, and Remote Door Unlock.
Security	Give yourself extra peace of mind with Tele Aid security features such as Stolen Vehicle Recovery ⁸ , Anti-Theft Alarm Notification, and SOS/Automatic Collision Notification.
Information	Learn more about your vehicle with Mercedes-Benz Information you will be connected to a Response Specialist who can answer any questions you may have about your vehicle.
Concierge⁹	Treat yourself with the Mercedes-Benz personal or online concierge.

⁷ First year's Mercedes-Benz Tele Aid Package provided at no additional cost. Mercedes-Benz Concierge is available at additional cost. Subscription Agreement required for system to be active. Service operates only when cellular and Global Positioning System coverage is available.

⁸ Owner must authorize vehicle tracking and provide password and a valid stolen vehicle police report number. Password required to activate Remote Door Unlock.

⁹ Concierge service available only in Mercedes-Benz Concierge Package. Route Assistance use included as part of Mercedes-Benz Concierge Package. Additional per use charge applies when used with Tele Aid Package. See your dealer for details.

Making the connection in your vehicle.

Mercedes-Benz Tele Aid makes connecting easy with three buttons in your vehicle—the SOS, Wrench, and i-Buttons. Simply push the button you need and you will be put in contact with the appropriate Mercedes-Benz Response Personnel or service. The Mercedes-Benz Tele Aid system automatically transmits information about the vehicle and its location.

1 | SOS Button

Push the SOS Button to have us contact emergency services if you need help or see someone that does. Additionally, when an airbag or seatbelt Emergency Tensioning Device is deployed, the vehicle automatically notifies the Tele Aid Response Center.¹¹ If voice contact cannot be established with you or if you request assistance, emergency services will be notified.

| 1 |

2 | i-Button

Push the i-Button to get information—about your vehicle's systems, for directions, or to access a range of traffic and destination services. With the Mercedes-Benz Concierge⁹ package, the i-Button also connects you to the Mercedes-Benz Concierge, who can assist you by recommending hotels, making reservations, even ordering gifts.

| 2 |

3 | Wrench Button

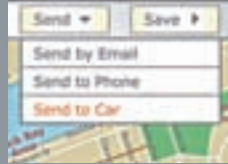

Push the Wrench Button for roadside assistance. If you get a flat tire, run out of gas, see a warning light on your dash or for help with other mechanical issues, service personnel can be dispatched to assist.¹²

| 3 |

SEARCH & SEND

Where Internet convenience meets engineering excellence.

Send destination to your vehicle

Download your destinations at the touch of a button

Directions are displayed on your Navigation System

Mercedes-Benz Search & Send¹⁰ is a new and convenient way to plan your trip destinations ahead of time. Using familiar Yahoo!® Local Maps and Google™ Maps web sites, you can search for a destination online, then send it right to your Mercedes-Benz.

Once you are in your vehicle, simply push the i-Button and your destination will be downloaded directly to the vehicle's navigation system. You will be prompted to either start route guidance immediately, or save the information for later use in your navigation memory. Instead of spending time inputting data into your navigation system, your destinations will be available whenever you need them.

¹⁰ Mercedes-Benz USA, LLC makes no representations or warranties as to the completeness or accuracy of the points of information provided by Google and Yahoo! Maps via the Send to Car Service and assumes no responsibility for any loss or delay incurred by a user of the service.

¹¹ Service operates only where cellular and Global Positioning Satellite system coverage are available.

¹² Roadside Assistance repairs may involve charges for parts, service and towing. Vehicle must be accessible from main roads. Depending on the circumstance, these services may be provided from an outside service, courtesy of Mercedes-Benz Roadside Assistance. Every attempt will be made to assist a customer, however; circumstances such as restricted roadways, acts of nature, and vehicle accessibility may limit our ability to provide services to you. For full details of Sign and Drive services, as well as the Roadside Assistance Program, please see your dealer.

Roof Rack Basic Carrier

Our basic carrier [A] is an essential component for attaching a wide assortment of items to the top of your CLS. After easy installation, you can securely attach and lock bicycles, ski and snowboard racks, or a cargo container. (Racks and containers sold separately.)

|A|

A close-up, low-angle shot of a silver car's roof. A black roof rack is mounted on the roof rails. Two snowboards are secured to the rack with black straps. Two ski helmets are also mounted on the rack. The background is a dark, gradient blue. The car's roof and rear window are visible in the foreground.

Ski & Snowboard Rack, Deluxe

| also shown left with Roof Rack Basic Carrier |

This rack holds up to six pairs of skis or four snowboards and features a pull-out function [B] that makes it easier for loading and unloading without the need to reach across the roof of the car. Requires Roof Rack Basic Carrier (sold separately).

Ski & Snowboard Rack, Standard

| not shown |

This rack is made to tote up to four pairs of skis or two snowboards atop your CLS. Requires Roof Rack Basic Carrier (sold separately), which can accommodate two Ski & Snowboard Racks.

Basic Carrier Storage Bag

Protect your Roof Rack Basic Carrier in this nylon bag when not attached to your CLS.

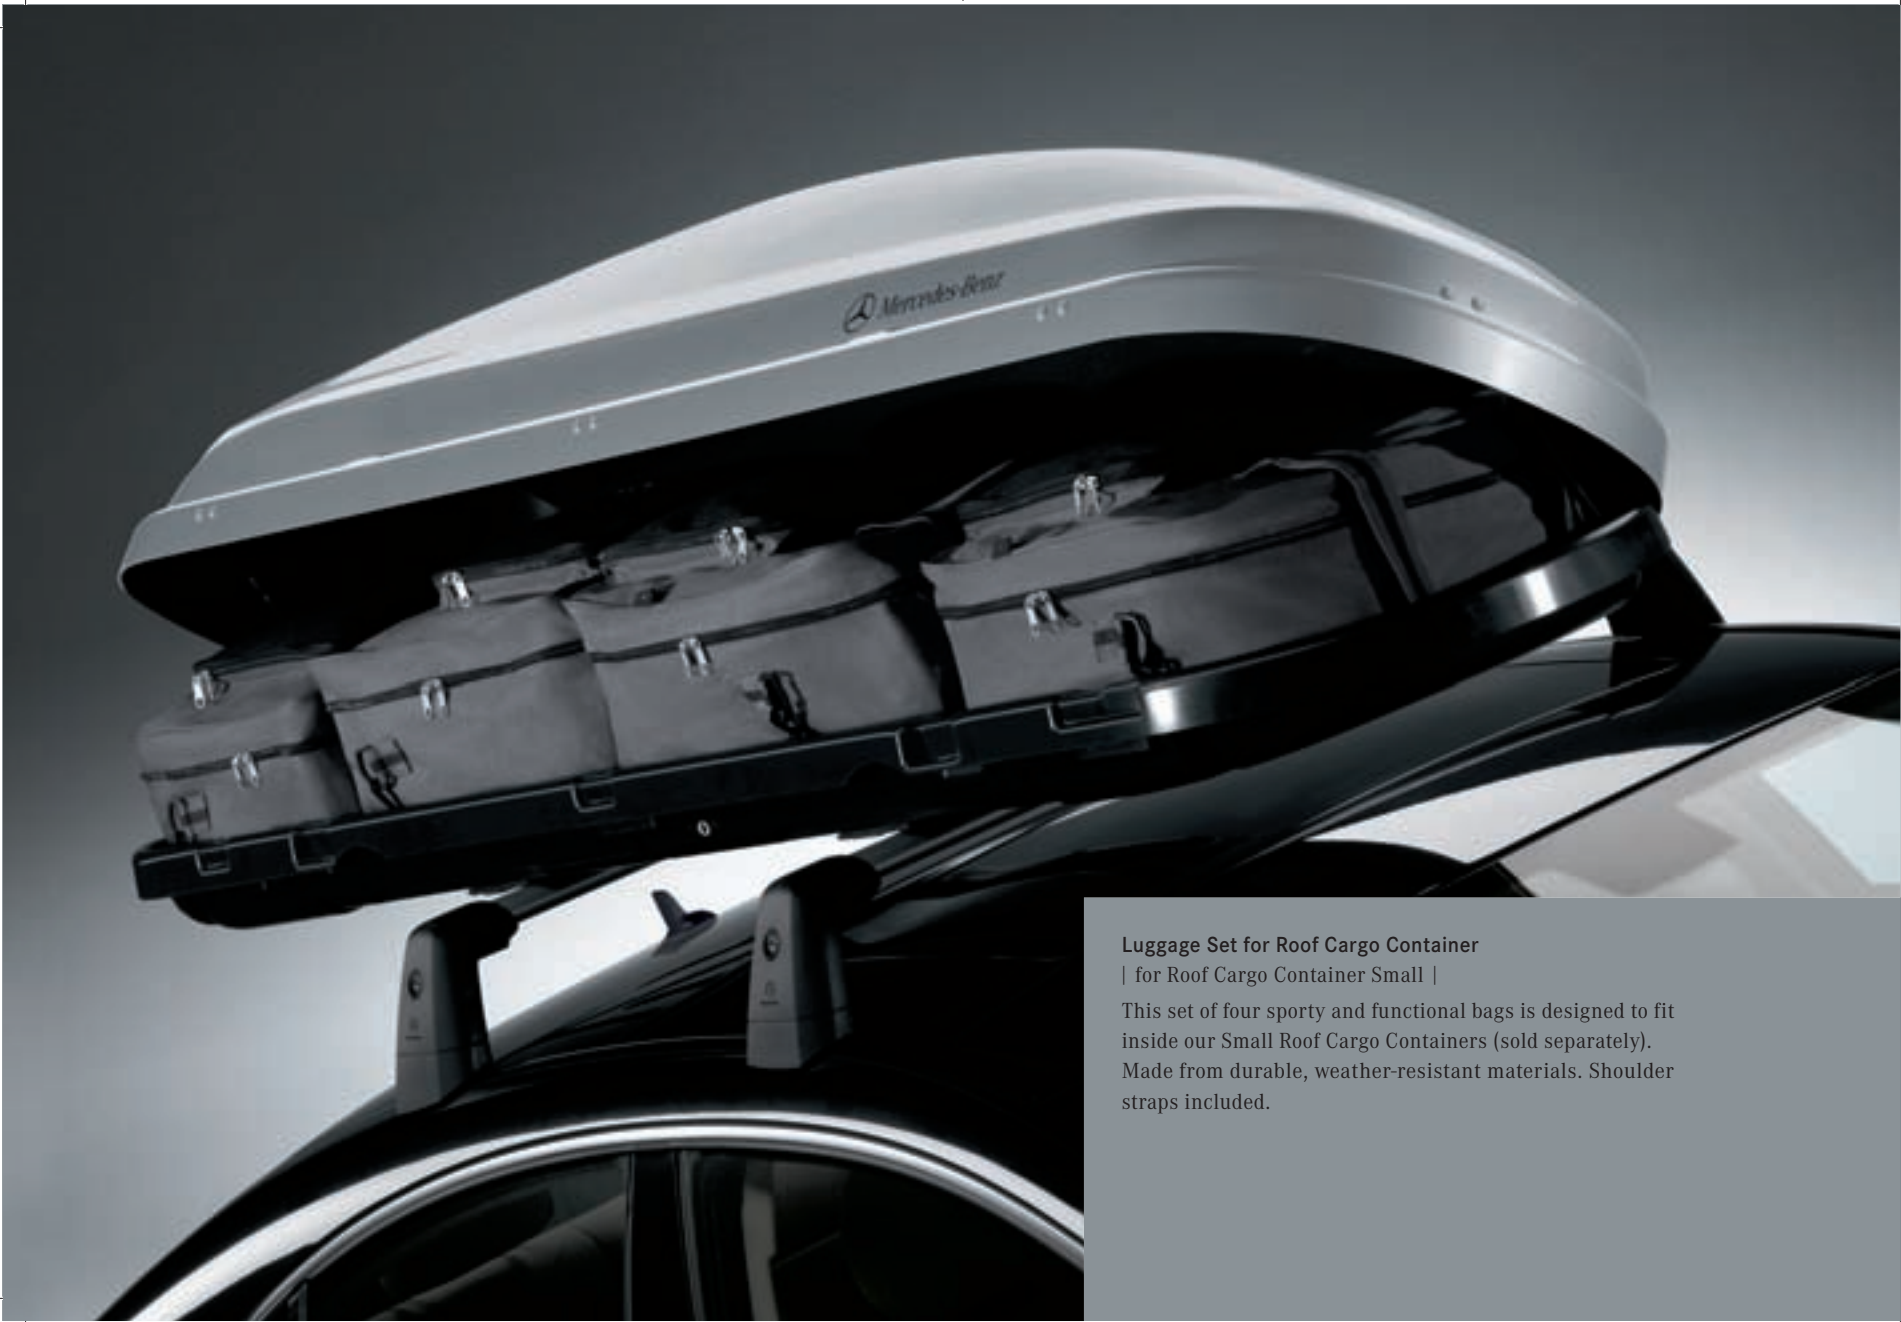

Bicycle Rack

This rack securely holds a single bicycle and attaches to the Roof Rack Basic Carrier (sold separately). Up to four bicycle racks may be supported on the Roof Rack Basic Carrier. Bicycles may be mounted to the rack before affixing to the carrier (shown below). Spiral lock set available (sold separately).

Bicycles may be mounted to the bicycle rack before affixing to the carrier.

UTILITY & CARE

Luggage Set for Roof Cargo Container

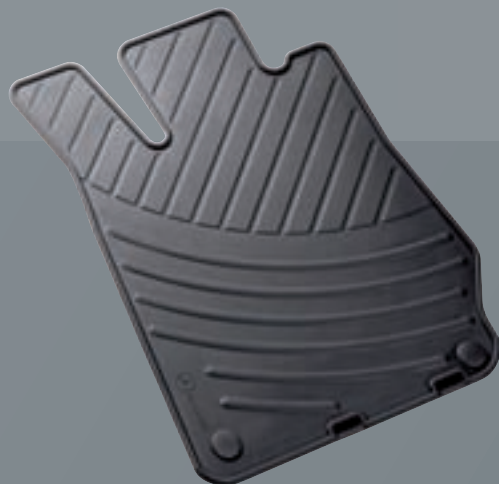

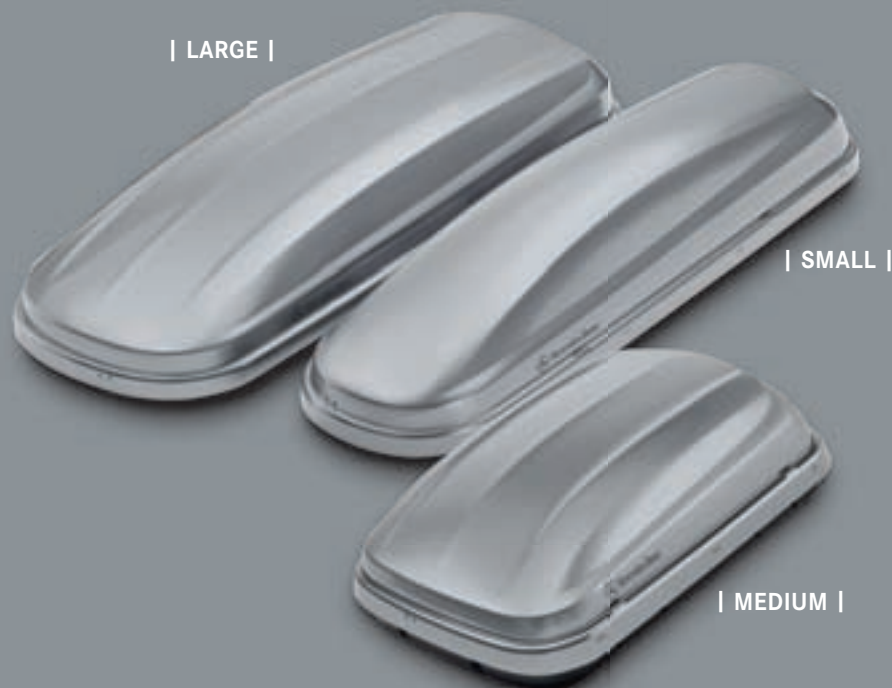

| for Roof Cargo Container Small |

This set of four sporty and functional bags is designed to fit inside our Small Roof Cargo Containers (sold separately). Made from durable, weather-resistant materials. Shoulder straps included.

Roof Cargo Containers

Create additional space for sports equipment and luggage with one of our aerodynamic, high-quality roof containers designed to nicely complement your CLS. Constructed of lightweight, yet exceptionally durable, impact-tested thermoplastic material. Features pressurized struts for easy lid operation and a security lock. Comes in silver finish.

Small model holds 11.5 cubic feet. Medium model holds 14 cubic feet. Large model holds 16 cubic feet. All models have a maximum load capacity of 110 lbs. Requires Roof Rack Basic Carrier (sold separately).

All-Season Floor Mats

These custom-designed rubber floor mats are a great way to keep the carpet in your CLS-Class in top condition. Deep channels trap water, mud and melting snow. Easy to clean. Four mats per set. Available in black.

*Carrier Systems
Car Care*

UTILITY & CARE

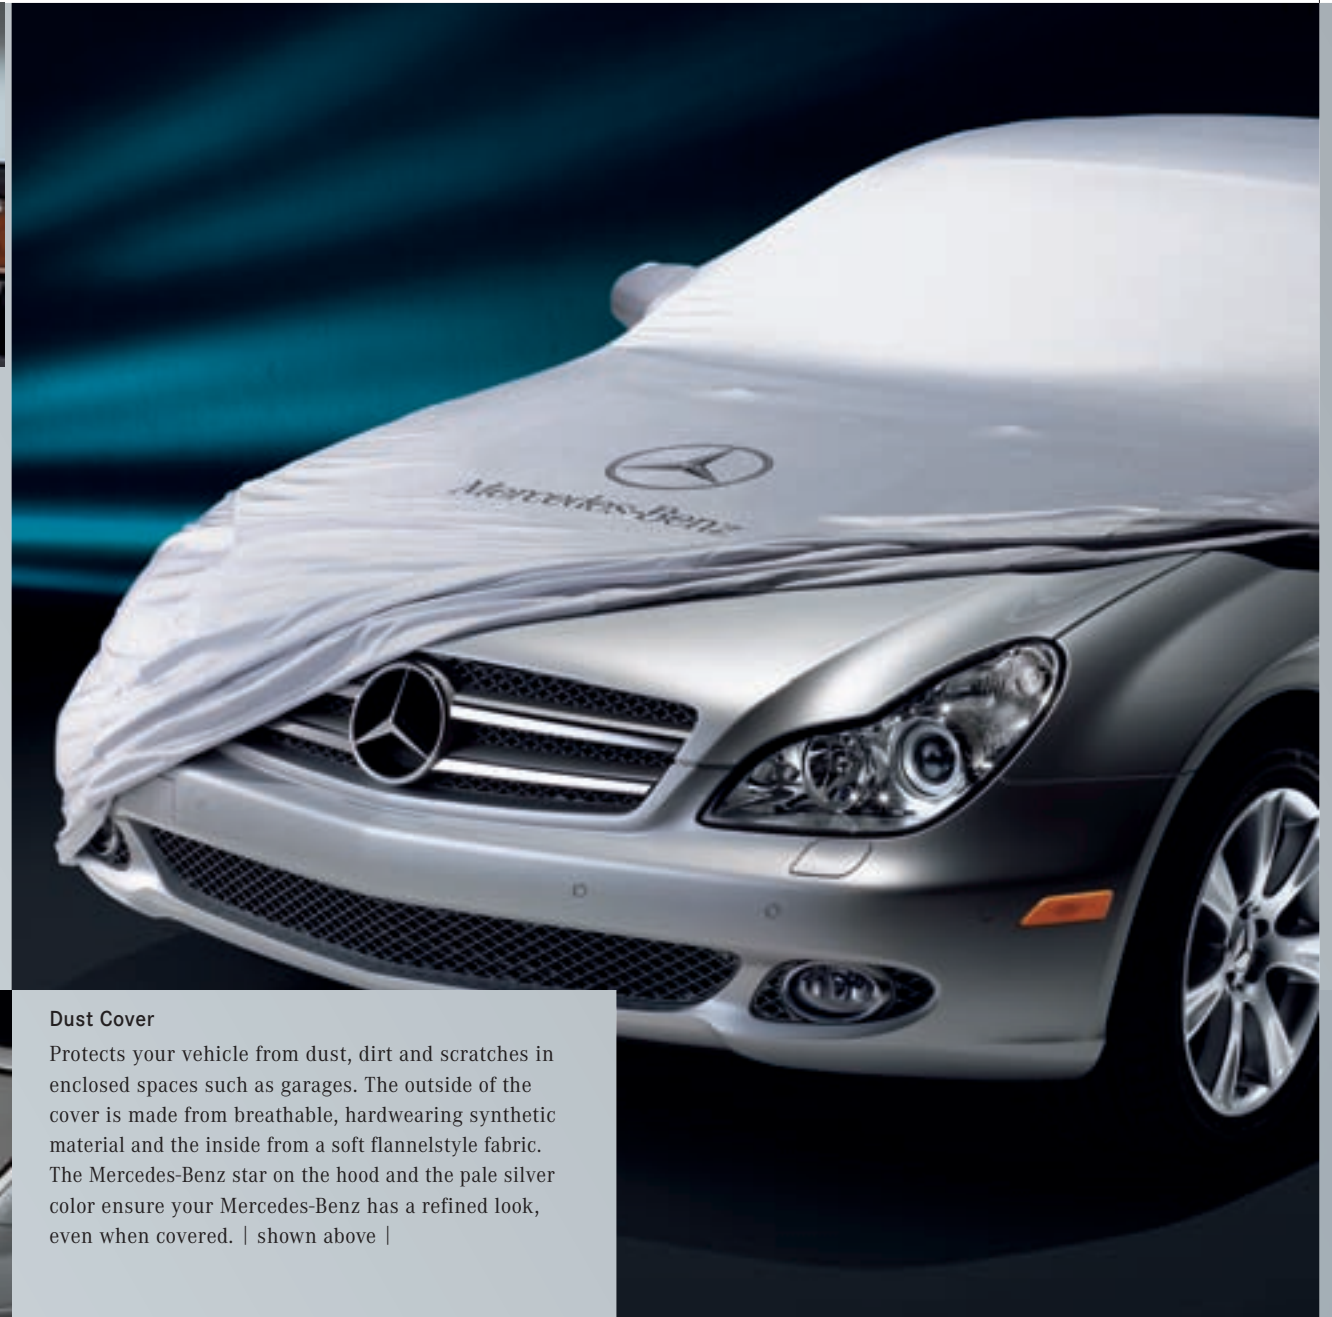

Coat Hanger

Robust coat hangers made from chromed metal and plastic. Easy to attach to front head rests. The ideal way to transport clothing without creasing them. (For safety, please remove when not in use.)

UVS-100™ Sunshade

Think of it as SPF 100 for your dashboard. Helps prevent sun damage to the interior while keeping the inside cooler. Practical and durable. Made of reflective fabric laminated to a foam core.

Dust Cover

Protects your vehicle from dust, dirt and scratches in enclosed spaces such as garages. The outside of the cover is made from breathable, hardwearing synthetic material and the inside from a soft flannelstyle fabric. The Mercedes-Benz star on the hood and the pale silver color ensure your Mercedes-Benz has a refined look, even when covered. | shown above |

KID Booster Seat (40–79 lbs.)

Any child who has outgrown the Toddler seat should be properly secured in a booster seat until he or she is at least 57" tall. KID Booster seat features a height and angle-adjustable back-rest and headrests that can be positioned for comfort. Integrated belt guides on the sides help to keep the lap belt from sliding over the child's abdomen where it could cause injury in an accident. Fabric cover is removable for washing. This seat is BabySmart¹³ compatible.

DUO Plus Toddler Seat (20–40 lbs.)

Designed to afford excellent protection for children approximately 1 to 4 years of age. Features include single-handed adjustment to change from the upright position to the reclined and sleeping positions, height-adjustable shoulder belt, back area ventilation channels, and an additional tether for securing the head section. Fabric cover is removable for washing. This seat is LATCH¹³ and BabySmart¹³ compatible.

BabySafe Plus Infant Seat (up to 29 lbs.)

Deep, molded rear-facing seat design provides extra protection and padding designed to help protect very young children up to 29 lbs. or 31 in. long. Features integrated head support, adjustable sun/wind canopy, comfortable 3-position carry handle, and variable recline angle adjustment. Light grey fabric cover is removable for washing. Can be used in the vehicle with or without the base. Approved for use in commercial aircraft. Weighs less than 8 lbs. This seat is LATCH¹³ and BabySmart¹³ compatible with provided LATCH belt¹³.

¹³ Please consult your owner's manual or dealer for proper installation of your child seat.

BabySmart/OCS Safety Information: Most Mercedes-Benz vehicles from MY 1998 through 2003, select models from 2004 through 2006, and current G-Class vehicles are equipped with BabySmart™. Mercedes-Benz vehicles equipped with BabySmart™ have a device that recognizes the presence of BabySmart™-equipped child seat when properly installed in the front passenger seat and deactivates the passenger front air bag (check your vehicle's Operator's Manual or labels located on the sides of your dashboard to verify). All current Mercedes-Benz models are equipped with the Occupant Classification System (OCS) (with exception of the G-Class) which is designed to turn off the front passenger's front airbag when the system senses the weight of a typical child 12 months old or less plus the weight of a standard child restraint. See vehicle's operators manual for important additional information on this system and further information regarding the transportation of children heavier than a typical 12 month old. All Mercedes-Benz child safety seats meet or exceed U.S. Department of Transportation standards. They are also suitable for use in older vehicles that do not have integrated LATCH (Lower Anchors and Tethers for Children) attachment points. Visit the National Highway Traffic Safety Administration's website at <http://www.NHTSA.gov> for additional information about child safety seat laws and proper use.

*Car Care
Child Safety Seats*

UTILITY & CARE

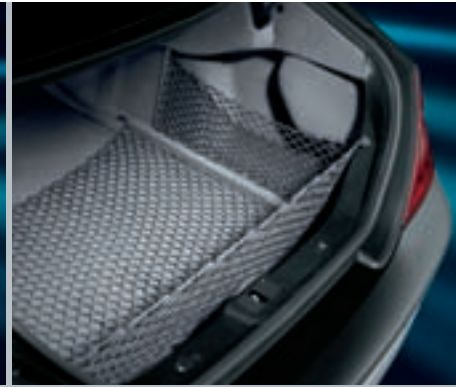

Trunk Drawer, attachable

This unique drawer installs under the parcel shelf. Allows small articles to be stored safely above the trunk floor and also keeps them out of sight. The drawer can be removed for those times when extra trunk space is needed. | Dealer installation is recommended |

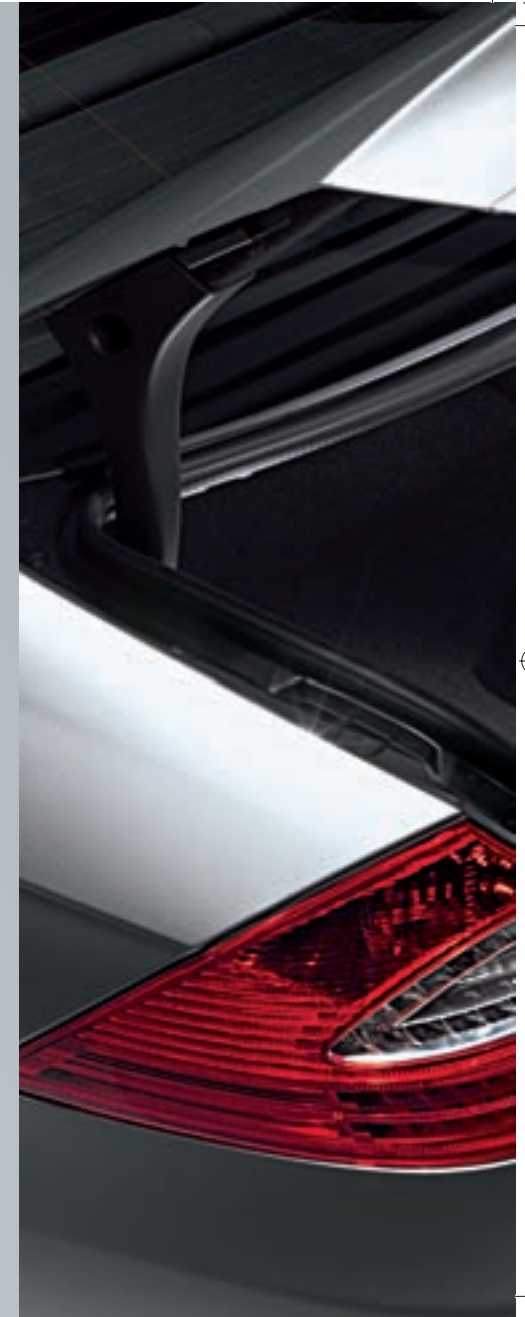

Anti-Slip Mat

Reduces slipping of the items placed in the trunk. Tailored to perfectly fit dimensions of the cargo area. Made of oil resistant polyester.

Cargo Nets, Floor/Side/Rear

Versatile and convenient, these strong and durable nylon nets help you to more safely secure objects in your trunk compartment.

Flexible Cargo Stabilizer

This durable nylon and velcro-clad piece of foam offers firm lateral hold and helps protect objects from sliding around under normal driving conditions. Measures 36" x 2" x 2".

Cargo Area Tray

Protect the floor of your trunk with this durable, easy-to-clean plastic insert with 2" sides. Formed to fit the trunk of the CLS.

Collapsible Shopping Crate

Make your next trip to the market more convenient with this collapsible shopping crate. To save space, it folds flat when not in use. Dimensions folded: 2" x 13" x 18".

|A|

A | Exterior Car Care Kit

Clean and protect your Mercedes-Benz with the superior, specially formulated products in our exclusive Exterior Car Care Kit. Includes Car Shampoo, Light-Alloy Wheel Cleaner with brush, Car Sponge and a Car Care Cloth, all neatly packed into a Mercedes-Benz Leisure Bag.

|B|

B | Interior Car Care Kit

Keep the interior of your Mercedes-Benz looking its best with the superior, specially formulated products in our exclusive Interior Car Care Kit. Includes Cabin Care Spray, Glass Cleaner, Auto Glass Sponge and a Car Care Cloth, all neatly packed into a Mercedes-Benz Leisure Bag.

C | Leather Chamois

Soft, pliable and absorbent leather to gently wipe away water without leaving streaks or water marks on your CLS.

|C|

|D|

D | Sheepskin Wash Mitt

Thick, 100 % Merino wool pile helps apply car shampoo, capture dirt and grime, and reduce paint surface scratches. Large shape and elasticized wrist comfortably accommodate all hand sizes.
