

P82.70-7019-09

**Shown on model 207.3**

- 1 Mock-up multifunction antenna (without code (386) Comfort telephony, without code (359) TELEAID emergency call system, without code (536) SIRIUS satellite radio, without code (537) Digital radio, without code (511) Audio 55 APS, without code (512) COMAND APS +, without code (525) MB Audio 50 APS radio or without code (527) COMAND APS (with navigation))
- 2 Cover
- 3 Electrical connector (with code (386) Comfort telephony or with code (359) TELE AID emergency call system)
- 4 Electrical connector (with code (536) SIRIUS satellite radio or with code (537) Digital radio)
- 5 Cable duct
- 6 Clips
- 7 Screw
- A28/11 Multifunction antenna (with code (386) Comfort telephony, with code (359) TELEAID emergency call system, with code (536) SIRIUS satellite radio, with code (537) Digital radio, with code (511) Audio 55 APS, with code (512) COMAND APS +, with code (525) MB Audio 50 APS radio or with code (527) COMAND APS (with navigation))
- A28/11x1 Multifunction antenna electrical connector (with code (359) TELEAID emergency call system, with code (511) Audio 55 APS, with code (512) COMAND APS +, with code (525) MB Audio 50 APS radio or with code (527) COMAND APS (with navigation))

 	Remove/install		
1	Remove headliner		<a href="#">AR68.30-P-4300EC</a>
2	Disconnect electrical connector (3)	With code (386) Comfort telephony or with code (359) TELE AID emergency call system	
3	Disconnect electrical connector (4)	With code (536) SIRIUS satellite radio or with code (537) Digital radio	
4	Detach multifunction antenna electrical connector (A28/11x1)	With code (359) TELE AID emergency call system, with code (511) Audio 55 APS, with code (512) COMAND APS +, with code (525) MB Audio 50 APS radio or with code (527) COMAND APS (with navigation)	
5	Unclip cover (2), expose wiring harnesses of multifunction antenna (A28/11) at cable duct (5) and detach at clamps (6)	Not for mock-up multifunction antennas (1)	
		 Assembly wedge	<a href="#">*110589035900</a>
6	Remove screw (7) and route multifunction antenna (A28/11) or mock-up multifunction antenna (1) upwards and out of the roof paneling		<a href="#">*BA82.62-P-1001-01D</a>
7	Install in the reverse order		

**Nm** Antenna

Number	Designation	Model 204	Model 207
BA82.62-P-1001-01D	Screw, antenna base to vehicle roof	Nm 3	3
