\* Note:

Fuses in brackets (thin lettering) are to be found under the rear seat. Further fuses are to be found in the cockpit near the light switch. The fuse extractor is to be found in the vehicle tool kit. (SE) = function of a special equipment item. In the event of any faults in the audio or communication systems, please observe the instructions in the Owner's Manual.

**Please note : Further fuses on side 2 !**

**Warning: Danger of overloading! Only use specified fuses.**
