

FAST FASHION FOR THE DRIVING ENTHUSIAST.

For those very special moments, we've made sure the CLS 63 AMG is properly attired. Multicontour front seats let you fine-tune your comfort with pneumatically adjustable side bolsters and lumbar supports. Rich perforated Nappa leather upholstery is accented by Alcantara trim in the shoulder areas and topstitching all around. And for a most intimate driving experience, Formula 1-style manual shift paddles are located a mere fingertip's reach away on the steering wheel. Stylish, sporty and seductive, the CLS 63 AMG is what every enthusiast will want to be seen in for 2007.

GAUGE REACTION

A 200-mph speedometer¹ is a rare thrill by any measure. And with its deep-set instruments, the CLS 63 AMG is stimulating at any rate of travel.

¹ Please obey all speed laws. Top speed electronically limited to 155 mph.

STYLE BY THE FOOT

Form meets function wherever you look in the CLS 63 AMG. A perfect example: racing-inspired pedals featuring the cool look of stainless steel teamed with grippy black rubber studs.

CLS 63 AMG shown in Black leather with optional matte Burl Walnut wood trim. Distronic, Adaptive Cruise Control, Parktronic system and Premium 2 Package.
