### SEDAN AND COUPE

#### INTERIOR UPHOLSTERY<sup>14</sup>

#### HIGH-GLOSS WOOD TRIM

#### EXTERIOR PAINTWORK, NON-METALLIC<sup>16</sup>

#### EXTERIOR PAINTWORK, METALLIC<sup>17</sup>

#### ENDNOTES

- 1 Availability of E 350 BlueTEC and 4MATIC models is delayed. See dealer for details.
- 2 DISTRONIC PLUS adaptive cruise control is no substitute for active driving involvement. It does not react to stationary objects, nor recognize or predict the curvature and lane layout of the road or the movement of vehicles ahead. It is the driver's responsibility at all times to be attentive to traffic and road conditions, and to provide the steering, braking and other driving inputs necessary to retain control of the vehicle. Drivers are cautioned not to wait for the DISTRONIC Proximity Warning System before braking, as that may not afford sufficient time and distance to brake safely. After braking the car for stopped traffic ahead, system resumes automatically only if traffic pauses for less than 3 seconds.
- 3 Driving while drowsy or distracted is dangerous and should be avoided. ATTENTION ASSIST may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury.
- 4 PRE-SAFE<sup>®</sup> closes the side windows and sunroof when the system's sensors detect side movement that suggests a possible accident.
- 5 Optional on Sedans, not available on Coupes. See Options and Packages listing.

- 6 Driving while drowsy or distracted is dangerous and should be avoided. Lane Keeping Assist may be insufficient to alert a fatigued or distracted driver of lane drift and cannot be relied on to avoid an accident or serious injury.
- 7 WARNING: THE FORCES OF A DEPLOYING AIR BAG CAN CAUSE SERIOUS OR FATAL INJURIES TO A CHILD UNDER AGE 13. THE SAFEST SEATING POSITION FOR YOUR CHILD IS IN THE REAR SEAT, BELTED INTO AN APPROPRIATE, PROPERLY INSTALLED CHILD SEAT, OR CORRECTLY WEARING A SEAT BELT IF TOO LARGE FOR A CHILD SEAT. SEE OPERATOR'S MANUAL FOR ADDITIONAL WARNINGS AND INFORMATION ON AIR BAGS, SEAT BELTS AND CHILD SEATS.
- 8 Blind Spot Assist may not be sufficient to avoid all accidents involving vehicles in your blind spot and does not estimate the speed of oncoming vehicles. It should not be used as a sole substitute for driver awareness and checking of surrounding traffic conditions.
- 9 Option requires Premium 2 Package. Night View Assist does not replace the use of headlamps and should not be used as the primary visual source for the driver.
- 10 Rear view camera does not audibly notify driver of objects outside the system's field of vision, which includes nearby objects, and is not a substitute for actively checking around the vehicle for any obstacles.

- 11 Lower aspect ratio tires and accompanying wheels provide substantially increased treadwear, increased tire noise and reduced ride comfort. Serious wheel and tire damage may occur if the vehicle is operated on rough or damaged road surfaces or upon encountering road debris or obstacles. These tires are not designed for use on snow and ice. Winter tires mounted on appropriately sized and approved wheels are recommended for driving in those conditions.
- 12 Bluetooth<sup>®</sup> interface does not provide phone charging or external antenna. Voice interactively feature is dependent on selected handset. Visit [www.mbusa-mobile.com](http://www.mbusa-mobile.com) for details. Phone sold separately. See dealer for a list of approved compatible phones.
- 13 SIRIUS<sup>®</sup> hardware and subscription required. Other fees and taxes may apply. Subscription governed by SIRIUS Terms & Conditions at [sirius.com/services/terms](http://sirius.com/services/terms). Prices and programming are subject to change. SIRIUS Radio U.S. service only available in the 48 contiguous United States and the District of Columbia. Service available in Canada; see [www.siriuscanada.ca](http://www.siriuscanada.ca).
- 14 While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only

- consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area.
- 15 All iPod<sup>®</sup> devices are sold separately. Feature not compatible with iPod Shuffle. See dealer for details.
- 16 M B Tex upholstery standard on E 350 and E 350 BlueTEC Sedans. Leather upholstery standard on all Coupes and E 550 Sedans, optional at extra cost on E 350 and E 350 BlueTEC Sedans.
- 17 Extra-cost option.
- 18 Limited availability. See dealer for details.
- 19 Burl Walnut wood trim only available in combination with Almond/Black interior on E-Class Sport Sedans.
- 20 Durability is based on longevity, as determined by MBUSA sales records 1952-2008 and R.L. Polk & Co. Vehicles in Operation as of 2008.
