

P88.70-2486-08

- 1 Bolts
2 Electrical connector

M21/1m1 Vertical inclination
adjustment actuator motor
M21/1m2 Horizontal inclination
adjustment actuator motor

M21/2m1 Vertical inclination
adjustment actuator motor
M21/2m2 Horizontal inclination
adjustment actuator motor

 	Remove/install		
1	Remove mirror glass	Model 204, 207, 212	AR88.70-P-9020CW
2	Remove bolts (1)		
3	Remove vertical inclination adjustment actuator motor (M21/1m1) and horizontal inclination adjustment actuator motor (M21/1m2) or vertical inclination adjustment actuator motor (M21/2m1) and horizontal inclination adjustment actuator motor (M21/2m2)		
4	Disconnect electrical connector (2)		
5	Install in the reverse order
