

E-Class Sedan

W213

Model Year 2019

Preliminary – Subject to Change

Mercedes-Benz

The best or nothing.

Important note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

- Night Package w/ new 19" AMG wheels
- Power Rear-Window Sunshade available as stand-alone option
- Dakota Brown, Diamond Silver and Piedmont Green metallic paints discontinued

Rear Safety Package (P36)

Rear Safety Package (P36)

Option price: \$650

The Rear Safety Package consists of sidebags and belt air bags in the rear.

- The rear seat side air bags can protect the upper torso area of the passengers in the outer rear seats.
- The belt air bags for the seatbelts on the outer rear seats are able to reduce the load on the thorax in a frontal impact, as the inflatable seatbelt strap causes the force exerted on the occupants to be distributed over a large area.

Driver Assistance Package

Driver Assistance Package (997)

Option price: \$2,250

- **Active Distance Assist DISTRONIC®** is able to follow a vehicle in front at a pre-selected distance at wider range of speeds
- **Active Steering Assist** functions at a wider range of speeds and can now actively intervene even if road lines are unclear or non-existent at certain speeds; can now function in curves with a tighter radius
- **Active Emergency Stop Assist** brakes the vehicle to a standstill in its lane if it detects that the driver is no longer actively driving the vehicle while it is on the move with Active Distance Assist DISTRONIC and Active Steering Assist engaged. Can now unlock the doors when the vehicle is stationary to allow first aid responders immediate access to the vehicle's interior.
- **Active Lane Change Assist** is a radar-and-camera-based system that aids the driver when changing lanes. When a turn is indicated, this feature will aid with steering into the adjacent lane if it detects the lane is empty
- **Active Speed Limit Assist** can adapt vehicle speed to identified speed limits and can now adjust preemptively when speed limits are going to change
- **Route-Based Speed Adaptation** the vehicle is now able to reduce the speed in anticipatory mode by referencing the COMAND map data ahead of bends, junctions, roundabouts, toll booths and exit roads.
- **Active Brake Assist with Cross-Traffic Function**
- **Evasive Steering Assist** this system assists by adding calculated steering torque to aid in steering wheel movement when a driver deliberately or instinctively performs an evasive maneuver around a pedestrian
- **Active Blind Spot Assist** is active at a wider range of speeds and informs the driver to help avoid an imminent side impact by single-sided braking
- **Active Lane Keeping Assist** is active now at a wider range of speeds
- **PRE-SAFE® Impulse Side** see next slide

Steering Wheel

E-Class Coupe shown

3-spoke Nappa Leather Multifunction Steering Wheel (L3B)

The newly redesigned 3-spoke multifunction steering wheel in nappa leather combines a sporty design, compact dimensions and fine materials.

- Steering wheel shift paddles integrated into the back of the steering wheel cross spokes enable manual gear shifting and support a sporty driving style.
- Steering wheel shift paddles in the steering wheel color.
- Optional Active Distance Assist DISTRONIC® or standard cruise control is controlled via steering wheel-mounted controls.
- Touch Control buttons for direct control of the instrument cluster (analogue or digital) and to control the functions of the multimedia system.

Performance & Handling

- 9G-TRONIC 9-Speed Automatic Transmission
- 2.0L Inline-4 turbo engine (241 hp, 273 lb-ft) (E300/4M)

Steering Wheels

E-Class Coupe interior shown

3-Spoke multifunction steering wheel (L3B)

Standard

- Newly redesigned 3-spoke multifunction steering wheel in nappa leather
- Touch Control buttons for direct control of the instrument cluster and to control the functions of the multimedia system.
- Painted steering wheel shift paddles (428)
- Optional Active Distance Assist DISTRONIC® or std cruise control is controlled via steering wheel-mounted controls

E-Class Coupe interior shown

Wood/leather steering wheel (L3D)

Optional

Requires Burl Walnut wood trim (731)

Not available with heated steering wheel (443)

- The combination of high-quality leather in the grip area and fine wood inserts at the top and bottom make this steering wheel a visual and tactical highlight.
- Painted steering wheel shift paddles (428)

E-Class Coupe interior shown

Heated Steering Wheel (443)

Optional

Not available with wood/leather steering wheel (L3D)

- On cold days, the heated 3-spoke steering wheel rim very quickly warms the grip area of the steering wheel to around 95°F to ensure pleasantly warm hands.
- The function is switched on and off by turning the control lever for adjusting the multifunction steering wheel.

AIR BODY CONTROL (489)

AIR BODY CONTROL air suspension (489)

Option Price: \$1,900

- Multi-chamber air suspension combined with continuously adjustable damping to improve ride comfort and driving dynamics
- Vehicle characteristics can be varied from comfortable through to sporty using DYNAMIC SELECT switch
- "Comfort" and "Sport" settings for a more comfortable or stiffer, sportier setup
- Constant vehicle level irrespective of load thanks to pneumatic all-round self-levelling suspension
- Suspension level can be raised for poor surfaces and is automatically lowered at high speeds, helping to reduce aerodynamic drag and further improve handling stability
- Selective luggage compartment lowering not applicable on E300/E300 4M / E450 4M

Burmester® Surround Sound System (810)

Burmester® Surround Sound System (810)

Included in Premium Package (P01)

- 13 high-performance speakers precisely configured for the vehicle interior to ensure well-balanced and very dynamic music reproduction
- 9-channel DSP amplifier with a total output of 590 watts (7 x 50 W and 2 x 120 W) for maximum sound quality with very high volume reserves
- Frontbass® technology with woofers integrated into the dash for vibrant bass reproduction
- Combination of digital and analogue filter elements for the unique Burmester® "feel-good sound"
- Sound optimization for the front and rear seats
- Noise compensation (VNC)
- Sound preset: surround function to generate virtual all-round sound
- Support for popular multi-channel formats such as Dolby Digital 5.1/DTS for example, for true surround sound

Rear Seat Entertainment and Comfort Adapter (866)

Rear Seat Entertainment and Comfort Adapter (866)

Option price: \$170

The new code 866 is a slot in the backrest of the front driver and passenger seats with a plug-in adapter. Several rear seat entertainment and comfort accessories work in conjunction with this adapter. Accessories must be purchased separately.

IMPORTANT NOTE:

Please do not confuse the existing equipment "Pre-Installation Rear Seat Entertainment" with this equipment as they have the same code.
