Pre-Delivery Inspection Model Year 2018				
213 E-Class	E300	E300-4M		

E400-4M

\odot
Mercedes-Benz

Dealer:	Technician:	Repair Order:				
VIN:	Stock #:_		Date:			
FIT AND APPEARANCE: Where referenced, this refers to checking for dirt, damage, scratches, blemishes, dents, uneven gaps, and poor fit						

AMG E63

FUNCTION: Where referenced, this refers to checking for proper operation, good performance, illumination, and quiet, smooth operation (as applicable)

romotion. where referenced, this refers to checking for proper operation, good performance, illumination, and quiet, smooth operation (as applicable)

AMG E43

PRIOR TO PDI	OK	Seats: Function of seat adjustments/ memory feature/ multi-contour seat adjustments	
Verify that all recalls/service campaigns have been performed		Windows: Proper window operation (full range of motion); Auto-reverse	
EXTERIOR INSPECTION	OK	function (w/ plastic wedge)	
	\checkmark	Door: Check door for noises/operation	
Walk-around		Locks: Central locking & unlocking / Rear window lock / trunk release	
Exterior protection: Remove protection/ wrap guard before expiration		At Rear Seat Position	
Label Verification: Visual Inspection for Monroney (MSRP) Label and		Rear seat features: Function of reading lamps; Installation of child	
Parts Content/SMOG Index Label; For vehicles retailed in the state of		seat anchors; Folding rear seats	
N.J., please remove G. Daimler sticker from windshield Exterior features: No scratches, blemishes, poor fit (bumper covers,		Windows: Proper window operation (full range of motion); Auto-reverse	
grill, bump strips, mirrors, exterior lights, antennas)		function (w/ plastic wedge)	
Window glass: No scratches, chips, cracks, distortion		Seat belts: Fit and appearance of seat belts; Function of retraction/	
SmartKey & Keyless Go: For both keys, function of lock & unlock (at		locking/ latching/ height adjustment	
each door)/ trunk release/ panic/ summer open & convenience close		Head restraints: Operation and adjustment of head restraints	
(full range of motion windows/ sunroof)		Door: Check door for noises/operation	
Wheels and Tires		Rear climate control: Function of temperature adjustment/ air	
Tires: Correct tire pressure (as indicated on fuel tank door); Inspect for		distribution & airflow adjustments/ rear air vents; Set to 72° AUTO	
damage; Confirm same manufacturer for all tires		At Passenger Seat Position	
Wheels: Torque wheel bolts to required specifications; Inspect rims for		Occupant classification system: Function of passenger seat airbag sensor (sit in seat and observe passenger airbag indicator lamp)	
damage		Window: Proper window operation (full range of motion); Auto-reverse	
Trunk / Cargo		function (w/ plastic wedge)	
Trunk / Cargo features: Function of trunk illumination/ emergency		Door: Check door for noises/operation	
trunk release/ electronic closing & locking features (incl. tailgate on		Seat belts: Fit and appearance of seat belts; Function of retraction/	
wagon) Tool kit & tirefit: Verify proper installation of vehicle jack/ tool kit/		locking/ latching/ height adjustment	
tire air compressor and tire filler sealant bottle		Head restraints: Operation and adjustment of head restraints	
Trunk / Cargo contents: Place first aid kit, sunroof crank, head		ROAD TEST	ОК
restraint reset tool in appropriate locations, and operator's manual			✓
portfolio in glove box / Cargo net		Keyless Go: Check function lock/unlock / Engine starting	
Under Hood		Telematics & Climate Control (outdoor & stationary, engine on)	
Engine bay: Install hood star; Inspect for any leaks or damage; Hose		Climate control: Function of climate control system (cycle through	
and wire harness routing/ clamps & fasteners/ electrical grounds		max cool, max heat, air distribution & airflow adjustments, function of	
Fluids: Fluid levels (check with engine at operating temperature		switches)/ front air vents; Set to 72° AUTO / Air balance AM & FM radio : Function of AM & FM radio/ seek/ autostore/ manual	
[engine oil, brake fluid, engine coolant, washer fluid, power steering		station selection / Good reception	
fluid]); Correct as necessary		CD player and CD changer: Function of CD playback/ seek/ scan/	
Battery charger: Connect battery charger to under hood jumper		direct track and CD entry	
terminals for Interior Inspection	ОК	Sound & speakers: Function of volume/ balance/ fade/ bass/	
INTERIOR INSPECTION	V V V	treble/ mute (reset all to normal settings); Function of each speaker	
At All Positions		(using audio test CD)	
Interior protection: Remove interior protective material (except		Satellite radio: Reception of satellite radio Traffic and Weather 184	
carpet, door sill, and driver seat protection)		station (ensure clear view of satellites)	
Floor mats: Verify presence and install floor mats		Voice control: Proper recognition / response to voice commands	
At Driver Seat Position		Navigation: Function of map and route guidance (Enter dealer as	
Exterior lights: Function of headlamps (including aim & high beams)/		destination and verify route guidance during test drive)	
turn signals/ parking lamps/ fog lamps/ brake lights/ reverse lights/		Test Drive (3-5 miles)	
hazards		Transmission safety lock: Function of safety lock (cannot shift out of park if key off or without foot on brake)	
Night View Assist: Function of night view system (Message displayed		Rearview/360° camera: Verify camera lens protection is removed;	
in instrument cluster)/ Check for dirt in infrared camera lens or glass		Function of screen display/ reversing guides/ parallel parking guides	
Exterior mirrors: Function of exterior mirror adjustment			
Instrument cluster: Function of gauges/ warning lamps/ display illumination (set to full illumination)		Engine: Start with SmartKey/ Keyless Go; Engine performance (idle	
		Engine: Start with SmartKey/ Keyless Go; Engine performance (idle quality, throttle operation, power)	
Steering wheel/column: Function of steering wheel controls and		quality, throttle operation, power)	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp	
Steering wheel/column: Function of steering wheel controls and		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers	
Steering wheel/column: Function of steering wheel controls andmulti-function display (scroll through menus, check settings); Functionof horn / Function of steering column / Function of touch controlAttention Assist: Function of Attention Assist (activate AttentionAssist in the multi-function display using steering wheel controls) -Indicator lamp displaysDoor: Check door for noises/operation		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance	
Steering wheel/column: Function of steering wheel controls andmulti-function display (scroll through menus, check settings); Functionof horn / Function of steering column / Function of touch controlAttention Assist: Function of Attention Assist (activate AttentionAssist in the multi-function display using steering wheel controls) -Indicator lamp displaysDoor: Check door for noises/operationSeat belts: Fit and appearance of seat belts; Function of retraction/		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off button	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off button Drive dynamic seat: Function of adjustment during cornering	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off button Drive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm)	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off button Drive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm) Automatic Transmission: Shift quality (all gears)/ Function C, S & M	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates)		quality, throttle operation, power)Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds)Parking brake: Function of engagement & release/ warning lampVibrations: No vibrations from tires, brakes, steeringWipers & washers: Function of windshield wipers & washers; Function of headlamp washersParktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off buttonDrive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm)Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shifters	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof		quality, throttle operation, power)Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds)Parking brake: Function of engagement & release/ warning lampVibrations: No vibrations from tires, brakes, steeringWipers & washers: Function of windshield wipers & washers; Function of headlamp washersParktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off buttonDrive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm)Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shiftersTire pressure monitor: Activate tire pressure monitor	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof Sunroof: Function of sunroof (incl. 1-touch open/close, auto-reverse, &		quality, throttle operation, power)Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds)Parking brake: Function of engagement & release/ warning lampVibrations: No vibrations from tires, brakes, steeringWipers & washers: Function of windshield wipers & washers; Function of headlamp washersParktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off buttonDrive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm)Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shiftersTire pressure monitor: Activate tire pressure monitorExterior lamps: Function of LED headlamp / Active curve illumination	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof		quality, throttle operation, power)Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds)Parking brake: Function of engagement & release/ warning lampVibrations: No vibrations from tires, brakes, steeringWipers & washers: Function of windshield wipers & washers; Function of headlamp washersParktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off buttonDrive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm)Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shiftersTire pressure monitor: Activate tire pressure monitorExterior lamps: Function of LED headlamp / Active curve illumination / Cornering lights	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof Sunroof: Function of sunroof (incl. 1-touch open/close, auto-reverse, & pop-up)/ 1-touch open for glass panel and sunshade (panorama roof		quality, throttle operation, power)Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds)Parking brake: Function of engagement & release/ warning lampVibrations: No vibrations from tires, brakes, steeringWipers & washers: Function of windshield wipers & washers; Function of headlamp washersParktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off buttonDrive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm)Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shiftersTire pressure monitor: Activate tire pressure monitorExterior lamps: Function of LED headlamp / Active curve illumination / Cornering lightsSteering: Proper feel/ alignment/ no excessive play	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof Sunroof: Function of sunroof (incl. 1-touch open/close, auto-reverse, & pop-up)/ 1-touch open for glass panel and sunshade (panorama roof only) Center console buttons: Function of rear window sunshade button / Controls for multimedia system / Read out the navigation version from		quality, throttle operation, power)Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds)Parking brake: Function of engagement & release/ warning lampVibrations: No vibrations from tires, brakes, steeringWipers & washers: Function of windshield wipers & washers; Function of headlamp washersParktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off buttonDrive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm)Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shiftersTire pressure monitor: Activate tire pressure monitorExterior lamps: Function of LED headlamp / Active curve illumination / Cornering lights	
Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof Sunroof: Function of sunroof (incl. 1-touch open/close, auto-reverse, & pop-up)/ 1-touch open for glass panel and sunshade (panorama roof only) Center console buttons: Function of rear window sunshade button / Controls for multimedia system / Read out the navigation version from COMAND in Navigation view>Options>Map Content>Map Version. If an		quality, throttle operation, power)Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds)Parking brake: Function of engagement & release/ warning lampVibrations: No vibrations from tires, brakes, steeringWipers & washers: Function of windshield wipers & washers; Function of headlamp washersParktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off buttonDrive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm)Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shiftersTire pressure monitor: Activate tire pressure monitorExterior lamps: Function of LED headlamp / Active curve illumination / Cornering lightsSteering: Proper feel/ alignment/ no excessive playSuspension: Proper feel & ride quality (normal suspension setting)	
 Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof Sunroof: Function of sunroof (incl. 1-touch open/close, auto-reverse, & pop-up)/ 1-touch open for glass panel and sunshade (panorama roof only) Center console buttons: Function of rear window sunshade button / Controls for multimedia system / Read out the navigation version from COMAND in Navigation view>Options>Map Content>Map Version. If an update is available, install the update on an additional Repair Order line 		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off button Drive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm) Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shifters Tire pressure monitor: Activate tire pressure monitor Exterior lamps: Function of LED headlamp / Active curve illumination / Cornering lights Steering: Proper feel/ alignment/ no excessive play Suspension: Proper feel & ride quality (normal suspension setting) Cruise control/Drive pilot: Function of speed continuation/ touch	
 Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof Sunroof: Function of sunroof (incl. 1-touch open/close, auto-reverse, & pop-up)/ 1-touch open for glass panel and sunshade (panorama roof only) Center console buttons: Function of rear window sunshade button / Controls for multimedia system / Read out the navigation version from COMAND in Navigation view>Options>Map Content>Map Version. If an update is available, install the update on an additional Repair Order line / ECO start/stop / Dynamic select / Raise lower vehicle height 		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off button Drive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm) Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shifters Tire pressure monitor: Activate tire pressure monitor Exterior lamps: Function of LED headlamp / Active curve illumination / Cornering lights Steering: Proper feel / alignment/ no excessive play Suspension: Proper feel & ride quality (normal suspension setting) Cruise control/Drive pilot: Function of speed continuation/ touch acceleration & deceleration/ resume/ cancel; Function of Distronic (maintains set distance and appropriate speed/ distance warning) / Steering pilot / Active Lane Change assist	
 Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof Sunroof: Function of sunroof (incl. 1-touch open/close, auto-reverse, & pop-up)/ 1-touch open for glass panel and sunshade (panorama roof only) Center console buttons: Function of rear window sunshade button / Controls for multimedia system / Read out the navigation version from COMAND in Navigation view>Options>Map Content>Map Version. If an update is available, install the update on an additional Repair Order line / ECO start/stop / Dynamic select / Raise lower vehicle height Reminder messages: Audible beep & message for exterior lights on/ 		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off button Drive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm) Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shifters Tire pressure monitor: Activate tire pressure monitor Exterior lamps: Function of LED headlamp / Active curve illumination / Cornering lights Steering: Proper feel/ alignment/ no excessive play Suspension: Proper feel & ride quality (normal suspension setting) Cruise control/Drive pilot: Function of speed continuation/ touch acceleration & deceleration/ resume/ cancel; Function of Distronic (maintains set distance and appropriate speed/ distance warning) / Steering pilot / Active Lane Change assist Head-Up Display: Display function	
 Steering wheel/column: Function of steering wheel controls and multi-function display (scroll through menus, check settings); Function of horn / Function of steering column / Function of touch control Attention Assist: Function of Attention Assist (activate Attention Assist in the multi-function display using steering wheel controls) - Indicator lamp displays Door: Check door for noises/operation Seat belts: Fit and appearance of seat belts; Function of retraction/ locking/ latching/ height adjustment Head restraints: Operation and adjustment of head restraints Overhead controls: Function of front & rear interior lamps/ reading lamps/ rear view mirror/ garage door opener buttons (LED illuminates) Sunroof Sunroof: Function of sunroof (incl. 1-touch open/close, auto-reverse, & pop-up)/ 1-touch open for glass panel and sunshade (panorama roof only) Center console buttons: Function of rear window sunshade button / Controls for multimedia system / Read out the navigation version from COMAND in Navigation view>Options>Map Content>Map Version. If an update is available, install the update on an additional Repair Order line / ECO start/stop / Dynamic select / Raise lower vehicle height 		quality, throttle operation, power) Noises: No unusual noises from body, seats, engine, transmission, suspension, steering, brakes, tires/ wind noises (at varied speeds) Parking brake: Function of engagement & release/ warning lamp Vibrations: No vibrations from tires, brakes, steering Wipers & washers: Function of windshield wipers & washers; Function of headlamp washers Parktronic / Park Assist: Function of front & rear distance indicators/ audible warnings/ Parktronic off button Drive dynamic seat: Function of adjustment during cornering Brakes: Braking power/ pedal feel (not too soft/firm) Automatic Transmission: Shift quality (all gears)/ Function C, S & M shift programs/ touch shift/ steering wheel shifters Tire pressure monitor: Activate tire pressure monitor Exterior lamps: Function of LED headlamp / Active curve illumination / Cornering lights Steering: Proper feel / alignment/ no excessive play Suspension: Proper feel & ride quality (normal suspension setting) Cruise control/Drive pilot: Function of speed continuation/ touch acceleration & deceleration/ resume/ cancel; Function of Distronic (maintains set distance and appropriate speed/ distance warning) / Steering pilot / Active Lane Change assist	

MECHANICAL & SYSTEMS INSPECTION	ОК √	
SDS Quick Test: Perform Quick Test and investigate any fault codes; Attach final printed results to RO		
If vehicle won't be delivered for >7 days, activate transport mode and deactivate at time of delivery		
Underbody check: Remove underbody panels; Check drive train/ suspension/ brakes/ rims & tires/ exhaust system for leaks, damages, and proper hydraulic line routing; Reinstall underbody panels		
Lower body work: No scratches, cracks, gaps, poor fit mbrace: Print registration data (MIN, MDN) and attach to RO		
SERVICE RECHECK (Must perform within 3 days of delivery)		
Technician: Date:	OK	
Salesperson**: Date: **Salesperson's signature required for spot deliveries		
Verify that all recall/service campaigns have been performed		
Main Battery: Switch on driving lamps for 60 seconds, then perform battery test through instrument cluster;		
Battery Voltage:; If voltage is below 12.4 V perform Midtronics Test and attach printed results to RO; Recharge/replace as directed		
Tire pressure: Check pressure and correct as necessary (reset tire pressure monitor if tire pressure corrected)		
Brakes: Visually inspect brake discs for corrosion and correct as necessary		
Wipers: Install permanent windshield wipers		
Floor mats: Remove carpet protection and install floor mats		
License plate bracket/frame: Install front license plate bracket if required by state law		
Open roof half way: Check roof seals, windows, and pillars for excessive black sealant. Clean
