

## COMAND Online: No music files can be found on the USB mass storage device

---

Topic number	LI82.85-P-067582
Version	1
Function group	82.85 Navigation and Communication system (CNS, ICS, COMAND, FleetBoard)
Date	01-11-2018
Validity	Model 213 with code 531 and code 807. Model 238 with code 531 and code 807 or code 808 without code 058.
Reason for change	

---

### Complaint:

No music files can be found on the USB mass storage device.

Some music files from mobile phones or media players (e.g. iPod) can still be detected and played back.

File	Description
No music files found on mass storage.jpg	No music files detected on the mass storage device

### Cause:

Possibly software of COMAND Online control unit (A26/17).

### Remedy:

- Export customer data from COMAND Online to USB flash drive or SD card (System -> System Backup -> Export Data)
- Reset customer data in system menu of COMAND Online (System -> Reset)
- Import customer data into COMAND Online of USB flash drive or SD card (System -> System Backup -> Import Data)
