

We are a proud retailer of Original Equipment (OE) parts, sourced from the vehicle manufacturer and backed by its limited warranty.

We also offer high quality non-OE parts that are suitable for your vehicle and fit all budgets and needs. If you have chosen a non-OE part, it will be identified on your invoice as "AP*." These non-OE (AP*) parts are not sourced from the vehicle's manufacturer or covered by its warranty. Non-OE parts come with a limited warranty backed by AutoNation and/or the parts manufacturer.

Dealer is not authorized to perform recall repairs for non-Dealer brand vehicles and Dealer's Vehicles Safety and Condition Inspection and/or service does not include a review of possible pending recalls or service campaigns issued by manufacturers of other makes and models.

By signing below, you acknowledge that you were notified of and authorized the Dealership to perform the services/repairs itemized in this invoice and that you received (or had the opportunity to inspect) any replaced parts as requested by you. The vehicle is being returned to you in exchange for your payment of the Amount Due.

If Payment Is Made By Check When you provide a check as payment, you authorize us to either use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. If processed as an EFT, funds may be withdrawn from your account as soon as today. You agree that you will not dispute us electronically debiting your account, so long as the amount corresponds to the amount on this invoice. In the event your check or EFT is returned unpaid for any reason, you authorize us or our agent to charge a service fee up to the maximum amount permitted by law.

***SHOP SUPPLY COSTS:** We have added a charge equal to \$3.00 or 12% of the total cost of labor and parts, whichever is greater, to the Repair Order. This charge will not exceed \$59.95. This charge represents costs and profits to the motor vehicle repair facility for miscellaneous shop supplies and waste disposal. The State of Florida requires a \$1.00 fee to be collected for each new tire sold in the state [s.403.718], and a \$1.50 fee to be collected for each new or remanufactured lead-acid battery sold in the state [s.403.7185].

ALL PARTS ARE NEW UNLESS OTHERWISE INDICATED.
