	Information on preventing damage to electronic components due to electrostatic discharge		AH54.00-P-0001-01A
	<b>Remove/install</b>		
1	Switch off ignition and store transmitter key outside of transmission range (min. 2 m).		
2	Unclip and remove cover (1).	Long wedge	*115589035900
3	Unclip and remove cover (2).	Long wedge	*115589035900
4	Unhook retaining clamps (4) on both sides of rain and light sensor with additional functions (B38/2).		
5	Remove rain and light sensor with additional functions (B38/2) and disconnect electrical connector (3).	Do not touch surfaces (arrows) of rain/light sensor with additional functions (B38/2). Otherwise, soiling may cause the rain/light sensor with additional functions (B38/2) to malfunction.	
6	Install in the reverse order		
	<b>Initial startup</b>		
7	Perform commissioning of rain and light sensor with additional functions (B38/2).	Model 293 Model 205 with code 345 (Windscreen wiper with rain sensor) Model 213, 217, 222, 253 Model 238	AD00.00-P-2000-06FR AD00.00-P-2000-04B AD00.00-P-2000-06LWO
