General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

What's New

Models

E53eW4 (214.063)

- MSRP: TBD
- Transmission: AMG SPEEDSHIFT TCT 9G 9-Speed Automatic Transmission
- Acceleration 0-60 (sec): 3.9 (3.7 w/ RACE START)
- Engine Configuration: AMG-enhanced 3.0L Inline-6 Turbo w/ P2 Hybrid System
- Power (hp): 577 hp (Combined) (604hp w/ RACE START)
- Torque (lb-ft): 553 lb-ft (Combined)
- Launch Date: TBD

Standard Equipment

E53eW4

Performance & Handling

- **AMG-enhanced 3.0L Inline-6 Turbo w/ 120kW permanently excited synchronous electric motor**
- **421 AMG SPEEDSHIFT TCT 9G Automatic Transmission**
- **AMG Performance Steering Wheel w/ Shift Paddles**
- **AMG Performance Exhaust**
- **677 AMG RIDE CONTROL Steel Spring Suspension w/ Adaptive Adjustable Damping**
- **AMG Performance 4MATIC+**
- **AMG DRIVE UNIT Steering Wheel Buttons**
- **Rear-Axle Steering**

Comfort & Convenience

- **12.3" Driver Display**
- **Split Folding Rear Seats**
- **3rd Generation MBUX Multimedia System**
- **DIGITAL LIGHT**
- **HD Digital Radio**
- **Heated Front Seats**
- **KEYLESS-GO Comfort Package**
- **Parking Package with Surround View**
- **MBUX Augmented Reality for Navigation**
- **Smartphone Integration**
- **64- color Ambient Lighting**
- **AMG Bodystyling**
- **5G Communications Module for Mercedes me connect Services**
- **Active Parking Assist**
- **Garage Door Opener**
- **14.4" Central Display with Touchscreen**
- **Panoramic Sliding Sunroof**
- **Two-zone Climate Control**
- **Burmester® 4D Surround Sound System**
- **SIRIUSXM Satellite Radio**
- **KEYLESS-GO**
- **HANDS-FREE ACCESS**
- **MBUX Navigation Premium with 1 Year Free Map Updates**
- **Illuminated Door Sill Panels**
- **USB Package**
- **Ambient Lighting with Logo Projection**
- **Wireless Phone Charging**
- **Driver Camera**
- **Power Front Seats with 4-Way Lumbar Support and Memory**
- **Driver Assistance Package**

Safety & Security

- **Blind Spot Assist**
- **Guard 360 Vehicle Protection Plus**
- **Active Brake Assist**
- **Surround View**
- **Adaptive Highbeam Assist**
- **Tire Pressure Monitor**
- **e-call Emergency System**
- **Center Airbag**

Options In Detail

P2 Plug-in Hybrid System

The AMG-enhanced 3.0-liter inline six-cylinder turbocharged engine and permanently excited synchronous electric motor generate a combined system output of 577 hp (604 hp with RACE START) and a combined system torque of 553 lb-ft.

The foundation of the sporty, efficient drive is the proven AMG-enhanced 3.0-liter inline six-cylinder turbocharged engine. In the E 53 HYBRID it delivers 443 hp. Numerous enhancements to software and hardware contribute to the engine's heightened performance and highly dynamic response. This includes a new twin-scroll exhaust-gas turbocharger with higher boost pressure. Other changes include newly programmed software and additional front and wheel arch air inlets.

A 161 hp electric motor is integrated into the AMG SPEEDSHIFT® TCT 9G transmission. The high-power density of the hybrid power unit is achieved by the permanently excited internal rotor synchronous technology. The electric motor's 354 lb-ft of maximum torque is available from the first revolution and ensures agile acceleration. A 400-volt, 28.6 kWh battery is positioned at the rear of the vehicle below the trunk floor. 21.2 kWh is available for everyday driving, while the remaining energy is reserved for electric boost during high-performance driving.

The E 53 HYBRID is equipped with a 9.6 kW onboard AC charger as well as a 60 kW DC fast charger, which enables external charging of the battery from 10 to 80 percent in approximately 20 minutes.

MBUX Superscreen Package- DA0 (Optional)

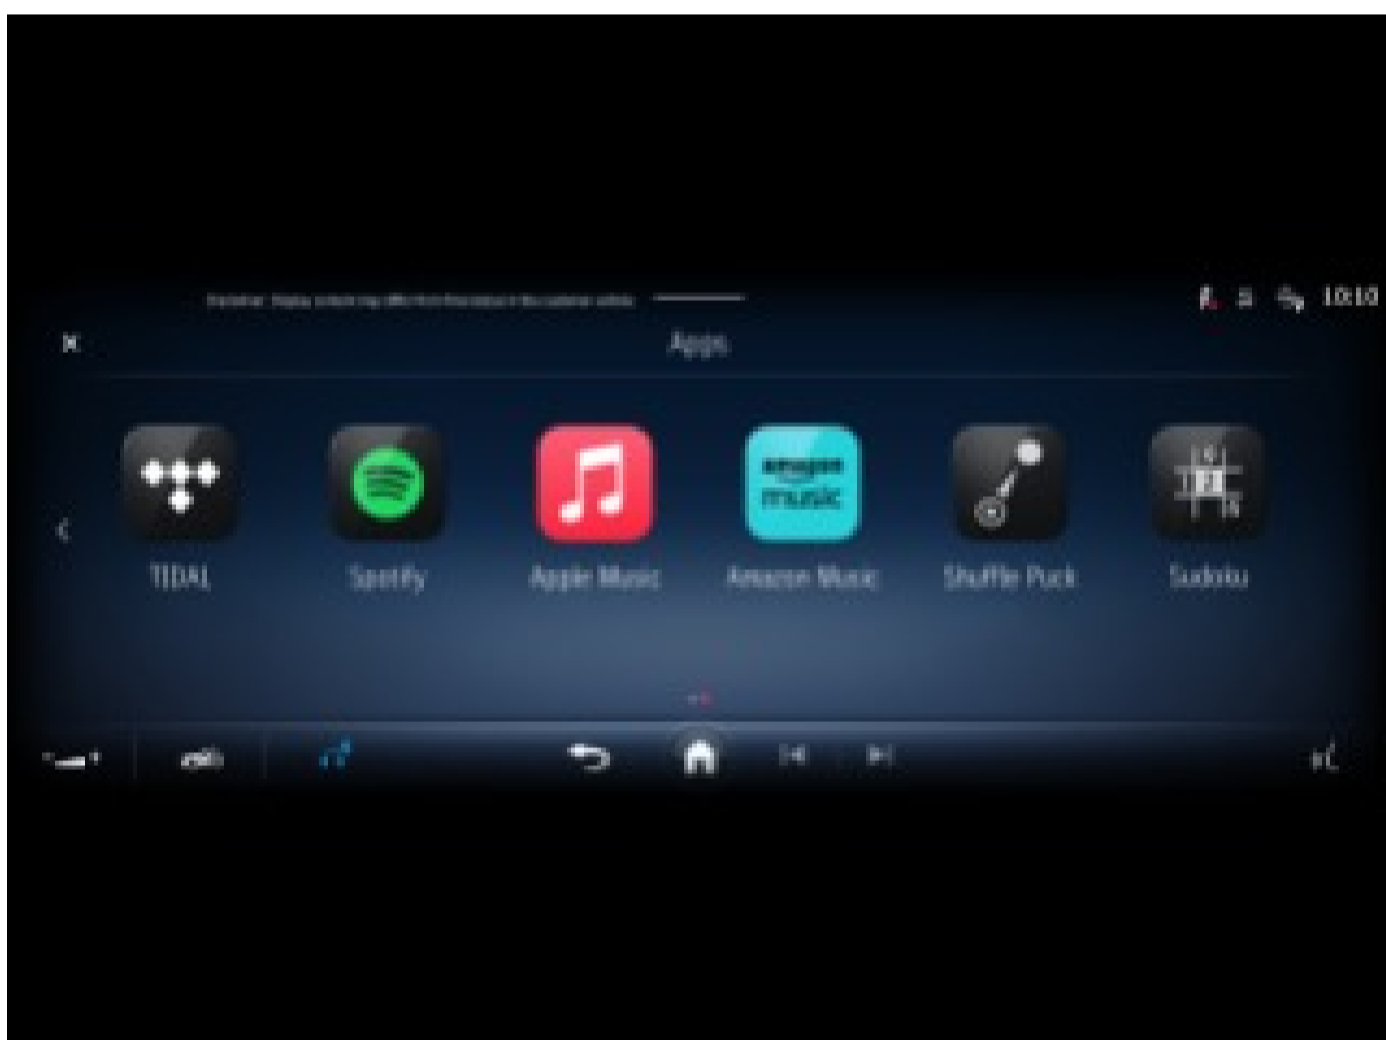

Only with 12H + 667/ 759/ 753/671/732.

The best entertainment, even while on the move: with the MBUX Superscreen, 2 displays merge under one glass surface - an impressive design element. This gives your front passenger their own personal display and control area to watch films while on the move, use apps or participate in conferences with the selfie and video camera when vehicle is stationary.

- 12.3" touchscreen Front Passenger Display (860) that connects to the center display via black, glass surface
- Selfie and Video Camera (219) on the dash that can be used for video conferencing when vehicle is stationary
- Privacy Function for Front Passenger Display (867) to ensure driver can not view passenger display when dynamic content is playing and the car is in motion
- MBUX Multimedia system (529) is the newest generation of MBUX. Standard for MY25 E 53

3rd Generation MBUX (Standard)

Features

MBUX 3rd generation offers an expandable portfolio of In-Car Apps in different categories.

- Integrated App Store to expand the multimedia offering in the vehicle from various categories such as:
 - Music streaming
 - Social media (user account required)
 - Video streaming (user account may be required)
 - Games
 - Productivity
- Native integration of Amazon Music, Apple Music and Spotify (user account required)

Click [Learn More](#) for detailed instructions on how to establish internet connection for 3rd Party Apps:

[Learn More](#)

Routines- Included in the all new MBUX System (Standard)

MBUX Third Generation brings all-new Routines function as standard

Increasing the personalization and automation of vehicle and comfort features with the introduction of Routines. There are two ways routines can be created:

- Templated generic routines from library
- User-created routines

Example Routines could include: "When I leave for work, turn radio to station X on volume 5" or "When it is cold outside, turn on seat heater".

For more information on Routines, please click [Learn More](#) below:

[Learn More](#)

Center Airbag - 325 (Standard)

Additional airbag for increased front occupant protection in the event of a side impact

The center airbag can protect the driver and front passenger from colliding in the event of a side collision. The center airbag is installed in the seat cushion on the inside of the driver's seat and is triggered in the event of a corresponding collision.
