Restrictions and Important Notes on Electrify America Charging:

- Mercedes Me Charge must be fully activated. See above link on how to activate all services
- Free charging is only for a 30 minute period.
 - If the vehicle completes charging before 30 minutes, there is a 10 minute grace period to unplug vehicle or an idle fee of \$0.40/min will incur.
 - After 30 minutes, the vehicle will continue charging as needed and will be charged at a rate specified by Electrify America (<https://www.electrifyamerica.com/pricing/>)
- Charging sessions require a 1 hour period of time in between charging sessions.
