Lecture Series Confirmed

StarTech 2015 is proud to start announcing the lecture series for Saturday June 13th. We have secured many great speakers, who will be talking about a wide range of topics. Below is the list of topics that are confirmed, with more coming in the coming weeks.

- What to look for in a Concours-level vehicle
- Silver Star Preservation
- New car Electronics and Options Presented by Mercedes Benz of West Chester
- Maintenance of daily drivers
- SL's from 1963-1971
- Prepping a car for a Concours
- MB Classic Center question and answer
- Service Mechanics Q&A Presented by Mercedes Benz of West Chester
- Classic car insurance
- Women's only Tech Session with Mary Noir Presented by Ladies of Mercedes
- Properly insuring all your assets
- The history of German Automotive Industry

We have great speakers presenting these topics such as Pete Lesler, Ted Godfrey, Tom Hansen from the Classic Center, Johnathan Stein from Haggerty, and Head Technician Pierre Hedary. These are some of the country's best Mercedes Benz technical minds, and will provide some amazing lectures, and Q&A opportunities. StarTech 2015 is working hard to complete the lecture series, and provide the best possible speakers for your enjoyment. Take some time today and Register for the event and book your hotel, the links are below, and we look forward to seeing you June 12-14.
