

G550 4x4² Ordering Guide

What's New: G550 4x4²

Standing over 7½ feet tall, the G550 4x4² intensifies the already iconic G-Class appearance. The 4x4² features the AMG-developed twin-turbocharged 4.0L V8 engine that will surely prove to dominate any obstacle in its path.

G550 4x4² – Front

The G550 4x4² special model offers exclusive equipment for a unique look, and features items such as the sport exhaust system with 2 twin tailpipe trim elements, portal axles, and the carbon-fiber wheel-arch flare to demonstrate the model's high quality. The following features transform the G-Class into a powerful, off-road machine:

- ❶ Wider flared wheel arches than the G550 – painted in black carbon fiber¹
- ❷ 22" wheels w/ high-gloss black accents
- ❸ 17.24" ground clearance
- ❹ Stainless steel underride guard plate
- ❺ Outer protective strips with stripe effect

¹ Flared wheel arches painted in matte black carbon i.c.w. magno paint

***LED Light Bar not functional on U.S. Model**

G550 4x4² – Rear

- ① No spare wheel on rear door
- ② Stainless steel underbody guard plate
- ③ Two-tone paint work – roof painted in obsidian black¹
- ④ Front and rear red-painted brake calipers
- ⑤ Portal axles with red suspension springs

¹ Roof painted in *designo* night black magno i.c.w. magno paint

***LED Light Bar not functional on U.S. Model**

G550 4x4² – Interior

The standard DINAMICA Interior Package includes a combination of *designo* black leather along with touches of DINAMICA to accent the sportiness of the cabin.

- ① Seats and door center panels in DINAMICA microfiber with diamond quilting
- ② AMG performance steering wheel in Nappa leather/DINAMICA microfiber
- ③ White topstitching on the seats, head restraints, door handles, armrests and handbrake (SQ5)
- ④ White topstitching on the dashboard in conjunction with *designo* Exclusive package (PA6), harman/kardon® Logic 7® surround sound system (EU9) and AMG Carbon Fiber trim (ZG6)
