3 Estimated Payment:

The payment estimate generated is not an advertisement or offer for specific terms of credit and actual terms may vary. Payment amounts presented are for illustrative purposes only and may not be available.

For Leased Vehicles:

The Estimated Monthly Payment shown is based on default variables: the Manufacturer's Suggested Retail Price (MSRP) for the vehicle selected, an excellent credit score, a term of 36 months, a down payment of \$0, an annual mileage of 15,000 miles, a net trade-in amount of \$0, and Mercedes-Benz Financial Services' current lease program. If you make changes to these default values, the Estimated Monthly Payment amount will change based on variables you enter. The payment estimate displayed includes estimates of taxes, title, license and /or registration fees. Additional dealer fees may apply. Not all customers will qualify for credit or for the lowest rate. A security deposit may be required depending on creditworthiness.

For Financed Vehicles:

The Estimated Monthly Payment amount calculated is based on default variables: the Manufacturer's Total Online Price for the vehicle selected, a term of 72 months (or for model years 6 years old or older, a term of 48 months), a down payment of \$0, an excellent credit score, and a net trade-in amount of \$0. If you make changes to these default values, the Estimated Monthly Payment amount will change based on variables you enter. The payment estimate displayed includes estimates of taxes, title, license and/or registration fees. Additional dealer fees may apply. The estimated Annual Percentage Rate (APR) used to calculate the payment is based on the variables above and may change. The actual APR is based on available finance programs, the variable dealer margin, and the creditworthiness of the customer. Not all customers will qualify for credit or for the lowest rate.

4 The Amount Due at Signing is the amount to be paid by the lessee prior to or at signing of the lease or by delivery of the vehicle. The Amount Due at Signing displayed is an estimate and does not include taxes, title, license and/or registration fees. It includes the first month's payment, an acquisition fee, and down payment.

5 The Total Amount Financed is based on the selling price of the vehicle, plus estimated taxes and fees, if available, less your down payment and net trade-in, if any, plus any optional add-on products you select, if financed. The Total Amount Financed is not an advertisement or offer for specific terms of credit and actual terms may vary. Amounts presented are for illustrative purposes only and may not be available. Additional down payment may be required to qualify.

6 The estimated APR is the estimated annual percentage rate. The actual APR is based on available finance programs, the variable dealer margin, and the creditworthiness of the customer and is subject to change. Not all customers will qualify for credit or for the lowest rate.
