

**CANCELLATION (Your rights may vary dependent on your state; please see State Changes Section):** The Mercedes-Benz Extended Limited Warranty Agreement may only be cancelled within 60 days from the ELW purchase date, and a full refund less a \$100 administrative fee will be made, if no services have been rendered under this Agreement and if a written request for cancellation is completed by the Selling Dealer, or any authorized Dealer. If services have been rendered under this Agreement, no refund will be paid to you or any Lienholder or Lessor. The effective start date of this Agreement commences upon the expiration of the New Vehicle Limited Warranty in time or mileage, whichever comes first. A refund will effectively terminate and cancel this Agreement and coverage CANNOT be reinstated. THE DESCRIBED CANCELLATION PROVISIONS ARE NOT APPLICABLE IN ANY WAY IF THIS MERCEDES-BENZ EXTENDED LIMITED WARRANTY AGREEMENT HAS BEEN TRANSFERRED TO ANOTHER PERSON OR ENTITY. If you have not paid for the Agreement in full and a lien is outstanding against the described vehicle and/or this Agreement itself, any cancellation refund will be made payable to the Lienholder or Lessor. Should the vehicle be repossessed or deemed a total loss, the rights hereunder shall transfer to the Lienholder or Lessor as its interest may appear and the Selling Dealer, or any authorized Dealer, agrees to effect cancellation at Lienholder's or Lessor's request upon receipt of evidence of repossession or total loss, and name the Lienholder or Lessor as the sole payee of any resulting refund unless MBUSA is instructed otherwise in writing by the Lienholder or Lessor.

MBUSA reserves the right to terminate this Agreement if any of the following occur:

1. The vehicle odometer has been altered, or has been inoperable for more than ten (10) days after the purchase of this Agreement so as to reflect an incorrect or misleading reading.
2. The vehicle has been determined to be a salvage, scrap or dismantled vehicle as defined by applicable state law.
3. Any material misrepresentations are made, including but not limited to a submission of a fraudulent claim in connection with this Agreement

**ITEM COVERAGE:**

MBUSA warrants to you and any eligible subsequent Private Party Purchaser of a Mercedes-Benz Passenger Vehicle, which was originally distributed and sold through MBUSA, that any authorized Dealer will make certain repairs or replacements necessary at no charge to correct defects in material or workmanship on the covered vehicle parts and or systems identified in this Agreement which may occur during the specified warranty period. Replacement parts shall be genuine Mercedes-Benz replacement parts, or exchange units. In the event you have any questions with respect to the extent of coverage of the Mercedes-Benz Extended Limited Warranty Agreement, you may contact MBUSA, at 1-800-FOR-MERCEDES.

**MERCEDES-BENZ EXTENDED LIMITED WARRANTY AGREEMENT COVERAGE ONLY:  
IF A PART IS NOT LISTED, IT IS NOT COVERED.**

1. **ENGINE:** Engine block, cylinder head(s), cylinder head gasket(s), all internally lubricated parts, including internally lubricated seals and gaskets, intake and exhaust manifolds, timing chain cover, flywheel, flex-plate, vibration damper (harmonic balancer), coolant pump, turbocharger, supercharger, belt tensioners, injection pump, control module and hydraulic motor mounts.
2. **TRANSMISSION:** Transmission case, control modules, all internally lubricated parts including seals and gaskets, electrohydraulic valve body, hydraulic lines, torque converter, shift linkage(s), master/slave cylinder, clutch disc, pressure plate, clutch release bearing and fork for vehicles equipped with a manual transmission.
3. **REAR AXLE:** Rear axle center section and all internally lubricated parts, including internally lubricated seals and gaskets, axle side shafts, drive shaft, drive shaft center bearing, drive shaft flex-disc assembly, rear axle shaft bearings and hubs.
4. **ELECTRONIC TRACTION SYSTEM (ETS):** Hydraulic unit (ABS/ETS), charging pump, pressure reservoir and control module.
5. **ACCELERATION SLIP REGULATION (ASR):** Hydraulic unit (ABS/ASR), charging pump, pressure reservoir and control module.
6. **ELECTRONIC STABILITY PROGRAM (ESP):** Hydraulic unit (ABS/ESP), charging pump, pressure reservoir, control module and ESP yaw rate sensor.
7. **M-CLASS, G-CLASS and 4-MATIC MODELS ONLY:** Transfer case, front axle and all internally lubricated parts including seals and gaskets, front drive shaft, front axle shafts, bearings, hubs and control module including internally lubricated seals and gaskets, axle side shafts, drive shaft, drive shaft center bearing, drive shaft flex-disc assembly, rear axle shaft bearings and hubs.

8. **AUDIO SYSTEMS:** Head unit (Radio, Cassette/AM/FM/Weatherband), Speakers, Antenna Motor, Audio amplification system, CD player and changer
9. **SATELLITE RADIO SYSTEM:** All components of satellite radios installed by factory or authorized Mercedes-Benz Dealer using approved components.
10. **NAVIGATION SYSTEMS:** CD drive, control module, antenna system.
11. **OPTICAL NETWORK:** Fibers and connectors associated with optical componentry.
12. **COMAND:** Control display unit, central processor, steering wheel control system, cassette mechanism, integrated CD drive, integrated Navigation processor, GPS antenna system and Navigation CD drive.
13. **MODULAR CONTROL SYSTEM (MCS):** Centralized component control unit, single CD player, CD changer, audio amplification system, navigation system, antenna system, cassette mechanism (if included).
14. **COOLING SYSTEM:** Thermostat, radiator, fan clutch, engine fan, coolant expansion tank, transmission and engine oil coolers as well as the metal lines and fittings.
15. **FUEL INJECTION SYSTEM:** Vacuum shutoff, vacuum control valve, ALDA /BCAPA (barometric pressure-charge air pressure compensation) unit, fuel pump, fuel pressure regulator, fuel injectors (gas and diesel), fuel injector holders, all metal high pressure fuel injection lines and return lines, warm up regulator, fuel accumulator, mass air flow sensor, engine throttle valve, fuel heater (diesel only), fuel primer pump (hand operated [diesel only ]), throttle linkage assembly, fuel tank and expansion tank.
16. **STEERING SYSTEM:** Power steering gear box including PML control valve, pump, pump pulley, ignition lock including cylinder/tumblers, drag link, steering shock absorber, steering knuckle, tie rods, idler arm and idler arm bushing.
17. **SUSPENSION:** Coil springs, anti-sway torsion bars as well as associated linkage and brackets, shock absorber/suspension struts, ADS pump (where applicable), reservoir, valves, accumulators, valve linkage, suspension pressure reservoir, gas spring reservoir, oil reservoir and cover, oil level sending unit, high pressure oil hose, distribution valve, switch level adjustment, solenoid locking valve, suspension acceleration sensor, body acceleration sensor, switch load sensor, upper and lower control arms, as well as all suspension links and bushings, ball joints, wheel bearings and wheel bearing seals.
18. **BRAKE SYSTEM:** Master cylinder, brake booster, vacuum pump, hydraulic unit (ABS OR ABS/ETS/ASR/ESP), brake calipers, proportioning valve, brake assist (BA) valve and control module, metal hydraulic lines and fittings.
19. **ELECTRICAL SYSTEM:** Ignition distributor, rotor and cap, starter system components, as well as all electrical motors, wiring harnesses and connectors, starter lockout switch, sending units, sensors, switches, fuse boxes, relay modules, control modules, instrument panel gauges, parktronic display, rheostats, potentiometers, blower motor resistors, fans, generator and pulley, voltage regulator, diodes, buzzers, horns, actuators, timers, electro-mechanical valves, solenoids, and air bag clock spring contact (located in steering wheel).
20. **CLIMATE CONTROL:** All electrical components noted above, as well as the A/C compressor and clutch, receiver/drier bottle, refrigerant hoses and connections, evaporator, expansion valve, condenser, rear vent control cable, vacuum and stepper actuators, all vacuum valves and elements, auxiliary cooling pump, cold engine lock-out switch, temperature selector wheel, servo unit, mono valve, dual valve, switch-over valve, heater core and heater housing assembly.
21. **BODY:** Window regulators, sunroof cables, front and rear windshield wiper linkages, power seat drive cables and seat belt assemblies.
22. **CENTRAL LOCKING SYSTEM:** Actuator/element, pneumatic check valve, switches and linkages.
23. **TOWING:** In the event of a mechanical breakdown, due to a covered part during the term of this Extended Limited Warranty Agreement, reasonable and competitive towing charges to have the vehicle towed to the nearest authorized Mercedes-Benz Passenger Vehicle Dealer will be covered.

**COVERAGE FOR THE FOLLOWING EQUIPMENT APPLIES TO VEHICLES BEARING THESE ITEMS AS ORIGINAL EQUIPMENT ONLY:**

1. **REMOTE CENTRAL LOCKING:** Transmitters and Keyless Go Cards (excluding batteries), receiving antenna and receivers.
2. **CLOSING ASSIST:** Actuators, switches, and supply pump.
3. **SOFT TOP/RETRACTABLE HARDTOP:** Mechanical linkages, hydraulic unit, valves/solenoids, switches and sensors. Soft top cover (material) not covered.
4. **ROLL BAR SYSTEM:** Roll bar mechanism (model 129, 170, 230) or complete assembly (model 208,209); roll bar, hydraulic cylinders, hydraulic unit, valve/solenoids, actuators, and switches.
5. **TIRE PRESSURE MONITORING:** Transmitters (excluding batteries) and receiving antennas.
6. **MERCEDES-BENZ ROADSIDE ASSISTANCE PROGRAM:** Including Sign and Drive, Trip Interruption, and Trip Routing. Please see The Mercedes-Benz Roadside Assistance Program brochure for full details, terms and conditions.
