

Attention Brandon Dahlman

Your GLC300 SUV

\$44,435

MSRP

\$38,950*

Exterior

A little confused to hear sport + lighting packages are not available to order, as I've seen multiple delivery photos online of US spec GLC300's with sport package and LED headlights.

Please advise if it is possible to order this configuration instead night + lighting package, although not ideal due to the loss of the topstitch MB-TeX dash option included in sport.

Also please advise what would be the lead time for sport + lighting.

Thank you
