

# GLE SUV

Model Year 2018

**Preliminary – Subject to change**

Mercedes-Benz  
The best or nothing.

## Important note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

## *Headlamps*

### **Halogen Headlamps**

*Standard*

- Halogen headlamps
- LED Taillamps

### **Active Headlamps (640)**

*Optional*

*Included in Premium 2 Package (P02)*

- Automatically activated cornering lights
- LED technology
- Welcome Home Function: the LED light strip in the headlamps light up white after unlocking the vehicle
- In conjunction with the Off-road engineering package, the Active LED Headlamps feature an off-road light function for the “Off-road+” transmission mode
- GLE 550e 4MATIC
  - Active LED Headlamps feature hybrid-specific blue design elements

## *Steering Wheels*

**Nappa leather multifunction steering wheel (280)**

*Standard on all models*

- The 12 ergonomic control buttons on the left of the multifunction steering wheel in Nappa leather operate the display menus in the instrument cluster and the Audio 20/COMAND display. On the right, the driver can control the volume of audio devices, telephone and navigation system

**Sport Steering Wheel (277)**

*Requires AMG Line Interior (318)*

- The 12 ergonomic control buttons on the left of the multifunction steering wheel in nappa leather operate the display menus in the instrument cluster and the Audio 20/COMAND display.
- On the right, the driver can control the volume of audio devices, telephone and navigation system

**Wood/leather steering wheel (289)**

*Option price: \$590*

*Not available with heated steering wheel (443)*

- The combination of high-quality leather in the grip area and fine wood inserts at the top and bottom make this steering wheel a visual and tactile highlight. The wood finish is the same type as the selected wood trim

**Heated Steering Wheel (443)**

*Option price: \$250*

*Not available with wood/leather steering wheel (289)*

- On cold days, heating of the steering wheel rim very rapidly ensures cozy temperatures of the grip area and thus also warm hands. The switch for turning the heating on and off is positioned right next to the steering wheel. The temperature oscillates around 86 °F
