

## *Standard Equipment*

- Power Folding Mirrors added to Premium Package

## *Optional Equipment*

- Silk Beige/Black Leather replaces Silk Beige/Espresso Brown Leather
- Espresso Brown/Black MB-Tex and Leather discontinued
- 3-Zone Climate Control (581) available

## *Paints*

- Mojave Silver Metallic replaces Diamond Silver Metallic
- *designo* Selenite Grey Metallic replaces *designo* Dakota Brown Magno
- Dakota Brown Metallic discontinued

## 3-Zone Climate Control (581)

### **3-Zone Climate Control**

*Available for all models*

The automatic climate control system with 3 climate zones and 3 airflow modes provides additional levels of comfort and control to GLC passengers. The driver and the front passenger are able to regulate temperature and air distribution independently of one another. Temperature and airflow for the rear can be adjusted separately as the 3<sup>rd</sup> zone.

### **Overview of the THERMOTRONIC automatic climate control:**

- Three climate zones with individual temperature controls (driver's side, front passenger side and rear)
- Automatic control of temperature, air distribution and airflow
- Air distribution for driver's and front passenger sides individually and separately adjustable
- 3 airflow modes for setting the airflow – diffuse, medium or focused
- Indirect ventilation for the passenger compartment in the dashboard
- Sensors keep the climate constant at the desired level for each zone
- Constant monitoring of incoming air for harmful gases with automatic air recirculation setting
- A fine-particle activated charcoal filter improves the air quality in the vehicle. It filters dust, soot and pollen from the air and also reduces pollutants and unpleasant odors
- Dew point sensors prevent the windows from fogging up and ensure energy-efficient air conditioning
- Rear control unit for regulating temperature and airflow in the rear
- Rear center vents with rear booster fan
- Residual engine heat button to provide heating or ventilation when the engine is switched off

## *Standard Equipment*

- Nomenclature for GLC43 transmission changes to AMG SPEEDSHIFT® TCT 9-Speed

## *Optional Equipment*

- 3-Zone Climate Control (581) available
- AMG Performance Seats (555) available
- Deletion of Manual Rear-Side Window Sunshades (313)
- AMG Performance Steering Wheel (L6K) now available on GLC43
- Ambient Lighting and AMG Illuminated Door Sills (877+U25) moved out of 319 package into stand-alone options
- Deletion of AIR BALANCE Cabin-air Purification and Fragrance System (P21)

## *Packages*

- New *designo* packages available in combination with 555 AMG Performance Seats
- New AMG Performance Studio Package (322) including brand new AMG Optics Package (36P)

## *Paint*

- Mojave Silver Metallic replaces Diamond Silver Metallic
- *designo* Dakota Brown Magno and Dakota Brown Metallic discontinued
