General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

All-new GLC 63 S E PERFORMANCE SUV

First SUV with Mercedes-AMG-exclusive E PERFORMANCE hybrid technology

Mercedes-AMG is expanding its range of E PERFORMANCE hybrids to offer this AMG-exclusive technology in an SUV for the first time. The new GLC 63 S E PERFORMANCE SUV sets new standards in performance, driving dynamics and efficiency. Eight distinctive drive programs provide a variety driving experiences: from serene pure electric driving to highly dynamic.

Highlights:

- AMG-specific performance hybrid powertrain allows pure electric, pure combustion or combined propulsion
- Hand-built M139I AMG 2.0-liter engine with electric exhaust gas turbocharger - the most powerful series-production four-cylinder in the world
- Electric boost enables system output of up to 671 hp for agile acceleration
- AMG RIDE CONTROL suspension, active rear-axle steering, active roll stabilization and fully variable all-wheel drive among extensive standard equipment
- AMG SPEEDSHIFT® MCT 9G transmission with wet start-off clutch

Options In Detail

Mercedes-Benz User Experience (Standard)

Features

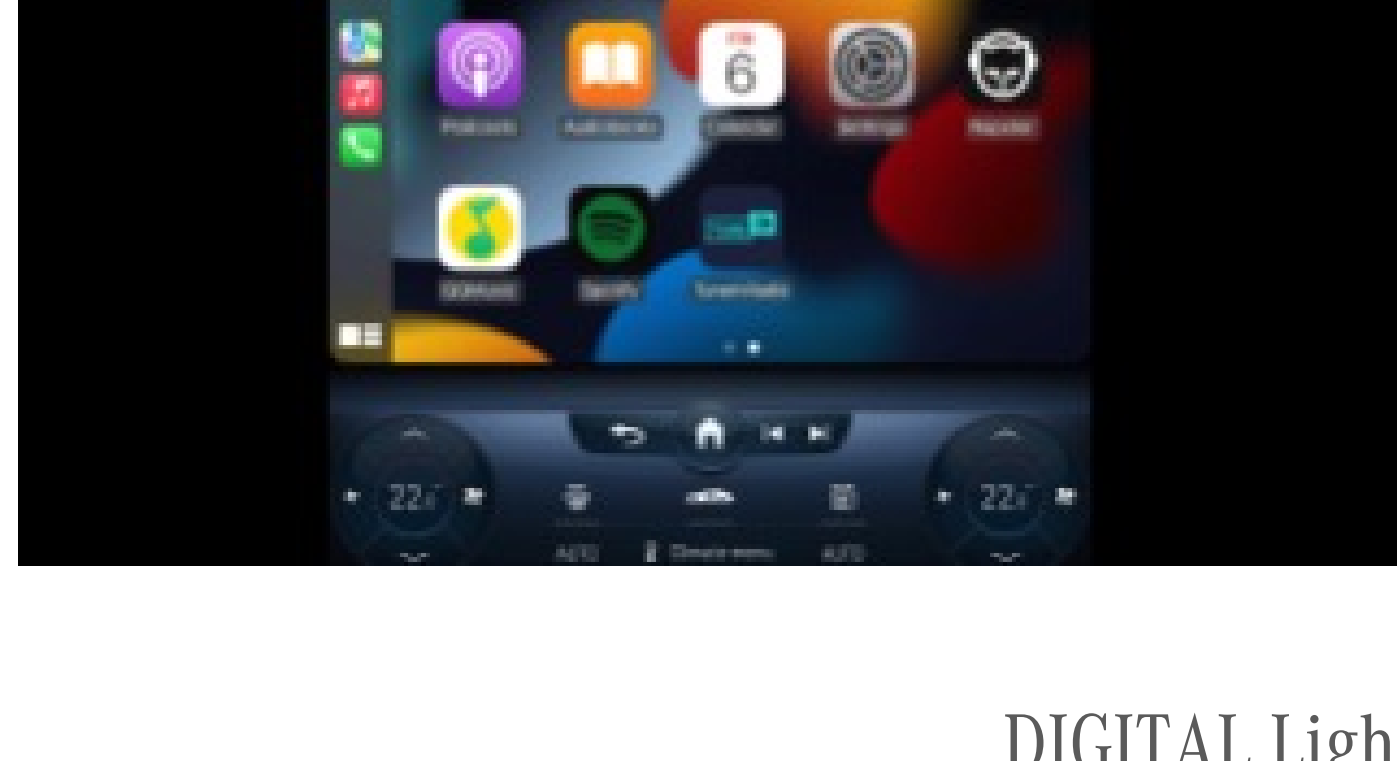

MBUX 3rd generation offers an expandable portfolio of In-Car Apps in different categories.

- Integrated App Store to expand the multimedia offering in the vehicle from various categories such as:
 - Music streaming
 - Social media (user account required)
 - Video streaming (user account may be required)
 - Games
 - Productivity
- Native integration of Amazon Music, Apple Music and Spotify (user account required)

Click [Learn More](#) for detailed instructions on how to establish internet connection for 3rd Party Apps:

[Learn More](#)

Wireless Smartphone Integration - Apple Carplay, Android Auto (Standard)

Features:

- Smartphone Integration connects the mobile phone with the multimedia system wirelessly via Apple CarPlay™ or Android Auto™. This gives you convenient access to the most important apps on your smartphone.

DIGITAL Light - PAX (in DX2)

Features:

- HD system with projection module (more than 1 million pixels per headlamp), which uses data from the camera, sensors and the navigation system to calculate the brightness value for each individual pixel in near real time
- Background module MULTIBEAM LED
- DIGITAL LIGHT projection functions, depending on local approval regulations
 - Projection function for lines (30U), for example as guide lines in roadworks
 - Projection function for symbols (42U), e.g. as a direction symbol for lane correction when departing from the lane
 - Projection function for animations (43U), light shows when opening and closing the vehicle
- Ultra Wide Highbeam with maximum headlamp range close to the maximum legally permitted
- DIGITAL LIGHT projection functions, depending on local approval regulations, currently available with partial scopes in the USA

Burmester® 3D Surround Sounds System w/ Sounds Personalization & Music Streaming (Included in DX2)

Features:

- 15 high-performance speakers tuned to match the vehicle interior and each with its own amplifier channel
- DSP amplifier with a total output of 710 watts (2 x 120 watts, 7 x 50 watts, 6 x 20 watts) - increase of 120 watts compared to the previous generation Burmester Surround Sound system.
- 2 broadband speakers in the front area for 3D sound
- Frontbass technology with subwoofers integrated into the body shell
- Sound optimisation for the front, rear or all seats
- 2 sound presets: two built-in sound presets of the 3D surround sound system, you can change the listening experience with a single touch of a button. For completely unadulterated music enjoyment without any additional effects, you can activate the "Pure" style. In "3D-Sound" mode you can also enjoy virtual surround sound with all audio signals.
- Equalizer function for setting the bass, midrange and treble frequencies
- Noise compensation (VNC)
- The design of the speakers also features metal covers, with Burmester® lettering on the speakers
- Sound Personalization (32U) - A tailor-made listening experience: with the personalization of the sound system you can easily achieve your perfect sound setup. A setup assistant with innovative algorithms identifies your music preferences together with you and sets the Burmester® sound system to match your requirements. It stores the result in your personal profile.

Dashcam - 21U (Optional - Requires DX2)

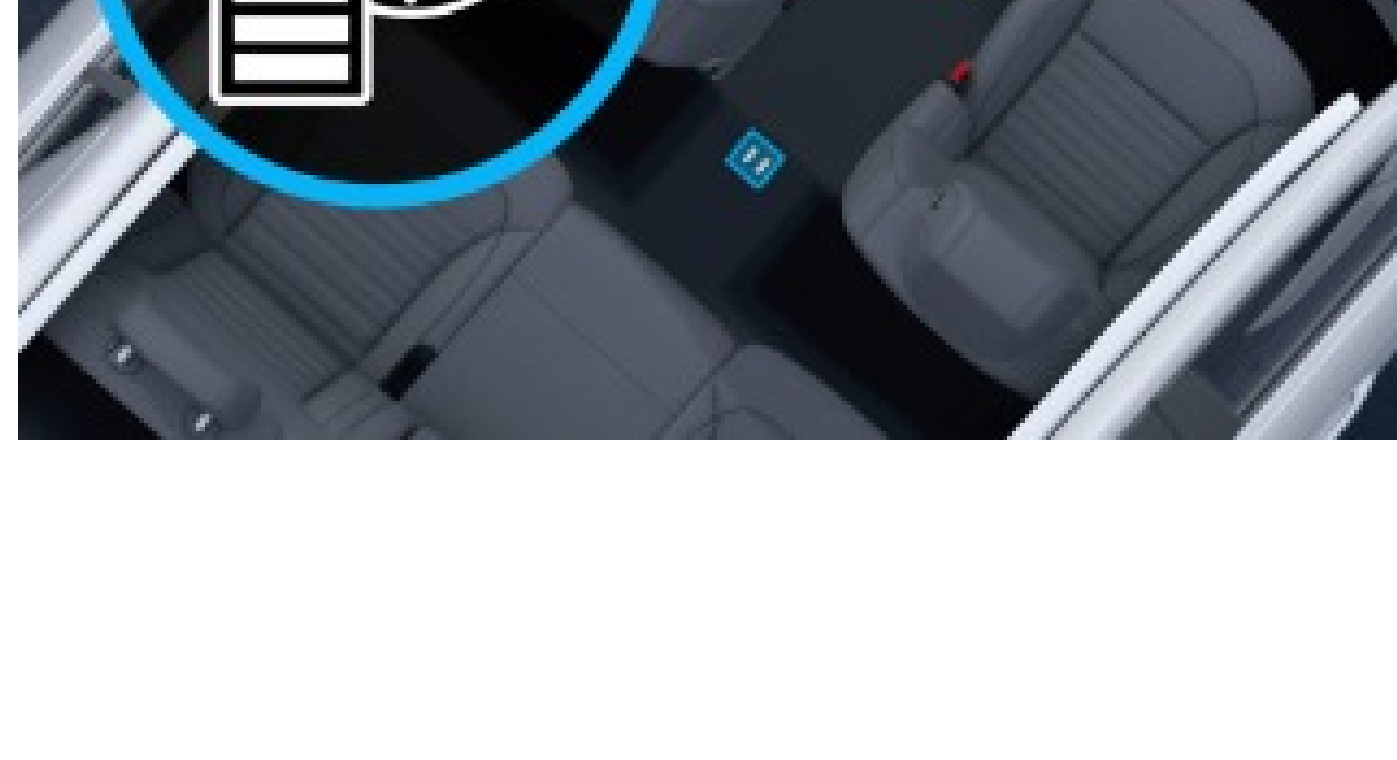

The dashcam films and saves what's happening on the road in front of your vehicle – and also records the time and speed. This can help you document the sequence of events in an accident, for example, and provide you with supporting evidence if necessary. Or you can use the dashcam to record landscapes and routes to create your own automotive travel diary.

Components:

- Camera in the windshield
- Recording of videos with a resolution of 1280 x 720 pixels (720p) and a frame rate of 30 Hz
- Additional storage of speed and time embedded in the video signal
- Control menu in the media display
- Footage stored via USB stick using the Media Interface
- Video material can be viewed on a computer or the media display (only possible when vehicle is stationary) - for this the storage media must first be removed from the interface and reconnected

Advanced USB Package - 72B (Optional)

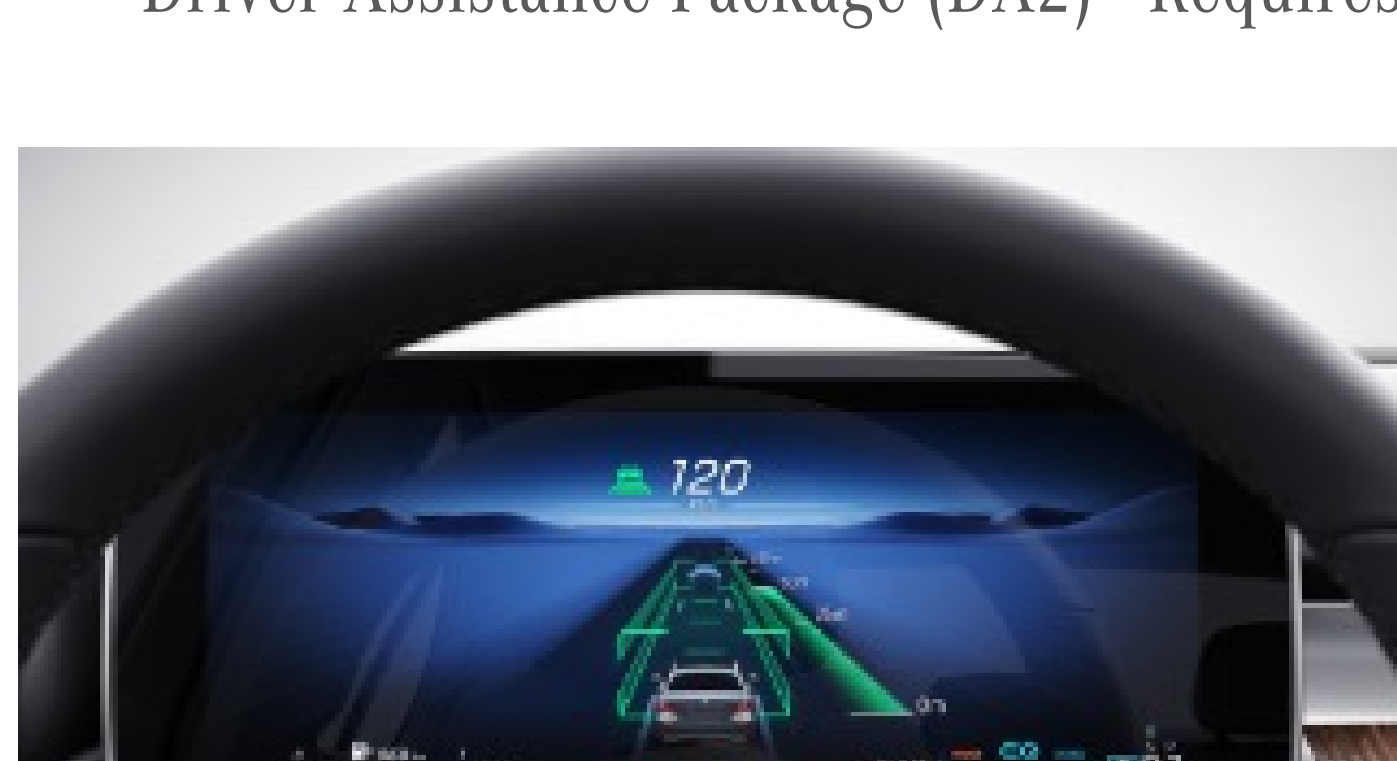

Features:

- Two USB-C ports in the centre console, with fast-charging capability and suitable for data transfer
- Two USB-C ports under the front centre armrest, with fast-charging capability and suitable for data transfer
- Two USB-C ports for the centre armrest, with fast-charging capability
- Two 12 V sockets, one in the front, one in the rear
- With this package, all 6 USB ports are capable of USB Power Delivery (100W)

Note: The standard USB (75B) offering includes:

- One USB-C port in the center console, suitable for data transfer
- Two USB-C ports under the front centre armrest, suitable for data transfer
- One 12 V socket in the front
- Maximum power for all 3 USB ports is 15W

Driver Assistance Package (DA2) - Requires MB Navigation (PBG) or Pinnacle Trim (DX2)

Features:

- The Driver Assistance Package features Level 2 automated driving. State-of-the-art driving assistance systems support the driver according to the situation in terms of speed adjustment, steering, lane changes and the risk of collision. The risk of accidents is reduced - passengers and other road users are effectively protected.
- Drivers are afforded a great degree of relief in monotonous traffic during lengthy trips, for example, and in bumper-to-bumper driving or traffic jams as well as before curves, roundabouts, T-junctions and the end of traffic jams, etc.
- The fusion of different radar, ultrasound and camera sensors, map and navigation data, and live traffic information gives the customer more functionality compared to standard/individual functions.

• The Driver Assistance Package Includes:

- Active Distance Assist DISTRONIC
- Active Speed Limit Assist with response to changing speed limits
- Active Stop-and-Go Assist
- Extended automatic restarting
- Route-based speed adaptation
- Active Steering Assist
- Active Lane Change Assist
- Active Emergency Stop Assist
- Evasive Steering Assist
- Active Blind Spot Assist with exit warning
- Active Brake Assist with turning and crossing function
- End-of-Traffic Emergency Braking
- PRE-SAFE® PLUS
- PRE-SAFE® Impulse Side

Transparent Hood

When the off-road mode is active, the central display shows a virtual view under the front of the vehicle, including the front wheels and their steering position. The view is composed of the images from the 360-degree camera. There are two views: under the vehicle and looking ahead. At speeds up to 5 mph the "transparent hood", i.e. the view under the vehicle, is shown. From 5 to 12 mph the system shows the view ahead. The camera image is switched off at higher speeds.

AMG Night Package

With the AMG Night Package, selected exterior elements are finished in high-gloss black. This results in either strong contrasts or flowing transitions, depending on the selected paint color. Whether exciting highlights or a sense of superior reserve, in both cases you are demonstrating your sense of individual, dynamic design.

Components

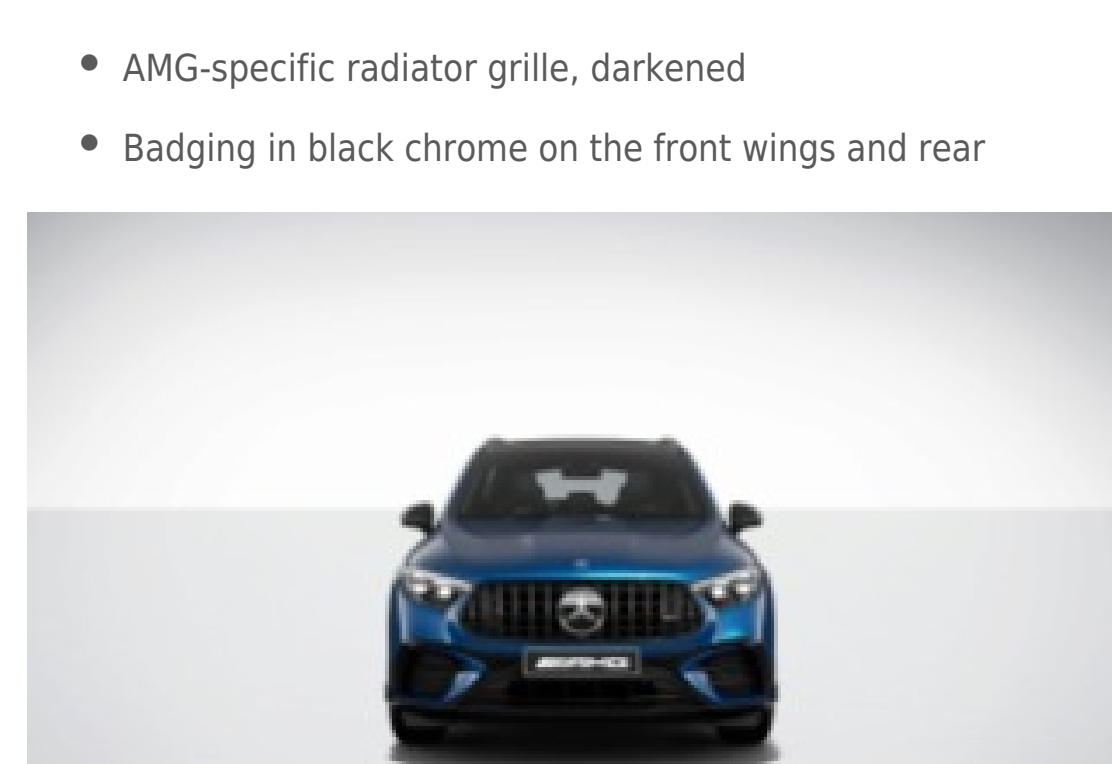

- Exterior features in high-gloss black:
 - Underguard on the AMG front apron
 - Exterior mirror housing, painted
 - Outside mirror housing, painted
 - Inserts in the AMG side sill panels
 - Waistline trim strip and window weatherstrips
 - Trim strip in the rear bumper
- Roof rails in black

AMG Night Package Plus

The AMG Night Package Plus is ideal for individualists who appreciate high-class design details. Additional elements in black chrome and the radiator grille in black chrome transform your Mercedes-AMG model into a real eye-catcher.

Components

- AMG-specific radiator grille, darkened
- Badging in black chrome on the front wings and rear

AMG Performance Studio Package

Emphasise the sportiness of your Mercedes-AMG with further striking elements in high-gloss black. In conjunction with the numerous, dark details of the AMG Night Package, these result in an overall image that is as equally impressive as it is expressive.

Components

- Decorative trim in the front spoiler of the AMG front apron
- AMG rear apron with short diffuser panel in high-gloss black, adopted from the Mercedes-AMG GLC 63 S E PERFORMANCE
- AMG rear apron with diffuser panel in high-gloss black, adopted from the Mercedes-AMG C 63 S E PERFORMANCE
- Flics in the side air outlets of the AMG rear apron in high-gloss black

AMG Fuel Cap

Demonstrate your sense of style - even in concealed areas: the AMG fuel cap in silver chrome with "AMG" lettering and design elements in black shows your attention to detail. The fuel filler cap comes in a high-quality box with embossed AMG emblem. Assembly is easy: do it yourself or contact your dealer.
