Headlamps

Halogen Headlamps

Standard

- Halogen headlamps
- LED Taillamps

Active LED Headlamps (640)

Optional

Included in Premium 2 Package (P02)

- Active Curve Illumination follows steering input for better illumination in curves
- Full LED technology including High & Low Beams
- Automatically adjusts low and high beams for better illumination at night and to avoid glare for oncoming cars
- Welcome Home Function: the LED light strip in the headlamps light up white after unlocking the vehicle

Steering Wheels

Nappa leather multifunction steering wheel (280)

Standard on all models

- The 12 ergonomic control buttons on the left of the multifunction steering wheel in Nappa leather operate the display menus in the instrument cluster and the Audio 20/COMAND display. On the right, the driver can control the volume of audio devices, telephone and navigation system

Sport Steering Wheel (277)

Requires AMG Line Interior (318)

- The 12 ergonomic control buttons on the left of the multifunction steering wheel in nappa leather operate the display menus in the instrument cluster and the Audio 20/COMAND display.
- On the right, the driver can control the volume of audio devices, telephone and navigation system

Wood/leather steering wheel (289)

Option price: \$600

Not available with heated steering wheel (443)

- The combination of high-quality leather in the grip area and fine wood inserts at the top and bottom make this steering wheel a visual and tactile highlight. The wood finish is the same type as the selected wood trim

Heated Steering Wheel (443)

Option price: \$250

Not available with wood/leather steering wheel (289)

- On cold days, heating of the steering wheel rim very rapidly ensures cozy temperatures of the grip area and thus also warm hands. The switch for turning the heating on and off is positioned right next to the steering wheel. The temperature oscillates around 86 °F
