General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

Revision History

Options In Detail

AMG GLE 53 & 63 "Edition 55"

55 units of each model to be produced for the U.S. market to commemorate Mercedes-AMG's 55th birthday.

Exterior components:

- Paint finish in obsidian black metallic (197) or MANUFAKTUR diamond white (799U)
- AMG "Edition 55" decals
- AMG Night Package
- 55.9 cm (22-inch) AMG cross-spoke forged light-alloy wheels, painted in matt tantalum grey with a high-sheen rim flange (RPI)
- AMG fuel filler cap in silver chrome with "AMG" lettering
- AMG Indoor Car Cover

Interior components:

- AMG Performance steering wheel in microfibre (L6G) with "Edition 55" badge and black 12-o'clock marking
- Upholstery in Exclusive nappa leather in red pepper/black with red contrasting topstitching (557A)
- AMG matt carbon-fibre trim
- Floor mats for special model with woven "Edition 55" lettering and contrasting topstitching in red
- AMG door sill panels with "AMG" lettering, illuminated in red
- Memory Package

*Images show are 53 Variants

AMG Performance Exhaust System

AMG Performance Exhaust System (U78)

Option price GLE 53 : \$1,250

- Stronger differentiation of the sound characteristics by means of two additional exhaust flaps
- Sound characteristics dependent on selected drive program – clear differentiation between rich in drive programs "C" and "S" and emphatically sporty in drive programs "S+" and "Race" ("Race" mode on GLE 63 S Only)
- Additional control of the sound characteristics by means of a button in the middle control panel of the center console
- Control by means of variably adjustable exhaust flaps – without loss of power
- Control of the exhaust gas flaps is dependent on both engine speed and load, ensuring 100% power delivery
- Double declutching (in "S") and a misfire (in "S+" and "Race") emphasize the sporty characteristics of the particular drive programs ("Race" mode on GLE 63 S Only)

U88 AMG Drive Unit steering wheel buttons

AMG Drive Unit steering wheel buttons

Standard on GLE 63 S Option Price GLE 53 : \$400

- When U88 is selected, the AMG Performance Steering Wheel is equipped with a round controller with an integral display beneath the right-hand steering wheel spoke, plus two vertically positioned color display buttons beneath the left-hand steering-wheel spoke
- The round display allows for easy adjustment of the AMG DYNAMIC SELECT Drive Mode
- The vertically-mounted displays offer a configurable hot-key to adjust two key parameters, i.e. a switch to Manual transmission mode (or to Automatic shifting) or a switch from the Comfort exhaust setting to the more emotional Sport setting
- These buttons allow the driver to concentrate fully on dynamic driving without having to take their hands off the wheel in order to change performance-oriented vehicle settings

Please note, that when equipped with 443 Heated Steering Wheel, the AMG Drive Unit Steering Wheel Buttons are unable to be equipped.

Brakes

AMG High Performance Braking System

Standard on GLE 53 2-piston front and 1-piston rear calipers
