

Coming soon: the GLK-Class

www.mercedes-glk.com

Introducing the fourth addition to the Mercedes-Benz SUV line. The more compact GLK is placed below the successful ML class and directed towards fuel economy as well as upholding the luxury feel of the Mercedes-Benz SUVs. The GLK sports a bold exterior design, generous cargo capacity, and 4MATIC permanent all-wheel-drive. The GLK-Class combines the perfect balance of styling, versatility, and performance with competitive pricing from \$45,000 - \$50,000.

Three Point Motors is pleased to offer a Canada Unique way to launch this exciting new model in the next 3 months.

1. We have compiled all vital information in a pre-launch package that is available in our dealership as of October 10, 2008. Please see your sales consultant for your package.
2. The Canada Launch for media and Dealers will be held in Victoria November 17-21, 2008. 30 GLK press cars will be in Victoria at various events and we will be able to show you this all new vehicle by appointment.
3. The official Launch event will take place in the second week of January 2009 and you will receive an invitation in the beginning of the New Year.

We have started to establish a pre-Order list and all clients will be placed in a first come first serve order. If you think the new GLK Class maybe the right vehicle for you, please see us for your pre-launch package and discuss the details with one of your consultants.
