

Instructions on how to exchange a vCard using the Bluetooth® function of your Mercedes-Benz hands-free system.

(All examples shown are using the Comand system)

Please follow the steps below to connect your mobile phone (RIM 8830) with the phone application of your Mercedes-Benz hands-free system.

For a successful vCard exchange between your mobile phone and your Mercedes-Benz hands-free system Bluetooth® must be turned on in your mobile phone and the mobile phone must be connected to your Mercedes-Benz hands-free system via Bluetooth®. Please make sure you also read the operating and pairing instructions of the mobile phone.

### Step 1

To get to the telephone screen of your Mercedes-Benz hands-free system press the "TEL" key on the radio or select "Phone."

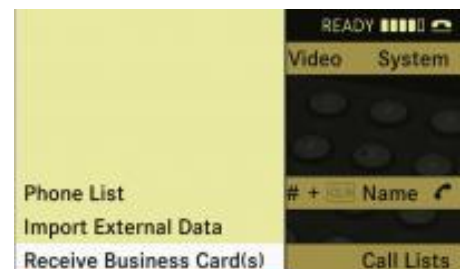

### Step 2

Select the "Phone" application located in the lower left corner.

### Step 3

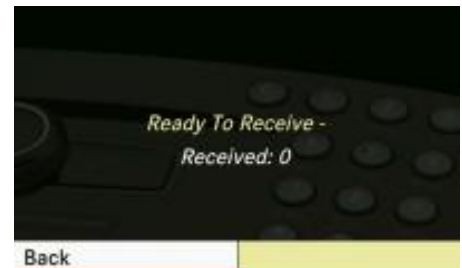

Select the telephone application, "Receive Business Card(s)."

## Step 4

Now vCards can be received from the mobile phone.

## Step 5 (to be performed on your RIM 8830)

From the main screen of your mobile phone,

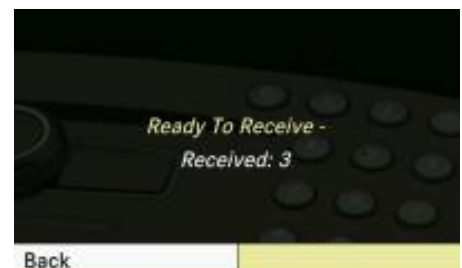

1. Select „Options.“
2. Select „Bluetooth®.“
3. Select „MB Bluetooth®.“
4. Press the “Menu” key.
5. Select „Transfer Address Book“ in the pop up box.\*
6. “Waiting for MB Bluetooth®...” will be shown.
7. “Generating Address Book...” will be shown.
8. “Transferring Address Book...” will be shown.
9. “Transfer Successful.” will be shown.

\* If the option is temporarily not available

1. Select “Device Properties.”
2. Press the “Menu” key.
3. Select “Refresh Service List.”
4. “Waiting for MB Bluetooth®...” will be shown.
5. Bluetooth® Services(OPP) update succeeded.
6. Press the “Back” key.
7. Select „MB Bluetooth®.“
8. Press the “Menu” key.
9. Continue with step 5 of origin procedure.

## Step 6

The total number of received business cards will be shown on the display of the Mercedes-Benz hands-free system. Additional vCards can also be sent to the Mercedes-Benz hands-free system.

## Step 7

By selecting the “Back” function the display of the Mercedes-Benz hands-free system will switch back to the main telephone screen.
