

GF54.21-P-4107-02GK	Extended activity module, design	Model 163 as of 12.99	GF
---------------------	----------------------------------	-----------------------	----

N10/1 Extended activity module (EAM)

N73/1 DAS control module

P54.21-2063-11

The extended activity module (EAM, N10/1) is accommodated in a sturdy plastic housing. It is connected to the wiring harnesses by 5 plug connectors. The slide-out compartment of the extended activity module (EAM, N10/1) houses the DAS control module (N73/1). A special tool is required to remove the DAS control module (N73/1).
