

Mercedes-Benz S-Class Sedan

V222

Model Year 2019

Subject to Change

Mercedes-Benz
The best or nothing.

Important note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

Options in Detail

Specifications

S 450 (222.166)

- MSRP \$TBA
- 3.0L V6 biturbo engine
- 362 hp
- Torque 369 lb-ft
- Launch date: 08/2017

S 450 4MATIC (222.164)

- MSRP \$TBA
- 3.0L V6 biturbo engine
- 362 hp
- Torque 369 lb-ft
- Launch date: 08/2017

S 560 (222.183)

- MSRP \$TBA
- 4.0L V8 biturbo engine
- 463 hp
- Torque 516 lb-ft
- Launch date: 11/2017

S 560 4MATIC (222.186)

- MSRP \$TBA
- 4.0L V8 biturbo engine
- 463 hp
- Torque 516 lb-ft
- Launch date: 08/2017

Standard Equipment

- V12 grille standard across all models (double lamella in grille)
- New design front and rear bumper
- Intelligent Light System with Ultra Wide Beam headlamps
- Smartphone Integration
- 64-color Ambient Lighting
- Lane tracking package (Blind Spot Assist and Lane Keeping Assist)
- LED taillights with crystal look
- COMAND NTG 5.5 new generation
- New generation steering wheels with touch buttons
- Wireless Charging front
- ENERGIZING Comfort control
- **Omission of DVD changer (no longer global offering)**

Optional Equipment

- MAGIC BODY CONTROL with CURVE tilting function
- Changes in rim portfolio
- Heated steering wheel standalone
- Large extension of Driver Assistance Systems (e.g. route-based speed adaptation)
- Rear Seat Entertainment and Comfort Adapter
- **New for MY 19:** Aragonite Silver exterior color (296)

Trims

- *designo* Natural Grain Black Ash Wood (n/a with 445)
- *designo* Natural Grain Brown Ash Wood (n/a with 445)
- Burl Walnut Light trim

Upholstery

- Magma Grey & Espresso Brown (will delete beltbag in 325)
- Mahogany & Silk Beige (will delete beltbag in 325)
- *designo* Silk Beige & Deep Sea Blue Semi-Aniline leather

Headlamps

LED Intelligent Light System with Ultra Wide Beam headlamps (P35)

- advanced LED headlamps and Ultra Wide Beam high beams
- Ultra Wide Beam produce light at an increased width for maximum illumination of the road and surround area
- clear improvement of the already great lighting performance of the LED Intelligent Light System
- Adaptive Highbeam Assist is also part of the LED Intelligent Light System and allows drivers to drive with activated main beams without dazzling other road users

Steering Wheel

3-spoke Nappa Leather Steering Wheel (L2B)

- Newly redesigned with Touch Control Buttons to control the entire multimedia system
- Active Distance Assist DISTRONIC or standard cruise control is controlled via steering wheel-mounted controls
- Leather and Leather & Wood Steering Wheels with 3-spoke design available

Ambient lighting with 64 colors and 3 color zones

Ambient lighting with 64 colors and 3 color zones (891)

- The ambient lighting in 64 colors gives the light a uniquely diverse style and showcases the interior like a work of art
- Three different zones from bottom to top: footwell (zone 1), trim level (zone 2) and Widescreen Cockpit (zone 3)
- Every display style of the Widescreen Cockpit is oriented towards a matching color scheme: "Glacier Blue" for Classic, "Red Moon" for Sport, "Down Blue" for Progressive
- Eight color schemes consist of two colors respectively – the Widescreen Cockpit and the footwell are in the same color, and the trim level forms a contrast. In "dynamic mode", this color distribution changes
- Two additional color schemes each contain five colors – which slowly interchange ("dynamic mode") and thus ensure that the color constantly changes
- Special emotively appealing effects: A Coming Home visualization welcomes the driver, and the climate control indicates in color via the ambient lighting whether a warmer or colder temperature is being set
- Just as variably adjustable is the brightness of the LEDs, with five levels and four zones: Widescreen Cockpit, area of the front seats, rear plus complete dimming zone
- The ambient lighting is incorporated in the ENERGIZING comfort control programs

Driver Assistance Systems

Driver Assistance Package (997)

Option price: \$2,250

- **Active Distance Assist DISTRONIC®** is able to follow a vehicle in front at a pre-selected distance at wider range of speeds
- **Active Steering Assist** functions at a wider range of speeds and can now actively intervene even if road lines are unclear or non-existent at certain speeds; can now function in curves with a tighter radius
- **Active Emergency Stop Assist** brakes the vehicle to a standstill in its lane if it detects that the driver is no longer actively driving the vehicle while it is on the move with Active Distance Assist DISTRONIC and Active Steering Assist engaged. Can now unlock the doors when the vehicle is stationary to allow first aid responders immediate access to the vehicle's interior. With available mbrace® Secure, the system simultaneously makes an emergency call
- **Active Lane Change Assist** is a radar-and-camera-based system that aids the driver when changing lanes. When a turn is indicated, this feature will aid with steering into the adjacent lane if it detects the lane is empty
- **Active Speed Limit Assist** can adapt vehicle speed to identified speed limits and can now adjust preemptively when speed limits are going to change
- **Route-Based Speed Adaptation** the vehicle is now able to reduce the speed in anticipatory mode by referencing the COMAND map data ahead of bends, junctions, roundabouts, toll booths and exit roads.
- **Active Brake Assist with Cross-Traffic Function**
- **Evasive Steering Assist** this system assists by adding calculated steering torque to aid in steering wheel movement when a driver deliberately or instinctively performs an evasive maneuver around a pedestrian
- **Active Blind Spot Assist** is active at a wider range of speeds and informs the driver to help avoid an imminent side impact by single-sided braking
- **Active Lane Keeping Assist** is active now at a wider range of speeds

ENERGIZING Comfort Control

ENERGIZING Comfort Control (P72)

Requires AIR-BALANCE package (P21), Ambient lighting (891), Active Multicontour Seat package (432)

- ENERGIZING Comfort is a world-first entering series production to enhance the physical comfort and performance both while driving and during breaks
- It systematically uses the functions of the climate control system (including fragrancing) and the seats (heater, ventilation, massage), the console heating as well as lighting and musical atmospheres, and enables a specific wellness set-up tailored to the mood and need of the driver
- The following six Energizing Comfort programs can be selected: Freshness, Warmth, Vitality, Joy, Comfort, Training (three trainings – muscle relaxation, muscle activation and balance - each with several exercises)
- Each program runs for ten minutes and are visualized on the headunit with color graphics, and backed by suitable music
- Five songs are already stored in the program and if personal music selections are available, for example via the Media Interface, the system analyzes them in the background and assigns them to a program based on the beats per minute (bpm)
- ENERGIZING Comfort also incorporates ambient lighting, which is harmoniously tailored to each of the individual screen designs

New Design of Front and Rear Bumper – Standard Version

AMG Line Exterior (321)

Performance & Handling

- 9G-TRONIC 9-speed automatic transmission*
- AIRMATIC Air Suspension
- ECO Start/Stop System

Comfort & Convenience

- Air Balance Package
- 64-color Ambient Lighting
- Burmester® Surround Sound System
- COMAND System NTG 5.5
- Smartphone Integration
- Front heated seats
- Power-folding mirrors
- Dual-Zone automatic climate control
- Power rear-window sunshade
