Note: Merchandise returned is subject to a 20% restocking fee. Custom parts are not returnable. All returns must be authorized and accompanied by a RGA #, freight prepaid. The customer is responsible for freight on all merchandise returned due to refused or missed delivery. Shortage, damage, or miss boxes MUST be filed within five (5) business days of receipt of merchandise, or shipping will not be expedited at our expense. There is no warranty stated or implied due to the unusual stress placed on racing parts and because we have no control how they are used. Prices subject to change without notice. Prop 65 Warning: We have determined that Porterfield Brake pads currently contain NONE of the products identified on Prop 65 Risk Level list. However, this list is constantly evolving. By proactively labeling our products even though there is no current risk associated we are offering a "clear and reasonable warning."
