General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

Revision History

Date	Description
07/18/2023	519 upholstery on constraint for the remainder of CY2023
05/30/2023	Initial S580Z4 and S680Z4 DOG published

- Operation via Touch Control panels:
 - Left: e.g. instrument cluster, Active Distance Assist DISTRONIC
 - Right: multimedia system (e.g. audio volume and title selection, telephony and navigation)
 - Touch sensitivity adjustable via central display

Executive Rear Seat Package Plus- DB6 (Optional)

With the Executive Rear Seat Package Plus you travel as comfortably as you do in a private jet. The business centre console represents a huge gain for the rear passengers both visually and functionally. For example it pampers them with temperature-controlled cup holders and stowage compartments beneath an electrically opening cover. You can charge your smartphone beneath the armrest inductively and thus wirelessly.

- Sweeping trim element flowing continuously behind the rear seats into the centre console, with exclusive Mercedes-Maybach logo as well as integrated stowage compartment
- Beneath the electrically operated cover in the front section of the business centre console:
 - Double temperature-controlled cup holder
 - Control elements for THERMOTRONIC automatic climate control in the rear
 - Additional stowage compartment
- Armrest with stowage area for MBUX Rear tablet
- Stowage compartment under the armrest with
 - Wireless charging for mobile phones in the rear
- Extensive integration into the ambient lighting such as with glove box lighting as well as function lighting in red/blue (warm/cold) for the cup holders
- Folding tables in the rear (449) which can be pulled out from the stowage compartment beneath the armrest
- HDMI connections beneath the armrest

Electric Comfort Doors in Rear- 68B

The comfort doors allow you to get in to the rear of your Mercedes-Maybach and alight once again with just as much comfort and convenience. The electric doors elegantly open and close again as and when you wish.

An electric actuator motor in each of the rear doors swings the doors open and shut as required in a controlled manner. If you park on a slope or an incline, the doors open and close with ease thanks to the drive system.

Operation of the comfort doors is versatile: using the vehicle key, by touching the door handles on the outside, via the central display or the MBUX High-End Rear Entertainment system. In addition, you can open the doors by pressing and holding the switch in the overhead control unit. A quick touch is all you need to close the door.

When getting in and out, your Mercedes-Maybach optimally watches out for your safety and the well-being of other road users. If the Blind Spot Assist is active, you should only open the doors if no barriers have been detected. As soon as the Blind Spot Assist detects other road users in the area of the door, you are notified by means of the exit warning function.

MANUFAKTUR Leather Package (U61)

The MANUFAKTUR Leather Package takes the feel-good atmosphere and the flair of your Mercedes-Maybach interior to a new level. Luxury that you can feel, touch and even smell.
