AMG Night Package

With the AMG Night package, exterior elements such as exterior mirror housings are finished in high-gloss black as well as trim elements in black chrome. Together with the black chrome-plated tailpipe trims, the result is - depending on the desired paint color - either strong contrasts or flowing transitions.

- Exterior features in high-gloss black:
 - Trim of the air inlets left and right on the front apron
 - Exterior mirror housings
 - Beltline and window line bars
- Exterior elements in black chrome
 - Trim strip on A-Wing and front splitter
 - Inserts in the side sill panel
 - Trim element on the rear apron

AMG Carbon Fiber Package

Detachable parts in carbon-fiber such as the trim of the air inlets on the front apron or the exterior mirror housings, enhance the exterior appearance from all angles. This gives the vehicle an even stronger performance claim.

- Design elements made of carbon-fiber
