General Information

Important Note

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models.

Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

Revision History

Date	Description
07/22/2021	Update: As you are aware, MBUSA is experiencing challenges with the availability of semiconductor components due to the worldwide shortage. This has caused the addition and/or removal of certain options on vehicles. A summary of the changes is below: AMG Track Pace MBUX App (256) and Inductive Wireless Charging w/ NFC Pairing (897) has been removed from standard. Option is restricted from ordering.
06/15/2021	Initial publication of GT 43 & GT 53 DOG
