

## fuse designation

129 545 01 00

fuse  
nr  8 A (white)  16 A (red)  25 A (blue)

- 1  parking/tail light right, warning buzzer, illumination: license plate, instrument cluster, control elements (headlamp cleaning system)
- 2  fog light, rear fog light
- 3  parking/tail light left
- 4  proximity switch/control unit seat adjustment (mirror and jacket tube adjustment)
- 5  stop lamp, instrument cluster, front roof light, bulb control unit (cruise control, trailer control unit)
- 6  relay left safety package, backup lamp, horn, power soft top control unit (fanfare horns, outside temperature gauge)
- 7  climate control system, heating water valves, water pump (relay auxiliary fan term.86)
- 8  relay right safety package, outside mirrors, heater washer system, roll bar sensor (infrared remote control)
- 9  diagnostic term.6, hazard warning system, turn signal lamp, electronic clock, front roof light, legroom lights (electronic radio, mirror light-sun visor)
- 10  residual engine heat storage system
- 11  wipe/wash system, combination relay, headlamp flasher (relay headlamp cleaning system term.86)
- 12  cigar lighter, glove compartment light, relay comfort circuitry term.86, storage compartment lamp
- 13  low beam left
- 14  low beam right
- 15  high beam left
- 16  high beam right, high beam indicator
- A  radio/electronic radio
- B  electromagnetic air pump clutch, (electromagnetic A/C compressor clutch, kickdown solenoid valve/aut. transmission)
- C  (door lights, sound-system, CD-player)
- D  (seat heating)
- E  front seat adjustment
- F  front seat adjustment
- G  (auxiliary heater)
- H  (auxiliary heater)

### fuse arrangement

A	1	2	3	4	E
B	5	6	7	8	F
C	9	10	11	12	G
D	13	14	15	16	H

## fuse designation

129 545 04 00

fuse  8A (white)  
nr  16A (red)  30A

- 1  window lift left
- 2  window lift right
- 3  power soft top control unit and solenoid valves
- 4  roll bar control unit and solenoid, electric seat belt locking
- 5
- 6  trunk light, central locking system control unit, (aut. antenna, infrared remote control unit)
- 7  hydraulic unit power soft top

There is a third fuse box behind the brake booster with three metal strip fuses.
