Please Read and Agree to the Following Disclaimer

Disclaimer

"The information contained in this publication/application/website ("publication") is issued by Mercedes-Benz USA, LLC, for use in conjunction with other service literature, special tools and equipment and parts specified by Mercedes-Benz for use in diagnosis and repair of Mercedes-Benz vehicles and is not intended to represent all available information pertaining to models referenced herein. Although this information can be useful for Mercedes-Benz owners and independent repair facilities, it is intended solely for use by service personnel properly trained and qualified to perform work on Mercedes-Benz vehicles and who have access to, and experience in, using the necessary tools, equipment and literature, required to perform service and repair work accurately and safely.

Warning: Failure to use proper tools and equipment, and take all necessary and prudent precautions, that would be taken by a trained, certified, automobile technician, and follow all safety guidelines in these and other service publications, may result in property damage, personal injury or death. These materials are not intended for instruction in repairing or servicing of Mercedes-Benz vehicles by persons without appropriate professional training and experience in repairing and servicing of Mercedes-Benz vehicles.

Mercedes-Benz USA, LLC assumes no liability for injury, damage or loss due to the use or misuse of this information and reserves the right to revise this information at any time without notice. Mercedes-Benz USA, LLC assumes no responsibility for errors and/or omissions in the information contained herein.

I understand that any unauthorized sharing of access to the Mercedes-Benz USA, LLC EPCnet Online web site, or information thereon, will result in the cancellation of my account and the loss of all funds. By subscribing you also agree that you have read, understand, and accept and will adhere to the following copyright statement:
