Mercedes-Benz MY17 SL (R231)

An important note about this Guide:

The information presented in this guide is based on the most current information available and is intended for internal use only. Mercedes-Benz reserves the right to make changes at any time, without notice, to colors, materials, equipment, special specifications and models. Pricing may not yet be finalized for some models or options.

Due to variances among monitors and printers the colors that appear on your screen and printouts may not be exact.

For illustrative purposes, some images may show vehicles with European Specification.

What's new: MY17 Overview

Exterior

- New front design from A-pillar forward
- Diamond grille in silver for SL450/SL550
- New engine hood, front fender and air outlets
- New rear bumper
- Full LED headlamps, tail lights completely in red

Interior

- New flat-bottom steering wheel
- New design for instrument cluster
- Telematics generation NTG5* 1 with smartphone integration
- Ambient lighting with 3 colors (solar red, polar white and polar blue)

Standard Equipment

- New 9G-tronic transmission (AMGs include AMG SPEEDSHIFT 7-speed transmissions)
- DYNAMIC SELECT driving programs (E, C, S, S+, Individual)
- Opening of retractable-hard-top (RHT) while driving (up to 25 MPH) (needs to be initiated at speeds below 6 MPH)
- Electric trunk partition
- Full LED lights
- Logo projection lamp from exterior mirrors
- Active braking assist
- 19" wheels
- Smartphone Integration with Apple CarPlay®

Optional Equipment

- Active Body Control with CURVE function (487) (Curve Tilting SL450/SL550 only)
- Active Brake Assist with Cross-Traffic Function (269)
- Distance Pilot DISTRONIC with steering pilot (233)
- Omission of SPLITVIEW (867) and Night View Assist PLUS (610)

What's new: MY17 Overview

Paints

- Omission of Lunar Blue (890)
- Omission of *designo* Magno Shadow Grey (281)
- New color: Brilliant Blue (896)
- New color: *designo* Selenite Grey Magno (297)

Upholsteries

- Omission of leather nappa nut brown
- Exclusive nappa leather upholsteries available (5xx)
- New upholstery color: leather nappa saddle brown (814)
- New upholstery color: exclusive nappa leather saddle brown (514)
- New code: leather crystal grey 208 becomes 218

Trims

- New trim: light carbon grain aluminum (H42)

Wheels

- New 19" 5-spoke alloy wheel (R82) – standard for SL450
- New 19" 10-spoke alloy wheel (R97)
- New 19" AMG 5-spoke alloy wheels (752) – standard for SL550
- New 19" AMG multispoke alloy wheel (788)
- New 19" AMG 10-spoke light alloy wheel (799) – standard for SL63
- New 19"F/20"R AMG 10-spoke High-polished wheel (659) – SL65
- New 19"F/20"R AMG Forged wheel options (657, 658) – AMGs

¹Pull-only Model

Standard Equipment Highlights SL450/SL550

Performance/Handling

- Sport Package
- 9G-TRONIC Transmission
- 19" light alloy wheels
- DYNAMIC SELECT driving programs

Comfort/Convenience

- Retractable Hardtop with Panorama Roof
- Bluetooth® Connectivity
- 5 Years of mbrace® Connect Service
- Smartphone Integration with Apple CarPlay®
- Power Front Seats with Memory
- Garage Door Opener
- MAGIC VISION CONTROL
- AIRSCARF neck-level heating
- Ambient lighting
- Wind deflector
- Electric trunk partition
- PARKTRONIC with Active Parking Assist (included in Premium Pkg for SL450)
- Rearview Camera (included in Premium Pkg for SL450)

Safety/Security

- PRE-SAFE
- ATTENTION ASSIST
- LED Lights
- ADAPTIVE BRAKE
- Driver and passenger knee airbags
- Auto-dimming side and rear view mirrors
- New Vehicle 4-Year/50,000 Mile Warranty
- 24-Hour Roadside Assistance
- Antitheft Alarm
- Electronic Stability Program (ESP®)
- eCall-Emergency System

Standard Equipment Highlights

Performance/Handling

- AMG Sport Exhaust system with dynamic flaps
- 19" Staggered width Aluminum alloy wheels
- AMG High-Performance Compound Braking System
- AMG Performance Steering Wheel with Shift Paddles
- AMG Adaptive Performance Suspension based on Active Body Control
- AMG DYNAMIC SELECT
- High-Performance Summer tires with TIREFIT
- Carbon Fiber Engine Cover *(SL65 Only)*

Comfort/Convenience

- MAGIC VISION CONTROL
- COMAND NTG 5* 1 Infotainment system
- AIRSCARF
- DINAMICA Headliner
- Ambient Lighting in 3-colors
- Active Multicontour AMG-exclusive Performance front Seats
- IWC Analogue Clock in Dashboard
- Bang & Olufsen BeoSound Sound system *(SL65 Only)*

Safety/Security

- COLLISION PREVENTION ASSIST PLUS
- LED Intelligent Lighting System
- ATTENTION ASSIST
- Auto-dimming side and rear view mirrors
- PARKTRONIC with Advanced Parking Assist
- 5years of mbrace® Connect service, with three packages available
- Rearview Camera with Dynamic Guidelines

Visual Equipment Differentiation

Steering Wheels

L5C – Multifunction sport steering wheel in Nappa leather

- Standard on all models
- For outstanding vehicle control and ergonomics, the multifunction sports steering wheel in Nappa leather has a flattened bottom section. Exclusive sportiness is also evident in the 3-spoke design, the silver-colored steering wheel gearshift paddles.

L5D – Wood/ Leather steering wheel in Nappa leather \$ TBD

- Optional
- The combination of high-quality leather in the grip area and fine wood inserts at the top and bottom make this steering wheel a visual and tactile highlight. The wood finish is the same type as the selected wood trim.

Visual Equipment Differentiation

Steering Wheels

L6J – AMG Nappa Leather Performance Steering Wheel

- Standard on AMG models
- For outstanding vehicle control, the grip area of the AMG sports steering wheel in nappa leather features more pronounced contours and is covered with perforated leather. AMG-specific shift paddles in bead-blasted die-cast zinc and a chrome-plated "AMG" badge underscore the sporty character.

L6K – AMG Perf. Steering Wheel w. DINAMICA inserts

- Optional on AMG models
(Not available with 805 or 505 Upholstery)
- For even more grip when carrying out sporty driving maneuvers, the AMG Performance steering wheel in Nappa leather features a grip area upholstered in DINAMICA microfiber. AMG-specific shift paddles in bead-blasted die-cast zinc and a chrome-plated "AMG" badge underscore the sporty character.

L5D – Wood/Leather Steering Wheel

N/C

- Optional on AMG models
- The combination of high-quality leather in the grip area and fine wood inserts at the top and bottom make this steering wheel a visual and tactile highlight. The wood finish is the same type as the selected wood trim (with Carbon trim becomes Piano Black finish).

Equipment Differentiation

Brakes

B06 – AMG Silver Painted Brake Calipers

Standard

- *Standard on SL63, SL65*
- The brake calipers painted in a silver color with AMG logo convey a sense of value and sportiness
- *Front axle:* 15.4" front brake discs, internally ventilated and perforated with 6-piston fixed calipers
- *Rear axle:* 14.2" rear brake discs, internally ventilated and perforated with single-piston floating caliper

U70 – AMG Red Painted Brake Calipers

\$1,000

- *Optional on SL63, SL65*
- Painting the brake calipers in red visually underscores the high performance of the composite braking system
- *Front axle:* 15.4" front brake discs, internally ventilated and perforated with 6-piston fixed calipers
- *Rear axle:* 14.2" rear brake discs, internally ventilated and perforated with single-piston floating caliper

B07 – AMG Carbon Ceramic Braking System

\$8,950

- *Optional on SL63, SL65*
- Bronze calipers are the signature of the AMG Carbon Ceramic Braking system
- Weight reduction of 40% compared with conventional compound brake discs
- *Front axle:* 15.8" front brake discs, internally ventilated and perforated with 6-piston fixed calipers
- *Rear axle:* 14.2" rear brake discs, internally ventilated and perforated with four-piston fixed caliper

Note: B07 not compatible with 799 – 19" AMG 5 twin-spoke wheel

Option Packages

P01 – Premium Package

\$4,900

Standard on SL550, SL63, SL65

- 218 – Rearview Camera
- 235 – PARKTRONIC with Active Parking Assist
- 401 – Heated & Active Ventilated Front Seats
- 403 – AIRSCARF neck-level heating
- 432 – Active Multicontour Seats with Massage
- 881 – Electronic Trunk Closer
- 889 – KEYLESS GO with HANDS-FREE ACCESS
- U28 – Grey Painted Brake Calipers & perforated brake disks

997 – Driver Assistance Package

\$2,950

Standard on SL65

- 233 – Distance Pilot DISTRONIC with steering pilot
- 266 – Cross-Traffic Assist
- 237 – Active Blind Spot Assist
- 238 – Active Lane Keeping Assist
- 253 – PRE-SAFE PLUS
- 269 – Active Brake Assist with Cross-Traffic Function
- 268 – BAS PLUS
- 300 – Collision mitigation (PRE-SAFE Brake)

Product Highlights: MAGIC SKY CONTROL

Optional on all models

At a simple push of a button, MAGIC SKY CONTROL creates an open-air feeling when the roof is closed, . The panoramic vario-roof changes from dark to transparent or vice versa within a few seconds. In its tinted state, it substantially reduces heating-up of the vehicle interior. MAGIC SKY CONTROL is activated via a switch in the overhead control panel. When electrical voltage is applied, particles in the glass structure align themselves so that light can pass through the glass.

- changes from dark to transparent or vice versa at the press of a button
- low heating-up of the vehicle interior in tinted mode
- Open-air feeling even with roof closed in transparent setting
- Operation of the vario-roof (opening/closing) possible when moving off up to a speed of 25 mph
- automatic boot separator - manual opening or closing of the boot separator no longer required

Product Highlights: AIRSCARF

Standard on all models

This neck-level heating makes open-top driving a pleasure even at low temperatures. Through adjustable air outlets in the head restraints, pleasantly warm air is 'wrapped' around the necks of the driver and front passenger like an invisible scarf. The desired temperature can be set in three stages. The cool air flows over fins and is heated by a PTC heating element (PTC: positive temperature coefficient). A blower then ensures the required outflow speed. The outflow speed automatically is adjusted to the travelling speed.

- neck-level heating for driver and front passenger makes comfortable open-top driving possible even at low ambient temperatures
- through air outlets in the head restraints, pleasantly warm air flows around the head and neck
- setting of temperature with 3-stage switch
- airflow adjusted by adjusting air outlets
- the speed of the exiting air automatically adjusts to the travelling speed

Product Highlights: DYNAMIC SELECT

Standard on all models

- choice of five different drive modes as required – comfort-oriented, sporty, particularly sporty, efficient or completely individual
- Adjustment of parameters such as engine, transmission, suspension, steering, climate control or ECO start/stop function
- Default setting "Comfort": well-balanced and fuel-efficient
- "Eco" mode: for keeping fuel consumption as low as possible adjustments to the accelerator pedal curve and shift points. Adjustment of the output of equipment items such as heated seats, heated rear window and air conditioning. Additional sailing function
- "Sport" mode: more agility and dynamism with more direct steering characteristics, sporty, taut suspension tuning, spontaneous throttle response and modified shift points
- "Sport+" mode: further enhanced sportiness, suspension and drive train even more dynamically tuned
- "CURVE" mode: Curve tilting function and relaxed cruising - Eco transmission mode is cancelled at the same time, the sailing function is active with the Comfort setting
- "Individual" mode: individual parameters can be varied as required, using the DYNAMIC SELECT button and the configuration menu in the head unit

Product Highlights: 9G-tronic transmission

Standard on SL450 and SL550

With nine forward gears, this automatic transmission combines efficiency, comfort and dynamics at an entirely new level. Even faster gear changes and smoother gear shifting make it an enticing proposition. At the same time, 9G-TRONIC helps to reduce fuel consumption.

- Automatic transmission with nine forward gears and one reverse gear
- Fast and smooth gear shifting compared with a 7-speed automatic transmission
- Comfortable, fuel-efficient driving at low engine speeds
- Five driving modes can be selected with DYNAMIC SELECT: Eco, Comfort, Sport, Sport+ and Individual
- multiple downshifts for rapid bursts of speed
- DIRECT SELECT lever in the centre console as well as steering wheel paddle shifters for manual shifting

Technical Highlights: AMG Powerplants

M157 Handbuilt 5.5L V8 Biturbo

M279 Handbuilt 6.0L V12 Biturbo

AMG SL63 – M157 Handbuilt 5.5L V8 Biturbo

AMG SL65 – M279 Handbuilt 6.0L V12 Biturbo

- Handbuilt in Affalterbach, Germany by AMG master technicians – plaques affixed to the engine cover bears the builder’s signature
- Throttle response and transmission controlled through AMG DYNAMIC Select in Comfort “C,” Sport “S,” Sport+ “S+,” Race “Rc” and Manual “M” modes
- ECO Start/Stop function enabled in Comfort “C” mode
- Up to 14.5 psi (M157) or up to 21psi of boost pressure (M279) depending on engine means maximized power output and outstanding low-end torque
- (M157) Forged crankshaft made from high-strength steel alloy, with continuous camshaft adjustment on intake and exhaust
- (M157) NANOSLIDE cylinder liners for reduced friction, increased throttle response, and longer service life without adding weight
- (M157) Piezo electronic direct fuel injection (pressure-controlled) to maximize power output and optimize emissions
- (M279) Electronically controlled port fuel injection
- (M279) Standard Carbon Fiber and aluminum engine cover

Technical Highlights: AMG SPEEDSHIFT TRANSMISSIONS

AMG SL63 – AMG SPEEDSHIFT PLUS MCT 7-speed automatic gearbox

AMG SL65 – AMG SPEEDSHIFT PLUS 7G-TRONIC automatic gearbox

AMG SPEEDSHIFT PLUS MCT

AMG SPEEDSHIFT PLUS 7G-TRONIC

With seven gears and three transmission modes, these transmissions allow extremely dynamic acceleration and ultra-short shift times, as well as fuel-saving and luxury driving style depending on customer preference.

- **AMG SPEEDSHIFT PLUS MCT:** Featuring a multi-disc clutch in place of a torque converter, delivering ultra-rapid gearchanges and throttle response
 - Three transmission modes controlled through AMG DYNAMIC SELECT with different accelerator and gearshift mapping: Comfort “C,” Sport “S,” Sport+ “S+,” AMG-exclusive Race “R,” and Manual “M.”
 - Shift points can be engaged in less than 100ms in Sport + “S+,” Race “R,” and Manual “M” modes
 - Automatic double-declutching function for rev-matched downshifts for an emotional exhaust sound and driving experience.
 - ECO Start/Stop engaged in Comfort “C” Transmission mode
- **AMG SPEEDSHIFT PLUS 7G-TRONIC:** Torque-converter automatic gearbox with AMG-modified accelerator characteristics for more direct throttle response
 - Three transmission modes controlled through AMG DYNAMIC SELECT with different accelerator and gearshift mapping: Comfort “C,” Sport “S,” Sport+ “S+,” AMG-exclusive Race “R,” and Manual “M.”
 - ECO Start/Stop engaged in Comfort “C” Transmission mode

Technical Highlights: 3-stage ESP®

Standard on AMG SL63 & AMG SL65

The system provides the driver to ability to control how much wheelspin and power modulation the vehicle will apply for different driving conditions. The ESP® button allows the driver to choose between three-stages of driver control, with the currently activated mode displayed in the AMG instrument cluster.

- *ESP® ON*: if the vehicle starts to become unstable, the brakes are applied to one or more wheels and also the engine torque is reduced.
- SPORT HANDLING MODE: the system enables higher levels of driving dynamics and thus corresponding drift angles.
- *ESP® OFF*: system switched off for sporty driving style on dedicated race tracks. All functions of ESP® only become available again with heavy brake application.
- Traction logic is active in all three ESP® modes. Included Torque Vectoring Brake detects the onset of understeer and initiates targeted brake actuation on the inner wheel on bends.

Technical Highlights: AMG performance suspension based on ACTIVE BODY CONTROL (ABC) *(All AMG models)*

The AMG Performance suspension based on Active Body Control raises the limits of dynamic driving with significantly stiffer tuning compared with the standard Mercedes-Benz suspension. With two-stages of suspension settings, the range between the "Sport" and "Comfort" settings remains impressively broad.

- Thanks to the permanently available system pressure and the high-pressure tanks which are used, Active Body Control (ABC) is able to react to signs of body movement within fractions of a second – keeping constant vehicle level irrespective of the payload.
- A microprocessor analyzes the signals from the lateral, longitudinal and vertical acceleration sensors, as well as pressure sensors assigned to each spring strut, in order to detect prevailing driving conditions.
- Suspension can be raised on rough roads or in underground car parks and is automatically lowered at high speeds.
- With the visual ABC display in the COMAND system menu, the driver and passenger can observe how the active suspension control acts on individual wheels in real-time.
- The pressure supply on the engine side makes up to 195 bar of hydraulic pressure available to the servo-hydraulic valves.

Competitive advantages of the Mercedes-Benz SL450/550

Porsche 911

- Active Brake Assist with Cross-Traffic Assist
- Higher ride comfort: Active Body Control with Curve Tilting Function
- AIRSCARF
- Massage function
- LED headlamps standard
- The value appeal and choice of high-quality interior materials are superior in the SL

Jaguar F-Type Cabriolet

- DISTRONIC Plus with Steering Pilot and Active Brake Assist with Cross-Traffic function
- Higher ride comfort: Active Body Control with Curve Tilting Function
- AIRSCARF
- Massage function
- Dual Zone automatic climate control standard
- LED headlamps standard

Competitive Advantages of SL63

Jaguar F-Type R Cabriolet

- +27hp, +162lb-ft Torque
- Vario-roof retractable hardtop
- AMG SPEEDSHIFT PLUS MCT Transmission
- COMAND NTG 5.1 infotainment system
- Semi-autonomy: DISTRONIC PLUS with Stop & Go Pilot and Blind Spot Assist with Active Lane Assist
- mbrace®2

Ferrari California T

- +24hp, +107lb-ft Torque
- AMG SPEEDSHIFT PLUS MCT Transmission
- COMAND NTG 5.1 infotainment system
- Semi-autonomy: DISTRONIC PLUS with Stop & Go Pilot and Blind Spot Assist with Active Lane Assist
- mbrace®2
- \$45,000+ lower starting price (*Price to be finalized*)

Maserati GranCabrio MC

- +124hp, +280lb-ft Torque
- +0.8 second 0-60mph
- Vario-roof retractable hardtop
- AMG DYNAMIC SELECT controlling throttle and shift points, exhaust, active dampening - simultaneously
- AMG SPEEDSHIFT PLUS MCT Transmission
- COMAND NTG 5.1 infotainment system
- Semi-autonomy: DISTRONIC PLUS with Stop & Go Pilot and Blind Spot Assist with Active Lane Assist
- Mbrace®2

Competitive advantages of the AMG SL65

Aston Martin V12 Vantage S Roadster

- +47hp, +281lb-ft Torque
- +0.8 second 0-60mph
- Vario-roof retractable hardtop
- AMG DYNAMIC SELECT controlling throttle and shift points, exhaust, active dampening - simultaneously
- AMG SPEEDSHIFT PLUS MCT Transmission
- COMAND NTG 5.1 infotainment system
- Semi-autonomy: DISTRONIC PLUS with Stop & Go Pilot and Blind Spot Assist with Active Lane Assist
- mbrace[®]2
