

CAREFULLY pry out the center STAR emblem,  
and you'll see the nut and washer - or ALLEN  
screw. BE VERY CAREFULL WHEN LOOSENING WITH  
A BREAKER BAR - IT'S VERY TIGHT WITH THREAD LOCKER !  
DO NOT BREAK YOUR WINDSHEILD- OR DO NOT LOOSEN AGAINST THE STEERING  
LOCK !! HAVE THE STEERING UNLOCKED AND BRACE YOUR KNEES AGAINST THE  
WHEEL AND LOOSEN THE NUT/ OR SCREW. NO PULLER REQUIRED TO LIFT THE  
WHEEL OFF THE SPLINES
